

## THE FALL OF TURKEY

### Sultan's Government on the Eve of an Overturning.

#### THE RIOTS AT CONSTANTINOPLE

Intended as a Demonstration Against the Powers for Their Neglect of the Armenians.

LONDON, Aug. 28.—A dispatch from Rome says that private letters just received from Constantinople, say that the Turkish government is on the eve of being overturned, and that a provisional government will be appointed.

#### MASSACRED BY WHOLESALE.

Turkish Mob at Constantinople Butchers Helpless Armenians.

BERLIN, Aug. 28.—A dispatch to the Vossische Zeitung, from Constantinople, says that there was a general fusillade and massacre. At the conclusion of the riot many hundred dead bodies were lying at the head of the Stamboul bridge. The Turkish mob arrived with knives and sticks, invaded the quarters of the Armenians, attacking the Armenian houses and then passed their butchered victims out of the windows. The police and militia stood idly by in the streets where wagon loads of human bodies were lying scattered in all directions.

#### NEWS FROM CUBA.

Battle in the Province of Santiago de Cuba.

HAVANA, Aug. 28.—Advises just received here confirm the story of the 56-hour defense by its escort of the military train which was reported missing between Teco Taco and Bacaragus, province of Pinar del Rio. The insurgents, it appears, lost about 500 killed and over 100 wounded, including the insurgent General Bermudez. Antonio Maceo had his horse shot from under him during the same engagement, and a number of insurgent officers of minor rank were more or less injured.

Major Orozco has been engaged with a force of insurgents at Cuaco. Eleven of the enemy were killed, and on the side of the troops several men were wounded.

A government force under Captain Gomela, numbering about 125 men, has been attacked by the insurgents near Manzanillo, province of Santiago de Cuba. The captain was killed at the first volley and Lieutenant Pena was wounded. A detachment of troops from Manzanillo, which was sent to Gomela's assistance subsequently engaged the enemy, and the insurgents lost 26 men killed. The troops had seven men killed and 22 wounded.

#### Awful Crime of Three men.

OTTUMWA, Ia., Aug. 28.—Three men visited the home of E. W. Warner, a farmer, near Libertyville, Ia., last evening, bound and gagged Warner's daughter, Melie, aged 20, who was alone in the house, but found nothing, and then each man assaulted the girl. They left her bound and gagged. She managed to release herself, and went to the house of a neighbor, where she fell unconscious. A posse of 300 men, under Sheriff Black, started in pursuit and caught the three men at Bladensburg. With much difficulty the sheriff protected the prisoners and got them safely in jail at Fairfield. The girl is in a critical condition. She was not able to identify the men. Late reports say circumstantial evidence is accumulating and indications are strong that the prisoners will be lynched, and traveled in a buggy with a team.

#### TILLMAN TO HARRISON.

The Southern Senator is Pining For a Joint Debate.

WASHINGTON, Aug. 28.—Senator Tillman telegraphed ex-President Harrison as follows: "Hon. Benjamin Harrison, New York: I have just spent a week in Pennsylvania speaking to many thousands. Your speech in New York last night attacks me specifically, and I would be pleased to meet you in joint debate before a Northern audience, preferably at Indianapolis."

"(Signed)," B. R. TILLMAN."

#### FOREST FIRE RAGING.

Destruction Done on Washington Side of Columbia.

ASTORIA, Or., Aug. 28.—A forest fire of immense extent is raging tonight between Oak point and Eagle cliff, on the Washington side of the Columbia. Three miles square have already burned over. Many cattle have burned to death, the number being estimated at 200. All kinds of animals are dropping dead from the excessive heat.

The amount of timber already destroyed is estimated at from 10,000,000 to 20,000,000 feet. All of the buildings at Benson's logging and lumbering camp have gone up in flames. Late tonight the fire was reported to be within a quarter of a mile of Oak point, but making no headway in that direction.

A wall of flame three miles long, and leaping to the tops of the highest trees, renders it impossible to get direct communication to the scene of the trouble. A month ago a heavy fire broke out in the same district, which, notwithstanding the recent rains, smoldered and broke out afresh the other day.

It is feared that many lives have been lost. Those who are at Benson's camp and beyond the line of fire can only find safety, providing they have not already succumbed, by making a new trail to the Columbia river and taking to boats. All of the buildings at the various logging camps have been destroyed, and even some in the village. Campers have made strenuous efforts to get their things out of the cabins, and some effects have been removed from a few buildings, but there is little prospect of saving anything, as they cannot get out this way at all. The ordinary trails are so covered by smoke and cinders, and the heat is so great that no one can pass along them.

#### NO COMPROMISE EFFECTED.

Manitoba Parochial School Question is Still Unsettled.

WINNIPEG, Aug. 28.—Premier Laurier's efforts to settle the Manitoba parochial school question, seem to be futile. The compromise accepted by the Greenway government does not suit the Roman Catholics. The official organ of Archbishop Langevin, who is now in Rome, consulting with the pope on the question, has this to say in an editorial: "Nothing but our separate parochial schools will satisfy us. A settlement which restores to us only the ghost of the shadow of our rights we will never accept. The bare permission for the clergy to visit the schools and teach the catechism will not do. To put a plaster over a festering sore only makes it break out with renewed virulence elsewhere."

#### Munitions of War.

KEY WEST, Fla., Aug. 28.—General Roloff and Colonel Nunez have landed here, accompanied by 14 others, in a small yawl. A tug approached the port, and after launching one of her small boats, she put out to sea again. General Roloff's party reports the safe landing in Cuba of three expeditions. The three expeditions are said to have landed 1500 rifles, 2,000,000 cartridges, 700 machetes, three field pieces, medicine and other necessary supplies.

#### Letter From Neal Dow.

AMESBURY, MASS., Aug. 28.—A letter from General Neal Dow, the noted prohibitionist, and former candidate for the presidency, in which he gives his views on the money question, is made public by the general's correspondence. The letter says:

"The proposition of the Populists and other silver men is this: That congress enact a bill making 53 cents in silver equal in value to 100 cents in gold; that the 53 cents be compulsorily received as full payment for 100 cents in gold. That, if accomplished, will be a lie, a cheat, a fraud. I do not see how any honest man can consent to that, much less to propose it. If adopted the country would be in a panic while it continued."

#### A Mother's Awful Crime.

KANSAS CITY, Mo., Aug. 28.—Neighbors who broke into the home of C. W. Green, a traveling passenger agent for the Big Four railway, this forenoon, found three children (two boys, aged respectively 13 and 6, and a girl aged 9), lying dead in bed. They had been shot and instantly killed as they slept. In another part of the house Mrs. Green lay dead upon the floor. It is supposed the woman, while temporarily insane, killed the children, then dispatched herself, using a revolver.

Mr. Green left the city a week ago last Tuesday for a trip to Salt Lake City with Mr. Lynch, assistant passenger agent of the Big Four road.

Mr. C. W. Toner, manager for Sherman, Clay & Co. of Portland, is in town with a fine stock of pianos and organs, which can be seen at the European hotel. Prices are lower than ever. The terms are cash or easy installments. a25-3teod

#### New Cuban Bank Bills.

HAVANA, Aug. 28.—The official gazette will publish shortly a decree making the circulation of the new bank bills compulsory throughout Cuba, and the king's attorney will severely indict any persons contravening this decree. A circular will also be issued announcing that no objections will be made to the circulation of the new bills in mercantile transactions. Secret military orders will also be issued to the same end.
