

LOSS OF VOICE After Acute Bronchitis CURED BY USING **AYER'S Cherry Pectoral** A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

No people suffer so much from physical disabilities as those whose business requires little or no muscular exertion. The lack of exercise causes the liver to become sluggish and the result is constant Constipation, Indigestion, Biliousness and Sick Headache. To prevent this take Simmons Liver Regulator; it keeps the liver active and makes one's condition as comfortable as those who have much exercise.

Through trains on the O. R. & N will run via Umatilla, Walla Walla and Pendleton. Through sleepers, first and second class will run in connection with the Union Pacific, the same as heretofore. A through first-class sleeper from Portland to Spokane, connecting with the first-class sleeper to St. Paul and a through tourist sleeper from Portland to St. Paul, will be run in connection with the Great Northern railway.

Reduction in Railroad Fares. As there will be numerous requests for reduced rates on account of political meetings during the coming contest, it has been decided that in order to treat all parties alike, a one fare rate will be made by the O. R. & N. Co. for various meetings of this character.

This of course is intended only for occasions where there is sufficient number to justify a reduction in rates. This is done so that there will be no partiality in favor of any one party.

Bucklen's Arnica Salve.

Oregon Industrial Exposition.
The Oregon Industrial Exposition will open at Portland Saturday evening, September 19th, and continue one month. As an exposition of the resources, products and industries of the entire Pacific Northwest, it will far surpass any of its predecessors. Its financial success is assured by a guaranty fund, and with this to rely upon the managers have gone ahead with boldness and confidence to gather the most complete exhibit of everything entering into the life and prosperity of this region ever brought together. Many alterations are being made in the interior arrangements of the huge structure in which the Fair is held, especially in providing greater facilities for the enjoyment of visitors. Special attention is being paid to those who attend in many ways besides the music and exhibits. Every night something special will be given for the amusement of visitors. Frequent excursions, at extremely low rates of fare, will be run on all railroads, and special rates will be given at other times on all lines in Oregon, Washington and Idaho. Both in the variety and quality of the exhibits and in its special attractions the Fair will be far superior to any of its predecessors.

Mr. C. W. Toner, manager for Sherman, Clay & Co. of Portland, is in town with a fine stock of pianos and organs, which can be seen at the European hotel. Prices are lower than ever. The terms are cash or easy installments.

LATIN AND GERMAN TAUGHT.

GERMAN.
The undersigned desires to organize a class in German. Every American citizen who can afford both time and expense ought to be master of at least two languages. The German language has many advantages over modern languages on account of her profound literature in all branches of ancient and modern science produced in her world-renowned universities. Those who would drink from these inexhaustible and yet unadulterated fountains of knowledge, must master the language which contains the key to them. The undersigned will organize a class in German and will bestow with actual work on the first day of September. The class will meet two or three times a week in the evening or when most convenient to the pupils. Rapid progress guaranteed to those who will get down to earnest labor. All who desire to participate in this work will please announce their intention to the undersigned at an early date, as the class will be limited to a certain number. Charges will be very reasonable.

LATIN.
The undersigned will also organize a class in Latin. There are so many reasons why those who desire to advance their knowledge beyond a common school education should take at least a course in Latin, that probably everybody is familiar with at least some of them. I will not take space here to speak of the beauties of the Latin language nor of the many advantages in life possessed by those who have mastered it. I will here only announce my intention to organize a class in Latin. Rapid progress guaranteed to those who will work hard. Charges very reasonable. All desiring instruction in Latin are kindly requested to announce their intention to the undersigned before September, if possible. Awaiting your application, I am, very respectfully yours,
L. GREY,
Evangelical Lutheran Pastor.
