

LOSS OF VOICE

After Acute Bronchitis

CURED BY USING

AYER'S Cherry Pectoral

A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

Ayer's Cherry Pectoral
GOLD MEDAL AT THE WORLD'S FAIR.
AYER'S LEADS ALL OTHER SARSAPARILLAS.

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

None But Ayer's at the World's Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

No people suffer so much from physical disabilities as those whose business requires little or no muscular exertion. The lack of exercise causes the liver to become sluggish and the result is constant Constipation, Indigestion, Biliousness and Sick Headache. To prevent this take Simmons' Liver Regulator; it keeps the liver active and makes one's condition as comfortable as those who have much exercise.

It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by Blakeley and Houghton, druggists.

TRADE MARK

ONCE MORE IN A TRANCE.

The Semblance of Death Again Visits Mrs. Mary Albertson.

There is a sequel to the escape of Mrs. Mary S. Albertson, of Columbia slough, from being inhumed alive early this month.

On the 10th inst. Mrs. Albertson had sufficiently recovered to accept an invitation from friends near Grant's Pass. She was taken very sick two days after her arrival there. On the third day she was apparently dead. But from her narrow escape from being buried alive before, she certainly would have been subjected to one of the most horrible fates the human mind can conceive, on the Southern Oregon farm. Blochmeier, whose family Mrs. Albertson is visiting, writes that a Grant's Pass physician applied a galvanic battery immediately after death had claimed the woman, but it proved unavailing till last Tuesday noon. Then the cataleptic attack gradually abandoned the patient, and at 4 o'clock she asked for a drink of water. She, however failed to realize where she was, and complained bitterly at being removed from the society of her parents (who are dead), with whom she was having a delightful visit. In this instance she was perfectly unconscious of terrestrial life, and as the theosophists have it, her astral body had been meandering about in celestial realms.

Blochmeier adds that it was fully two hours before Mrs. Albertson could grasp who he and his family were, and it was almost impossible to convince her that she had been in a death-like trance for five days.

"She remembered nothing about her leaving home," continued the writer, "and for several hours she raved like one demented for having been brought back to this earth. At nine o'clock at night, however, she grew calmer and quite lucid. She then was able to realize her phenomenal situation. When she was bright enough to appreciate her second narrow escape from a living burial, she went into convulsions, and at midnight she again was in a trance."

The letter in Thurman's possession says that since then, up to Friday evening, Mrs. Albertson has but once been brought to herself by means of a galvanic battery. She has not taken any nourishment since her attack on the farm, and she was wasted away to a mere shadow. A strange feature in this connection with this case is that while in the trance condition, Mrs. Albertson's respiration and pulsation are absolutely imperceptible. Yet she must breathe, and her heart must be in action. Her medical attendant, who is a skilled one, says the afflicted woman's life hangs on the slightest thread, and certain death is likely to ensue at any moment. But in this case there will be no interment till decomposition has set in.

Hearty.

When four days old my babe broke out over one side of his head and body with watery blisters, which turned to a complete scab. We called the family doctor, and he said that "he could heal them up," but "the baby would never have any more hair on his head," and we were completely discouraged. We were told to try CUTICURA REMEDIES and did so. We used two boxes of CUTICURA, two cakes of CUTICURA SOAP, and he now is all right. The hair is on thick, and you would never think there was anything the matter with him. He is so fat, good, and hearty, and I do not know how to praise CUTICURA REMEDIES enough for the good they did my child. Mrs. WM. H. SCOTT, Leominster, Ia.

CUTICURA REMEDIES have effected the most wonderful cures of torturing and disgusting skin and scalp diseases of infants and children ever recorded. They afford instant relief, permit rest and sleep, and point to a speedy cure when the best physicians, hospitals, and all other methods fail.

LATIN AND GERMAN TAUGHT.

GERMAN.
The undersigned desires to organize a class in German. Every American citizen who can afford both time and expense ought to be master of at least two languages. The German language has many advantages over modern languages on account of her profound literature in all branches of ancient and modern science produced in her world-renowned universities. Those who would drink from these fountains of knowledge, must master the language which contains the key to them. The undersigned will organize a class in German, and will begin with actual work on the first day of September. The class will meet two or three times a week in the evening or when most convenient to the pupils. Rapid progress guaranteed to those who will get down to earnest labor. All who desire to participate in this work will please announce their intention to the undersigned at an early date, as the class will be limited to a certain number. Charges will be very reasonable.

LATIN.
The undersigned will also organize a class in Latin. There are so many reasons why those who desire to advance their knowledge beyond a common school education should take at least a course in Latin, that probably everybody is familiar with at least some of them. I will not take space here to speak of the beauties of the Latin language nor of the many advantages in life possessed by those who have mastered it. I will here only announce my intention to organize a class in Latin. Rapid progress guaranteed to those who will work hard. Charges very reasonable. All desiring instruction in Latin are kindly requested to announce their intention to the undersigned before September, if possible. Awaiting your application, I am, very respectfully yours,
L. GREY,
Evangelical Lutheran Pastor.
