FORMALLY NOTIFIED

Governor Stone Makes the Addresses.

BRYAN, THE BOY ORATOR, REPLIES

He Makes an Eloquent Defense of the Chicago Platform and the Democratic Party.

NEW YORK, Aug. 12.—William Jennings Bryan, of Nebraska, and Arthur Sewall, of Maine, were tonight formally notified of their nomination by the Democratic party for the offices of president and vice-president, at a meeting in the big Madison-square garden, forming a notable political event, and a remarkable climax to the remarkable tour of the presidential candidate across half the continent. An army of unnumbered thousands filled the streets and crowded about the building in the hope of securing admission. In the hall, which was like a fiery furnace, Bryan spoke to 20,000 people for nearly two hours. His address dealt almost entirely with the financial question; was more argumentative and less eloquent than his historic Chicago speech, and only in a closing appeal to the citizens of New York did he speak in the strain in which he had captured the Chicago convention. He was surrounded by many of the silver leaders. The Democratic leaders, with the exception of former State Treasurer Danforth, who presided over the meeting, and Congressman William Sulzer, who organized the first Bryan club in the state, were not present.

Mr. Sewall spoke briefly after Bryan and was heartily cheered. Governor Stone, of Missouri, delivered the notification speech, which declared that the work of the Chicago convention was the work of the plain people, and that Bryan was their candidate.

After the notification meeting, Mr. Bryan was driven to the Hotel Bartholdi, facing Madison square, where he spoke again on a balcony, with Mr. Sewall and Mrs. Bryan, who shared with her husband all the honors and attention of the day. This second audience, standing in the streets, seemed to be composed mostly of workmen, and Mr. Bryan exhorted them to support the cause of free silver with one of the most effective and open speeches which he has made in the campaign. Lesser lights of the party and single-tax men held six overflow meetings on the streets around Madison square, and made speeches during the garden meeting. Altogether, the opening of the Democratic campaign made an exceedingly lively night.

The police lines were formed about 9 o'clock, by 1000 picked men. As the hours rolled on the crowd increased so rapidly that this large force was almost powerless to handle it. Twice the 40,000 men, women and children who were cheering and surging to get closer broke through the ranks, and with difficulty were driven back. Only one person was reported injured—a marvelous fact, as the enormous crowd jammed the streets for many blocks.

Bryan Has Laryngitis.
NEW YORK, Aug. 12.—W. J. Bryan, the Democratic nominee for the presidency, is suffering today from an attack of acute laryngitis. A specialist who was called to attend him, hopes Mr. Bryan will be able to deliver his speech at the notification meeting this evening.

A Free-Thought Congress.
CHICAGO, Aug. 12.—Liberals and free-thinkers from all parts of the world are preparing for a congress of liberals in Chicago, November 13, 14 and 15. R. E. Ingersoll and all the prominent American liberals are expected. Mrs. Besant will come if possible. G. W. Foote and Charles Watts, of England, have already promised to be on hand.

The intention is to have a rennon and jollification of all freethinkers, and every country on earth has been sent an invitation to be present.

Powers at Variance.
LONDON, Aug. 12.—It is semi-officially stated that there is no truth in the report published by the Daily Chronicle, that Great Britain and Russia are on the

point of reaching an agreement "to save both Armenia and Crete from Turkish oppression without disturbing the peace of Europe," which agreement, it was added, would involve the presence of the Russian army in Armenia and the British fleet at Crete "to guarantee Turkish compliance with the terms of agreement." It is stated on the other hand that there is great discord among the powers as to the measures that should be adopted regarding Crete, Russia, is further asserted, is showing a marked disinclination to allow great pressure to be brought to bear upon the sultan.

A CRUSADE OF BLOOD.

Japanese Troops Against Natives of Formosa.

VICTORIA, Aug. 12.—From far Formosa where for upwards of a year Japanese troops have been vainly striving to crush out the seeds of post-bellum opposition to Japanese innovations, comes a story which, for barbarous cruelty, and defiant violation of all ethics of civilization, has fortunately few parallels in history.

The terrible tale of rapine, murder and wanton cruelty reached here by the steamer Empress of Japan, and fully bears out the statement on the situation in Formosa given publicly by the Rev. Dr. Mackay on his return to that island six months ago.

Other equally credible correspondents are now the witnesses against Japan, and the burden of their arraignment is that, seeing neither fame nor profit to be gained in the subjugation of the Formosans by the arts of modern warfare, recognized as legitimate by civilized nations, the Japanese troops sent to the island have embarked in a crusade of blood, their object being to crush out all signs of discontent by as far as possible exterminating the native population.

In this campaign there were no foreign powers to make protest, no foreign press representatives to herald to the world the atrocities, the telling of which would bring upon Japan the contempt of all enlightened people.

Says the Tainanfa representative of the China Mail:

"As a result, the policy of extermination has been zealously pursued from the beginning of the campaign, and what, with the destruction of their crops, the burning of their villages, the desecration of the graves of their loved ones, the violation of their wives and daughters, and the butchery of their innocent children, the people are driven to the last expedients of desperation."

NEAGLE ON TRIAL.

He Almost Precipitates a Row in the Courtroom.

SAN FRANCISCO, Aug. 12.—David Neagle pleaded not guilty to assaulting A. J. Collins this morning. The slayer of Judge Terry was not represented by counsel, and that fact nearly led to a sensational scene before the conclusion of the proceedings.

W. C. Cubery and other witnesses testified that Neagle was about the Southern Pacific general offices and brutally banged Collins' head against the railroad. Prosecuting Attorney Reed tried to develop testimony showing that Neagle was connected with the Southern Pacific as "bouncer." Neagle violently objected to this line of examination. Reed addressed the court, saying:

"If this man is employed as a hired ruffian, it is competent to show it." "I am not a hired ruffian," shouted Neagle, advancing toward Reed. Police Judge Low, believing a personal encounter imminent, suddenly

continued the case until tomorrow, ordering Neagle to have an attorney present to do his talking tomorrow.

Shah's Assassin Hanged.

TEHRAN, Aug. 12.—Molloh Rezza, who assassinated the shah of Persia in May last, was hanged this morning in the presence of an immense concourse.

None but Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla is in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

A good recommendation for Simmons Liver Regulator is, that it is purely vegetable and strongly tonic. Then too, it is better than Pills because easier to take in liquid or powder and with no griping, while the relief from Constipation, Biliousness, Sick Headache and Dyspepsia is quick and sure. "I find Simmons Liver Regulator a very safe and valuable family medicine."—Rev. J. M. Rollins, Fairfield, Va.

Reduction in Railroad Fares.

As there will be numerous requests for reduced rates on account of political meetings during the coming contest, it has been decided that in order to treat all parties alike, a one fare rate will be made by the O. R. & N. Co. for various meetings of this character.

This of course is intended only for occasions where there is sufficient number to justify a reduction in rates. This is done so that there will be no partiality in favor of any one party.
