

**TURNING GRAY
AND THREATENED
WITH BALDNESS**

The Danger is Averted by Using
AYER'S HAIR VIGOR

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and was so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of hair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. HAIGHT, Avoca, Neb.

Ayer's Hair Vigor
PREPARED BY
DR. J. C. AYER & CO., LOWELL, MASS., U. S. A.
Ayer's Sarsaparilla Removes Pimples

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla is in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Reduction in Railroad Fares.
As there will be numerous requests for reduced rates on account of political meetings during the coming contest, it has been decided that in order to treat all parties alike, a one fare rate will be made by the O. R. & N. Co. for various meetings of this character.

This of course is intended only for occasions where there is sufficient number to justify a reduction in rates. This is done so that there will be no partiality in favor of any one party.

LATIN AND GERMAN TAUGHT.

GERMAN.
The undersigned desires to organize a class in German. Every American citizen who can afford both time and expense ought to be master of at least two languages. The German language has many advantages over modern languages on account of her profound literature in all branches of ancient and modern science produced in her world-renowned universities. Those who would drink from these inexhaustible and yet unadorned fountains of knowledge, must master the language which contains the key to them. The undersigned will organize a class in German, and will begin with actual work on the first day of September. The class will meet two or three times a week in the evening or when most convenient to the pupils. Rapid progress guaranteed to those who will get down to earnest labor. All who desire to participate in this work will please announce their intention to the undersigned at an early date, as the class will be limited to a certain number. Charges will be very reasonable.

LATIN.
The undersigned will also organize a class in Latin. There are so many reasons why those who desire to advance their knowledge beyond a common school education should take at least a course in Latin, that probably everybody is familiar with at least some of them. I will not take space here to speak of the beauties of the Latin language nor of the many advantages in life possessed by those who have mastered it. I will here only announce my intention to organize a class in Latin. Rapid progress guaranteed to those who will work hard. Charges very reasonable. All desiring instruction in Latin are kindly requested to announce their intention to the undersigned before September, if possible. Awaiting your application, I am, very respectfully yours,
L. GREY,
Evangelical Lutheran Pastor.
