Nervous Prostration

Complete Recovery by the Use of Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. HINSON, Postmaster and Planter, Kinard's, S. C.

Wants All the Improvements.

East Oregonian. An Eastern bicycle factory recently received the following letter from a Kansas farmer:

"Deer Sirs:—I live on mi farm near Hamlin Kansas, am 57 years old and just a little sporta. Mi newff in Indiana bot hisself a new bisicle and sent me his old un by frate and I've learned to ride sum. It's a pile of fun bot mi bisicle jolts considerable. A feller came along yesterday with a bisicle that had a hollow injun rubber tires stuffed with wind. He let me try hissen and mi! it ran like a skusben. He told me you sell injun rubber just like hissen. How much will it be to fix mine up like hissen? Mine is awl iron wheels. Dew you punch the holler hole through the injun rubber or will I haf to do it myself? Do you sell it by the yard or the peace? how do you stick the ends together after you get done? If your rubber is already roller, will it cum any cheaper empty? I kin get all the wind I want out here in Kansas free. EBENEZER Y. JUDD. P. S.—How much do you charge for the doodad you stuff the wind into the rubber with and where do you start? E. Y. J.

Marvelous Results.

From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Elver Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

LATIN AND GERMAN TAUGHT.

GERMAN. The undersigned desires to organize a class in German. Every American citizen who can afford both time and expense ought to be master of at least two languages. The German language has many advantages over modern languages on account of her profound literature in all branches of ancient and modern science produced in her world-renowned universities. Those who would drink from these inexhaustible and yet unadulterated fountains of knowledge, must master the language which contains the key to them. The undersigned will organize a class in German, and will begin with actual work on the first day of September. The class will meet two or three times a week in the evening or when most convenient to the pupils. Rapid progress guaranteed to those who will get down to earnest labor. All who desire to participate in this work will please announce their intention to the undersigned at an early date, as the class will be limited to a certain number. Charges will be very reasonable. L. GREENE, Evangelical Lutheran Pastor.

LATIN. The undersigned will also organize a class in Latin. There are so many reasons why those who desire to advance their knowledge beyond a common school education should take at least a course in Latin, that probably everybody is familiar with at least some of them. I will not take space here to speak of the beauties of the Latin language nor of the many advantages in life possessed by those who have mastered it. I will here only announce my intention to organize a class in Latin. Rapid progress guaranteed to those who will work hard. Charges very reasonable. All desiring instruction in Latin are kindly requested to announce their intention to the undersigned before September, if possible. Awaiting your application, I am, very respectfully yours, L. GREENE, Evangelical Lutheran Pastor.
