

TURNING GRAY AND THREATENED WITH BALDNESS

The Danger is Averted by Using
AYER'S HAIR VIGOR

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and was so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of hair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. HATHOR, Avoca, Neb.

Ayer's Hair Vigor
PREPARED BY
DR. J. C. AYER & CO., LOWELL, MASS., U. S. A.
Ayer's Sarsaparilla Removes Pimples.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Reduction in Railroad Fares.
As there will be numerous requests for reduced rates on account of political meetings during the coming contest, it has been decided that in order to treat all parties alike, a one fare rate will be made by the O. R. & N. Co. for various meetings of this character.

This of course is intended only for occasions where there is sufficient number to justify a reduction in rates. This is done so that there will be no partiality in favor of any one party.
E. E. LITTLE, Agent.

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

PERSONAL MENTION.

Mr. J. O. Mack left this afternoon for Portland.
Mr. F. N. Jones left for Portland this afternoon.
Mr. H. Herbring went to the camp this morning.
Mr. E. S. Crapper returned to Hood River this afternoon.
Mr. Geo. H. Riddell and family returned from the Meadows yesterday.
Mr. A. Bettingen, Sr., who has been sojourning at the coast for several weeks, was a passenger on the Regulator last night.

Transforming a Desert.

Old residents of Umatilla and those who frequently travel on the road through that country speak of a new oasis in that desert region. In a sage brush alkali plain, for years unreheved by any green thing, has sprung an emerald spot which resolves itself on closer inspection into fine rows of potato plants, waving wheat, tasseled corn, and stretches of land dotted over with the luscious watermelon. The change shows the wonderful metamorphosis which water will produce. The land is the richest in the world under irrigation, and the company which has taken hold of it deserves great credit for investing money in a way to give employment to others and to add, however so little, to the natural wealth of the country. The most fashionable investment of late years is in stocks or bonds, and it gives us real pleasure to chronicle an undertaking where a company really invested money in the natural resources of a country. There is great possibility in store for what is now known as the "Great American desert."

Mr. C. W. Toner, manager for Sherman, Clay & Co. of Portland, is in town with a fine stock of pianos and organs, which can be seen at the European hotel. Prices are lower than ever. The terms are cash or easy instalments.

LOCAL BREVITIES.

Geo. P. Frank, ex-mayor of Portland, died at his seaside residence at Long Beach Sunday night after a protracted illness.
Mr. Pague leaves for the East on the 25th inst, and will be absent until about September 11th. During his absence Mr. S. M. Blandford will be in charge of the office and work in Portland.
The Salem flouring mills have purchased and received on storage about 35,000 bushels of new wheat, and it is still coming in at the rate of 3,000 to 4,000 bushels per day. The price now offered is 41 cents.

Fruit packing and shipping are on the increase. A carload of peach plums was shipped from Cove last week. Fruit packing is especially active in The Dalles, Hood River and Pendleton. Strawberry men are gathering the late product, and some are enlarging their acreage. Potatoes are showing the result of the warm weather, and the yield is not expected to reach the average. All kinds of melons and garden truck are plentiful.

Mayor Pennoyer is now preparing his speech to be delivered at Salem on September 5. It is intended to surprise the best efforts of Bryan, which should not be difficult for an adult orator. The mayor tried to take a mean advantage of Auditor Gambell yesterday by reading some extracts from the speech to him, but Gambell broke away before the second sentence was concluded. The stuff was too rich for his stomach, but will be just what the Populists are hungering and thirsting for, and they will get their fill when the mayor turns loose, for he is loaded for bear.—Oregonian.

Stubling & Williams received a carload of the celebrated Aubeuser-Busch bottled beer on this morning's passenger train. Beer delivered to their customers in any part of the city free of charge. Prices can be had by applying at their wholesale house, on Second street, between Washington and Federal. a24-2t.

There are two reasonable things which everybody should do; take good care of one's health; and if lost, regain it quickly, and to this everybody will agree. And there are a great multitude of people who are agreed that for both purposes Simmons Liver Regulator is the best helper. "I am troubled with torpid liver and nothing gives relief so quick like Simmons Liver Regulator."—R. R. Strange, Lake City, Fla.

LATIN AND GERMAN TAUGHT.

GERMAN.
The undersigned desires to organize a class in German. Every American citizen who can afford both time and expense ought to be master of at least two languages. The German language has many advantages over modern languages on account of her profound literature in all branches of ancient and modern science produced in her world-renowned universities. Those who would drink from these inexhaustible and yet unadorned fountains of knowledge, must master the language which contains the keys to them. The undersigned will organize a class in German, and will begin with actual work on the first day of September. The class will meet two or three times a week in the evening or when most convenient to the pupils. Rapid progress guaranteed to those who will get down to earnest labor. All who desire to participate in this work will please announce their intention to the undersigned at an early date, as the class will be limited to a certain number. Charges will be very reasonable.

LATIN.
The undersigned will also organize a class in Latin. There are so many reasons why those who desire to advance their knowledge beyond a common school education should take at least a course in Latin, that probably everybody is familiar with at least some of them. I will not take space here to speak of the benefits of the Latin language nor of the many advantages in life possessed by those who have mastered it. I will here only announce my intention to organize a class in Latin. Rapid progress guaranteed to those who will work hard. Charges very reasonable. All desiring instruction in Latin are kindly requested to announce their intention to the undersigned before September, if possible. Awaiting your application, I am, very respectfully yours,
G. J. FARLEY, Evangelical Lutheran Pastor.
