

## THE BEST FAMILY MEDICINE

She Has Ever Known. Words of Praise  
from a New York Lady for

### AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my inevitable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent a gripe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-around family medicine I have ever known."

Mrs. May Johnson, 238 Rider Avenue, New York City.

## HOW SHE GOT EVEN.

A Gently-Bred Woman Administers a Telling Rebuke.

As it is a well-established fact that men are always in the prime of life, while women begin to get over it at the age of 35, the gentler sex are naturally averse to pointed comments upon their years. A blundering man, whose too convivial habits have conspicuously wrecked his wife's health and peace of mind, was recently introduced to a visiting lady of less than 50 years, but of remarkably youthful and fresh appearance. With fatal intent to be gallant, the blundering man remarked:

"Glad to meet you, madam—glad to meet you. You are very well-preserved for your years."

No answer was returned, the visiting lady having been naturally shocked at being thus classed among the aged.

Not disconcerted, the talkative gentleman went on: "You look young, madam, indeed you do. Pray, tell me what is the secret of it?"

A picture of the harassed wife of the rude questioner came to the visiting lady's mind, and she retorted, gently, but pointedly: "There is but one secret of what you are pleased to term my youth and good looks. I have a husband who has never given me an unkind word or cost me an anxious thought."

Dated this 3d day of August, 1896.  
C. L. GILBERT,  
Country School Superintendent of Wasco Co. Oregon.

## Kristol's Handsome Horses.

This evening, Prof. D. M. Bristol, with his wonderful horses, will begin a two night engagement at the opera house, including a matinee session Tuesday afternoon at 2 o'clock. One of the features of the matinee will be a free pony ride for the children. Comparatively speaking, Prof. Bristol's horses are said to be wonders of equine intelligence, far superior to anything of the kind heretofore seen. Their exhibition will prove highly interesting and should attract crowds of people. The San Francisco Chronicle says "People marvel at the wonderful intelligence of horses at the auditorium last night, and grew enthusiastic over the wonderful equine exhibition that was given under the supervision of Professor Bristol. The professor has certainly achieved wonderful success in the training of horses. The dumb members of his company are pantomimic artists of great skill. There are thirty horses in the band, and they all contribute to the success of the entertainment. Not the least interesting of the lot is a mule, which is a clown of considerable ability, and which gives a very good imitation of a person engaged in delivering an address."

## Reduction in Railroad Fares.

As there will be numerous requests for reduced rates on account of political meetings during the coming contest, it has been decided that in order to treat all parties alike, a one fare rate will be made by the O. R. & N. Co. for various meetings of this character.

This of course is intended only for occasions where there is sufficient number to justify a reduction in rates. This is done so that there will be no partiality in favor of any one party.

## None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

## Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish, and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1 per bottle at Blakely & Houghton's drug store.

## LATIN AND GERMAN TAUGHT.

GERMAN. The undersigned desires to organize a class in German. Every American citizen who can afford both time and expense ought to be master of at least two languages. The German language has many advantages over modern languages on account of her profound literature in all branches of ancient and modern science produced in her world-renowned universities. Those who would drink from these inexhaustible and yet undiminished fountains of knowledge, must master the language which contains the key to them. The undersigned will organize a class in German, and will begin with actual work on the first day of September. The class will meet two or three times a week in the evening or when most convenient to the pupils. Rapid progress guaranteed to those who will get down to earnest labor. All who desire to participate in this work will please announce their intention to the undersigned at an early date, as the class will be limited to a certain number. Charges will be very reasonable.

## LATIN.

The undersigned will also organize a class in Latin. There are so many reasons why those who desire to advance their knowledge beyond a common school education should take at least a course in Latin, that probably everybody is familiar with at least some of them. I will not take space here to speak of the beauties of the Latin language nor of the many advantages in life possessed by those who have mastered it. I will here only announce my intention to organize a class in Latin. Rapid progress guaranteed to those who will work hard. Charges very reasonable. All desiring instruction in Latin are kindly requested to announce their intention to the undersigned before September, if possible. Awaiting your application, I am, very respectfully yours, J. E. GREY, Evangelical Lutheran Pastor.
