POPOCRATS ALARMED

Leaders Upset by the Combination in Idaho.

SILVER REPUBLICANS INSULTED

The Turning-Down of Senator Dubois Will Disrupt the Forces in the West.

WASHINGTON, Aug. 20.—At both Democratic and Populist headquarters, serious alarm is felt over the situation in Idaho, where the news dispatches indicate that the Democrats and Populists have effected a fusion which leaves out the silver Republicans. The managers at both headquarters consider that this combination, at the expense of the silver Republicans, is a violation of the spirit of the free-silver campaign, which seeks to combine all the silver forces, and they fear its effect on the silver Republicans of other Western states. They believe the different forces should have combined on equitable and just terms and effected a division such as was made in Minnesota and Washington. Moreover, they consider that it is especially ungrateful in Idaho, because the refusal to recognize the silver Republicans involves the defeat of Senator Dubois. The latter is looked upon by both Democratic and Populist managers as one of the central figures in the bolt of free-silver Republicans from the Republican party on the issue. On his instrumentality, also, is largely attributed the defeat of the tariff bill in the senate, except with a free-silver rider, and to "turn him down" they believe would send a chill through the leaders of the silver Republicans of the West.

A RAPE FIEND IS LYNCHED.

Frank Biles, A Half-Breed Hanged at Asotin.

LEWISTON, Idaho, Aug. 20.—The quiet town of Asotin was the scene, on Tuesday night, of a lynching, whereby Frank Biles, a notoriously tough half-breed Indian from the Nez Perce reservation, was swung into eternity at the end of a rope, by indignant citizens, for the brutal crime of rape, which he committed upon the person of Miss Mary Richardson, a girl 17 years of age, yesterday afternoon at a point on the road between Lewiston and Asotin.

Miss Richardson resides at Enterprise, Or., but has lately been visiting friends in this vicinity. Yesterday she started to ride from here to Asotin on horseback, unattended, and on her way was overtaken by three Indians, also on horseback, one of whom was the brute Biles. They passed her, but in a short time Biles came back alone and, riding alongside of the young lady, he seized the horse's bridle and tried to lead him into some bushes.

Miss Richardson sprang from her horse and ran screaming down the road, but Biles soon overtook her and, flourishing a revolver, threatened to kill her. He then dragged her into the bushes and accomplished his brutal purpose, after which he mounted his horse and rode away.

Miss Richardson was found a little later by a man who took her to Asotin, where she told her story. Officers immediately went in search of Biles, who they soon found and placed in the jail at Asotin.

Meanwhile angry men had been forming a plan of action, and at 11 o'clock they went in a perfectly orderly manner and demanded of the jailer that he surrender the keys. The jailer refused, and the keys were forcibly taken from him. The men then went to the prisoner's cell and took him out, unlocked the jail and returned the keys to the jailer. They then proceeded to a corner of the jailyard, which is surrounded by a high board fence, and laid a stout pole across the corner, over which a rope was thrown and one end attached to the prisoner's neck. He was then drawn up and left hanging, while the crowd, after being satisfied that the wretch was dead, quietly dispersed. There is no clew to the identity of the lynchers.

Fram Is Safe Home.

CHRISTIANIA, Aug. 20.—Nansen's Arctic exploring ship Fram, which he left

behind in the ice early in January, 1895, in order to explore the sea north of the route he proposed to follow, arrived at Skjervo, province of Tromsø, yesterday evening. Captain Sverdrup, her commander, reported all well on board. The Fram called at Dano island on August 14, and saw Professor Andree, who was still waiting for a favorable wind to enable him to attempt his balloon trip across the Arctic region.

Captain Sverdrup sent the following telegram to Nansen: "Fram arrived safely. All well on board; leaves at once from Tromsø; welcome home."

Dr. Nansen replied as follows: "Thousand times welcome to you all; hurrah for the Fram."

The Fram left Skjervo this morning for Tromsø, where Nansen will meet her.

HOW IT LOOKS IN LONDON.

News Comments Upon Opening of Sound Money's Campaign.

LONDON, Aug. 20.—The Daily News, in an editorial this morning, contrasts the enthusiasm and unity which it says was manifest at the meeting Tuesday night when Bourke Cockran opened the campaign in the interest of the gold-standard Democrats, with the discord, it says, was apparent at the meeting when William Jennings Bryan was notified of his nomination. The Daily News applauds Mr. Bryan's cynical frankness as to what the result would be in case bimetalism should be adopted. Continuing, the Daily News says: "Cataline, with his Lovas Tabulae, was not more definite than is Bryan with his wet sponge. If, our New York correspondent says, Cleveland throws his immense influence against him, Bryan is certain to be defeated. In any case, the election of McKinley will do nothing to revive the old McKinley tariff. McKinley's watchword must be 'sound money and national honor.'"

REPUBLICANS ARE ACTIVE.

Literature Being Scattered Broadcast Through the Country.

CHICAGO, Aug. 20.—At the Republican headquarters everybody is busy sending out letters and instructions to the various party workers over the country. Literature is being sent broadcast at the rate of 1,250,000 pieces per day.

At the state headquarters the same activity is found. Conferences are being held and there are daily many visitors from every section of the state.

DISSOLUTION OF PARTNERSHIP.

Political Dissensions Cause Cessation of Business Relations.

DETROIT, Aug. 20.—A dissolution of the legal partnership of Don M. Dickinson, H. T. Thurber and Elliot G. Stevenson is announced to take place September 1. Dickinson is said to have held that Stevenson to some extent compromised the firm by accepting the chairmanship of the state central committee and becoming responsible for the Bryan campaign in Michigan. Stevenson afterwards resigned the chairmanship, but the friction continued, and Stevenson decided to withdraw from the firm.

Work of Hobos.

WILMAR, Minn., Aug. 20.—A gang of tramps robbed 18 prominent men here last night. They also shot J. Tilden, a boy, who may die. A large posse is in pursuit.

THE ASTORIA REGATTA.

Several Interesting Races Were Pulled off Yesterday.

ASTORIA, Aug. 20.—The events of the second day of Astoria's third annual regatta were interesting and entirely successful, although, owing to the exceptional light breeze on the river during the afternoon, the time made was not so good as upon former occasions. The principal event of the day was the sloop race, which was participated in by Monogram, Mayflower, Pearl, White Wings, Columbia, and Lizzie Brown. White Wings came in first, with Mayflower second and Pearl third. After the race all the yachts participated in a series of maneuvers which greatly delighted the crowd of onlookers.

An amusing feature of the day's programme was a tub race, the prize for which was a keg of beer, which was eagerly contested for.

The other events of the day were: Single scull race, double scull race, ship's boat race, fishing-boat race, schooner race and one rater race, all of which events were closely contested.

The State Press Association assembled today, and many newspaper men are in attendance.

A Boy's Terrible Death.

EUGENE, Or., Aug. 20.—Norman C. Hunsaker, aged 6 years, son of Mr. and Mrs. E. B. Hunsaker, of Dexter, this county, was killed near his home at 3 p. m. yesterday. The boy was riding a horse when the animal reared and fell backward upon him. He was injured internally and died instantly. The boy's father, who is now in San Francisco, was immediately notified by telegraph.
