Veterans' League Appeals to Boys Who Wore Blue.

COUNTRY IS AGAIN IN DANGER

The Inevitable Effects of Silver Basis on Savings and Wages Earned are Set Forth.

New York, Aug. 8.—The Union Veterans' League, of which Major-General Daniel E. Sickles is president, and Major-General Franklin and Horace Porter are vice-presidents, today issued an address to the Union veterans of the late war. The address in part is as follows:

"Comrades: Your country is in great peril. In the present presidential campaign, dangerous combinations again threaten the integrity of the government.

"Misguided men conspire to bring repudiation, dishonor and financial ruin upon this nation once saved by your valor. Should this dangerous and revolutionary conspiracy against the financial honor and integrity of the government meet with success, every pensioner, every depositor in a savings bank, every policy-holder in an insurance company, etc., would lose one-half of what is due him by being paid in 50-cent dollars. The price of everything the workman buys will be doubled, but he would have to struggle and wait longer before he secured any substantial increase in his wages.

"We appeal to you to lay aside all partisan differences, to prefer country to party, as you did in the dark days of the civil war, and rally to the support of our gallant comrade. Major McKinley, the first private soldier who has ever been nominated to the high office of president of the United States, who stood shoulder to shoulder with you in many memorable battles, and for two long years carried his musket and shared the toils and dangers which fell to the lot of the men in the ranks, who defended the union, and who, today, stand for the maintenance of the good name and honor of the country.

"Therefore, we urge you to form yourselves into an association to be known as 'The Union Veterans' Patriotic League,' and do all in your power as individuals and members of the league to secure the triumph of the right."

The address urges every veteran and son of a veteran to send his address to the secretary of the league, Colonel Edwin Dudley, No. 1, East Ninth street, New York city.

WARRIED AGAINST GIBBS.

Letter to Hanna From the McKinley League, of New York.

New York, Aug. 9.—The McKinley League state executive committee has written a long letter to Hon. Mark Hanna, chairman of the Republican national committee, in which it warns him against Frederick S. Gibbs, the Republican national committeeman from New York, and the regular organization of the Republican party in this city and state. It reviews with much detail the alleged wrongdoings of the organization, discusses the political character of Mr. Gibbs, who is the personal representative of Thomas C. Platt; touches upon the methods adopted by the organization in the last election, and declares:

"We are convinced that Mr. Gibbs has not only been exceedingly active in his opposition to the interests of McKinley, but is deliberately and constantly using his official position and influence to bring about the disruption of the party in the county of New York, and to impair, if not prevent, the election of the Republican ticket."

It then recites instances where the organization has deprived members of the league and other Republicans of party rights, and declares:

"We believe that in a majority of the states the party is thoroughly and highly desirous of the election of McKinley and Hobart, but in many places the machinery of the party is under the absolute control of discredited and unscrupulous traitors, men who did not hesitate to vilify the candidate before nomination,

and who will not hesitate to betray them after it."

Attention is called in the letter to the plurality by which Blaine was defeated in New York, and a suggestion of the possibilities of the change of one vote in each voting precinct is made.

A QUIET SATURDAY.

Nebraska and South Dakota Reported Safe for McKinley.

WASHINGTON, Aug. 8.—It was very quiet at both the Republican and Democratic headquarters today. The lack of visitors is attributed to the extreme heat. The mail, however, continues heavy, and the demand for literature from both committees is enormous. Letters received at the Republican headquarters from Nebraska say that Bryan's state is safe for McKinley, and from South Dakota the information received indicates that the Republican majority will be increased rather than diminished. Secretary Mercer, of the Republican congressional committee, went to Atlantic City today to spend Sunday with his family. The chairman of the Democratic committee has gone to Frostburg, Md., to remain with his family over Sunday. He will go to New York Monday.

At either headquarters the secretary says about 1600 letters are received daily, fully one-fourth from former Republicans, who say they cannot support the gold declaration in the St. Louis platform.

A visitor there today predicted that much of the soldier vote would go for the silver candidate. He said he had a letter from Thomas Spaulding, ex-post commander of Springfield post, Erie county, N. Y., saying that a majority of the members would vote for Bryan. The gentleman said the post was composed of 164 members, of whom but four were Democrats.

NO KEST FOR MCKINLEY.

Too Many Visitors Have Kept Back His Letter of Acceptance.

CANTON, O., Aug. 9.—Governor McKinley continues to be so busily engaged with the callers, who flock in on him every day, that it has been almost impossible for him to find any time to give to the formal letter of acceptance. It is not now considered possible that it will be issued before the first of September.

A DEATH-DEALING GUN.

The East Stricken by an Extremely Hot Wave.

WASHINGTON, Aug. 9.—The report of fatalities resulting from heat in various sections of the country indicate that the present hot spell will be as disastrous in effect as a national calamity or plague. The death roll of today exceeds 128 in the principal places. Following is the reported fatalities: New York and vicinity, 50; Philadelphia, 18; Washington, 10; Baltimore, 19; Bayonne, N. J., 3; Newark, 3; Albany, 12; Jersey City, 1; Pittsburg, 1; Memphis, 1; Rochester, 1; Chicago, 15; Louisville, 1; Cleveland, 2; Cincinnati, 5; San Antonio, 1.

TO END THE WAR.

Negotiations for Peace to Be Begun in Cuba.

KEY WEST, Aug. 8.—It is openly declared here that Captain-General Weyler has reached an understanding with the chief insurgent leaders and that negotiations will be begun with a view to the cessation of hostilities in Cuba upon terms satisfactory to all concerned. It is also stated here that the captain-general and his deputy commanders have held a conference in relation to this important movement.

NOTICE.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: E. J. Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists.
