AT M'KINLEY'S HOME

A Novel Scene at Canton, Ohio.

BOTH CANDIDATES SHARE HONORS

While a Bryan Reception Committee is Waiting for the Train They Call Upon McKinley.

CHICAGO, Aug. 10.—A little before midnight last night Bryan resumed his journey to New York over the Pennsylvania Central. At all the stations, notwithstanding the early hour, large crowds gathered and gave him an enthusiastic reception. The people climbed over and under the cars with the utmost recklessness in their zeal to get near the car platform. At most of the stops Bryan made a few remarks.

Both Candidates Speak.

CANTON, O., Aug. 10.—The Bryan reception committee from Pittsburg, composed of about sixty prominent democrats of that city headed by County Chairman Holey, arrived at Canton at noon today, and finding that they had nearly two hours to wait before the train arrived, decided to call upon Major McKinley. Morris Forster acted as spokesman. He said he believed any candidate for the presidency was worthy the greatest respect of every one, regardless of political affiliations. In response, McKinley said:

"I am deeply grateful to receive this friendly visit from the Bryan reception committee. Although we are of different political belief, we are, as American citizens, proud of our country and believe in common that we have now and will continue to have in the future the best government in the world. I sincerely thank you, gentlemen, for this visit and assure you it gives me great pleasure."

At the conclusion of the brief address McKinley greeted each member of the delegation in person.

When the 1:40 p. m. Pennsylvania train pulled into Canton, 15 minutes late, bringing Bryan, thousands were at the depot to cheer their fellow townsman opponent in this campaign. Special trains had brought delegations from all over Southeastern Ohio.

Allen Cook, the local Populist leader, escorted Bryan to a flat car. After the applause had subsided Mayor Rice presented Bryan, who said:

"I am glad in this city, the home of my distinguished opponent, to testify to his character and personal worth (tremendous cheering for McKinley.) I shall be satisfied if as a private individual I may be able to stand beside him in public esteem, but, friends, this is not a contest between persons. It matters little to the American people whether your distinguished townsman or myself as individuals occupy the chief executive position of the greatest nation upon earth, but it does matter for what policy the president shall stand, and in this campaign persons are lost sight of in the cause which these persons represent."

DROPPING INTO THE EARTH.

Land in the Vicinity of Mansfield, Mo., Gradually Sinking.

MANSFIELD, Mo., Aug. 10.—The people throughout this section of the country are becoming much alarmed over what appears to be the gradual sinking of the earth in certain localities. It has been a little more than a year ago since a whole field fell an average of a little more than two feet. Within the last two weeks the ground has become very dry from want of moisture, and as a result crevices, some of which are a foot wide, have appeared in the earth. Eight miles south of here, in Douglas county, there is a very noticeable depression of several inches, covering more than a section of land.

Another evidence of this inexplicable phenomena occurred in Texas county a day or two ago, when a sudden sagging of the earth swallowed up a horse while hitched to a plow, and it was with difficulty that the driver saved himself. These strange occurrences seem to come periodically with certain seasons and, although they have been the subject of investigation for scientific purposes, no-

body is able to advance a reasonable theory for the existence of such a state of things. The negroes have become so wrought up over the matter that many of them are leaving the country. They declare that it is an indication of the early arrival of the judgment day.

WOULD BE A SENATOR.

Ex-President Harrison Has Political Aspirations.

CHICAGO, Aug. 10.—Ex-President Harrison is said to be a candidate for United States senator and to be ready to make a fight for the place this fall. The statement that the ex-president would like to return to the senate, which he left to become president, was made today by a Republican close to the party leaders. He said:

"Mr. Harrison wants the place. He is desirous of returning to public life for several reasons, which I am not at present able to give, and his old place as United States senator from Indiana would be no loss of prestige in his going to the senate after occupying the office of president. There are plenty of precedents for it. John Quincy Adams, after he retired as president, went to the senate after he had left the presidency. James Monroe was postmaster of New York after he was president."

If it is true that Mr. Harrison wants to go to the senate, he will probably have a bitter opponent in the person of Charles M. Fairbanks, who was temporary chairman of the Republican national convention at St. Louis.

DISTRESS IN NEW YORK.

Horses Dropping Dead by Scores, and Hundreds of Workers Frostrated.

NEW YORK, Aug. 10.—The deaths caused by the heat in Greater New York is 100, and additional victims are being reported hourly.

The prostrations are almost innumerable, and no accurate statement of them can be made. Ambulances and patrol wagons have been running about all day, the sound of their gongs becoming familiar. Street-car horses have dropped in their tracks by scores. Out-of-door work has been largely suspended, and many factories are temporarily closed.

Her Mission Ended.

CONSTANTINOPLE, Aug. 10.—Miss Clara Barton, president of the American branch of the Red Cross Society, has started on her return to the United States, her mission of distributing relief to the Armenians having been ended.

"Long Live Free Cuba."

VALENCIA, Spain, Aug. 10.—Riotous demonstrations against the government continue. This city was placarded yesterday with posters reading "Long live free Cuba," "Long live social revolution," etc.

A MASSACRE IN CRETE.

Helpless Christians Murdered by Muslims.

ATHENS, Aug. 10.—At Anapolis, Pedada, near Heraklion, in the island of Crete, on Saturday, 1,000 armed Muslims butchered 30 unarmed Christians in the precinct of St. John monastery. Several priests, women and children are among the victims.

One woman was slaughtered for saving her children and her husband. She was butchered on her knees.

Several churches were desecrated, and a priest named Jeremiah had his ears and nose severed from his head and was then burned alive on a pile of sacred pictures.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists.

Reduction in Railroad Fares.

As there will be numerous requests for reduced rates on account of political meetings during the coming contest, it has been decided that in order to treat all parties alike, a one fare rate will be made by the O. R. & N. Co. for various meetings of this character.

This of course is intended only for occasions where there is sufficient number to justify a reduction in rates. This is done so that there will be no partiality in favor of any one party.
