

**TURNING GRAY
AND THREATENED
WITH BALDNESS**

The Danger is Averted by Using
AYER'S HAIR VIGOR

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and was so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of hair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. HARRIS, Avoca, Neb.

Reduction in Railroad Fares.

As there will be numerous requests for reduced rates on account of political meetings during the coming contest, it has been decided that in order to treat all parties alike, a one fare rate will be made by the O. R. & N. Co. for various meetings of this character.

This of course is intended only for occasions where there is sufficient number to justify a reduction in rates. This is done so that there will be no partiality in favor of any one party.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

MR. TONGUE ANSWERS.

He Denies the Allegations of Mr. Vanderburg.

According to a Hillsboro dispatch, Hon. Thomas H. Tongue has served on Mr. Vanderburg and his attorney a copy of his answer to their complaint in the contested election, wherein Mr. Vanderburg expected to become a member of the fifty-fifth congress. The answer is as long as the complaint, containing 32 pages of type written copy, and covers fully every allegation made.

In answer to the principal allegation made in Mr. Vanderburg's complaint Mr. Tongue says:

"I deny that at said election of a member of congress, held on June 1, 1896, in the first congressional district that you received any plurality of all the legal votes cast at such election, or that my friends had control of the election machinery, or that any one by fraudulent methods manipulated the election returns so as to give me an apparent plurality in order to enable me to obtain the certificate of election, or in any other manner, except to fairly count such votes of which I received a plurality. I deny that my friends, on my behalf or in my interests, resorted to bribery or intimidation, or any other illegal or corrupt methods in said election, either to defeat the will of the people or to give me a seat in the congress of the United States. I deny that in every or any voting precinct in said congressional district, my friends or any one else who served as judges of election, rejected any ballots with your name marked or designated in such a manner as to clearly show the intent of the voter to vote for you, either upon the pretense that such ballots were defective, or otherwise. As to whether two or any of the regular appointed judges in Toledo precinct, in Coos county, were able to read or write the English language intelligently, or whether they took the proper oath of affirmation, Mr. Tongue has no information upon which to form a belief. As to whether the provisions of the law touching the exclusion of persons from the polling places were observed or enforced in said precinct, or as to whether ballots were also prepared in a room away from the booths, or whether A. J. Seeley, Hugh McLane, as bosses, and J. L. Parker, as foreman of the Coos Bay, Roseburg & Eastern Railroad Company, or Ban Richards, as town marshal, used threats or coercion to voters in preparing ballots or paid sums of money amounting to \$2 to induce them to vote in accordance to the wishes of either person, Mr. Tongue has no knowledge, and hence denies that intoxicating liquor was freely distributed to the voters or officers of said election, or that the judges and clerks became intoxicated during the progress of the election is denied, as is likewise that the ballots were falsely read at the canvass of the vote, or that the whole or any part of the returns in said precinct should be thrown out."

It is alleged by Mr. Tongue that the election machinery of Coos county was entirely in the hands of the political party of which Mr. Vanderburg belongs, and whose candidate he was, and that the majority of the judges of election appointed in said county were members of the Populist party, being appointed by the county court of Coos county, who are also of the same political party.

LATIN AND GERMAN TAUGHT.

GERMAN.
The undersigned desires to organize a class in German. Every American citizen who can afford both time and expense ought to be master of at least two languages. The German language has many advantages over modern languages on account of her profound literature in all branches of ancient and modern science produced in her world-renowned universities. Those who would drink from these inexhaustible and yet unadulterated fountains of knowledge, must master the language which contains the key to them. The undersigned will organize a class in German, and will begin with actual work on the first day of September. The class will meet two or three times a week in the evening or when most convenient to the pupils. Rapid progress guaranteed to those who will get down to earnest labor. All who desire to participate in this work will please announce their intention to the undersigned at an early date, as the class will be limited to a certain number. Charges will be very reasonable.

LATIN.
The undersigned will also organize a class in Latin. There are so many reasons why those who desire to advance their knowledge beyond a common school education should take at least a course in Latin that probably every body is familiar with at least some of them. I will not take space here to speak of the beauties of the Latin language nor of the many advantages in life possessed by those who have mastered it. I will here only announce my intention to organize a class in Latin. Rapid progress guaranteed to those who will work hard. Charges very reasonable. All desiring instruction in Latin are kindly requested to announce their intention to the undersigned before September, if possible. Awaiting your application, I am, very respectfully yours,
L. GREY,
Evangelical Lutheran Pastor.
