TURNING GRAY AND THREATENED

WITH BALDNESS

The Danger is Averted by Using

YER'S HAIR VICOR

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and was so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of bair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Aver's medicines to my friends,"—Mrs. H. M. HAIGHT,

Reduction in Ballroad Fares.

As there will be numerous requests for reduced rates on account of political meetings during the coming contest, it has been decided that in order to treat all parties alike, a one fare rate will be meetings of this character.

This of course is intended only for occasions where there is sufficient number to justify a reduction in rates. This is, done so that there will be no partiality in favor of any one party.

McKinley's Strength Grows.

There has been a good deal of bustle and preparation about Republican headquarters in the Chamber of Commerce building during the past week, says the Oregonian. Chairman Hirsch, of the state central committee, and Secretary Denny have been overwhelmed with demands for literature, and thousands of pieces are daily sent out. Reports from interior counties received at headquarters are most encouraging. In localities where one month ago all the talk was Bryan and silver, a decided change of sentiment is reported. People are commencing not only to read, but think, and this bodes no good to Populism. The reports from Eastern Oregon are particularly encouraging. The Bryan boom in that section of the state is apparently rapidly dying out.
