TURKISH MASSACRES

Were Organized by the Authorities.

THIRTY HOURS OF BUTCHERY

Estimated That Between 30,000 and 40,000 People Lost Their Lives in the Riots.

CONSTANTINOPLE, Sept. 1.—There is no longer any doubt that the massacres of Armenians were organized by the Turkish authorities, and it has been ascertained that orders were only given to Bashi Bazouks to cease massacring Armenians after the bloody work had been going on for 30 hours.

It is also a fact that hundreds of Turks were brought over from the Asiatic side of the Bosphorus in order to take part in the massacres, and many Armenians were put into boats which were then taken out to sea. Their fate is unknown, but there is not the slightest doubt that they have been drowned. Although it may be true that the attack on the Ottoman bank originated with the Armenian revolutionary commission, it is admitted on all sides that the massacres which followed were not justified, and that 30,000 to 40,000 people lost their lives in this city or in the suburbs during the past week.

DEATH OF CAPTAIN CRAWFORD.

The Post Scout Accidentally Killed While Mining.

SEATTLE, Sept. 1.—News reached this city today of the accidental death at the Blewett gold mines near Blewett, Kittitas county, Friday evening of Captain Jack Crawford, who claimed to be the original post scout. An accident took place in what is commonly called the hydraulic claims, located a short distance below Negro creek. Crawford had been piping against a bank and had stepped upon a small elevation to see what effect the water was having on the bank. A rock fell out of the bank, striking him on the breast. He was thrown backward and fell down a hill eight or ten feet, striking on the back of his head among the rocks. He died instantly. Whether the claim of Crawford to the title of the "post scout" was founded on fact or was claimed on account of resemblance, real or fancied of the famous rover, remains to be seen. It is said that Crawford served in the United States army and was one of Custer's scouts. This probably explains his claim to being the original Jack Crawford.

ENGLISH INTERESTS IN OREGON.

Rothschilds Purchase a Group of Mines Near Eugene.

SAN FRANCISCO, Sept. 1.—The Rothschilds, through the Exploration company of London, have turned their attention to gold mining in Southern Oregon. They have purchased a group of three quartz mines in what is termed the Lucky Boy, in Blue river mining district, near Eugene. This is a new camp in which between forty and fifty locations have been made. Gold is of the free milling sort. The camp is 45 miles from Eugene, and 40 miles of the distance is traveled by wagon road and five miles by rail. The final papers have just been put in shape and George S. Baum, formerly superintendent of the Omaha mine, in Nevada county, accompanied by a crew of men from Grass Valley have gone to the scene. They are to make a thorough investigation and development of the property.

A Terrific Explosion.

PINOLE, Cal., Sept. 1.—A terrible explosion occurred at Hercules station, where the California powder works were blown up. Four terrific explosions were heard in succession and the sky in the vicinity is black with smoke.

All the buildings of the company are on fire and the ground in the vicinity is rent by immense fissures. All the property of the California powder works will be a total loss. So far as known at this hour, thirty minutes after the explosion, three whites have been killed. There has been other loss of life, how extensive cannot yet be stated.

GOLD STANDARD DEMOCRATS.

Hugh Wallace Starts a Boom for Grover Cleveland.

INDIANAPOLIS, Sept. 1.—Delegates to the national gold Democratic convention came in at a lively rate last night and this morning. They are bringing a throng of visitors in their wake. Indications point to as large an attendance as was anticipated. The boom for the nomination of Cleveland, which was started last night by Hugh Wallace of Washington is being discouraged by the president's friends, who say he would not accept. Comptroller of the Currency Ekeles favors Vilas' nomination. A disposition is developing in the East, which is considered safe for gold, to allow the Middle Western and doubtful border states to select the candidates. A majority of the Iowa, Illinois, Indiana, Ohio, Tennessee, and Alabama delegations seem to be for Watterson, who seems to have an undoubted lead. Should the nomination go to Watterson, a Northern man will be named for vice-president, probably Bragg of Wisconsin, Judge Morgan of Chicago, or David Lawler of Minnesota.

OLD VERMONT IN LINE.

Green Mountain Boys Stand by Republican Principles.

WHITE RIVER JUNCTION, Vt., Sept. 1.—The Green mountain state declared for Josiah Grout, Republican, of Derby, for governor today, and for the Republican state ticket entire, by a majority that equalled the prediction of the most confident Republican managers. Returns from the distant towns are, as usual, rather slow in coming in, but the count in all sections shows substantial Republican gains, indicating that the majority for the Republican state ticket will be about 30,000. This is the largest majority ever given for governor in this state, the nearest approach to it being in 1894, when the majority was 28,521.

The Republican leaders tonight claim the majority may reach 35,000 and even 37,000.

Speech at Stayton by M. C. George.

STAYTON, Sept. 1.—The campaign was opened in earnest by the Republicans here tonight. An address delivered by Hon. M. C. George touched a patriotic chord and aroused Republicans to a sense of responsibility. They reckon without their host who think McKinley and Hobart will not poll a big vote in this part of Marion county.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla is in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

How many suffer tortures day after day, making life a burden and robbing existence of all pleasure, owing to the secret suffering from PILES. Yet relief is ready to the hand of almost any one who will use systematically the remedy that has permanently cured thousands. SIMMONS' LIVER REGULATOR is no drastic, violent purge, but a gentle assistant to nature.

CONSTIPATION.

SHOULD not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a costive habit of body prevails.

SICK HEADACHE!

This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache, for the relief of which take SIMMONS' LIVER REGULATOR OR MEDICINE.
