ANOTHER CONVENTION

Sound-Money Democrats at Indianapolis.

FORTY-ONE STATES REPRESENTED

Temporary Organization Effected With Flower as Chairman—He Makes a Spirited Address.

INDIANAPOLIS, Sept. 2.—A bright morning greeted the delegates to the national gold Democratic convention. The city streets surrounding the hotels were gay with bunting and flags. The arrival of delegates from nearby and far Western states added to the general confusion, and bands kept up a merry round of music. There was a general lack of noisy demonstration, although there were plaudits and sometimes jeers from the crowd that surrounded the hotel lobby. Orators, bankers, merchants, lawyers, railroad men formed the great mass of the delegates. All but four states are represented with full delegations. Railroad men estimated that there were over 6,000 people, delegates and strangers in the city. Chicago furnished a large proportion, including the Cook County Marching Club, 300 strong.

Promptly at 11 o'clock the doors leading to Tomlinson hall were opened, admission being confined to ticket-holders, who arrived slowly. The decorations in the hall, in which gold was the most conspicuous color, were beautiful. A gold eagle with wings outstretched, surmounted a sunburst. A band was located in the gallery at the rear of the hall. Many early arrivals in the gallery were ladies. Mrs. Hendricks, widow of the late vice-president, was one of the first distinguished persons to appear in the reserved seats. General Bragg moved to a seat at the head of the Wisconsin delegation, and was uproariously applauded. When Colonel W. C. P. Breckenridge, with snow white hair and beard, entered at the head of the Blue Grass delegation, the galleries cheered.

At noon Senator Palmer, of Illinois, chairman of the national committee, made his way to the platform. The galleries were about half filled and the main body of the delegates were in their seats.

The entrance of the Florida delegation, headed by two burly negroes, one carrying a portrait of Cleveland, the other a gold alligator, bearing the words "A Gold Bug," created a flurry of applause.

Headed by ex-Governor Flower and General Tracy, the New York delegation marched to its seats 72 strong, to the sound of continuous hand-clappings. Each delegate wore in his button-hole a spray of golden rod.

Senator Palmer rose at 12:30 and struck the gavel. Thereupon most of the delegates jumped to their feet shouting and waving the state banners, ending the demonstration with three cheers. After calling the convention to order, the chairman said:

Gentlemen, I have the honor for the moment to preside over the first national convention held in the year 1896 (cheers). We are assembled here for a noble and patriotic purpose (cheers). Our earnest desire is to serve our country. (Cries of "Right, right" and cheers), and in the sincerity of that earnest purpose we may appeal to the Judge of All Hearts (applause). We may appeal to the Great Master, the Great Governor. I beg you now to listen to the invocation by Bishop White, of the diocese of Indianapolis.

Idaho, Nevada, Utah and Wyoming were the only states whose names passed unanswered. Alaska's single representative was cheered. Arizona, Oklahoma and Indian territory had no spokesmen.

Senator Palmer introduced Mr. Brennan, of Wisconsin, who read the report of the national committee. The recommendation that the rules "which governed the last Democratic convention, which was held in 1892, should govern this convention," was cheered to the echo. The report recommended ex-Governor Flower, of New York, for temporary chairman. John R. Wilson, of Indiana, for temporary secretary.

Bragg on the Money Question.

INDIANAPOLIS, Sept. 2.—A report was printed in a morning paper, that late last night some of Bragg's friends discovered that no longer ago than 1893 Bragg had written a letter in support of free silver, and that they had decided to drop him and take up Vilas or Black of Illinois.

"I would stake my homestead," said Vilas today, "on my conviction that there is absolutely no truth in the story. Bragg voted for the experimental Bland-Allison act of 1873, and was then in the best of Democratic company. Since then Bragg has been absolutely sound on the money question." "Wisconsin," Vilas continued, "is for Bragg, and will continue to be for him."

Bragg himself ejaculated characteristically:

"Fiddlesticks, there is not a word of truth in the report. My action 18 years ago is the only thing that can be brought against me. It is not probable that a man who had to pay 40 per cent premium for United States money when he crosses the border of free-silver Mexico would write a letter after that experience for the silver standard."

For a McKinley and Hobart League.

OREGON CITY, Or., Sept. 2.—A meeting to organize a McKinley and Hobart league will be held in Weinhard's hall Saturday night, and Hon. M. C. George will deliver a speech. A call for that purpose was circulated in the wooden mill today, and 53 voters signed it, only three declaring they would not vote for McKinley.

His Neck Accidentally Broken.

Jacob Connor, an old and highly respected resident of Cove, Union county, left his home last Friday to go to the pasture to bring in a horse, and it was on this errand that he met his death, although the facts were not discovered until the day following. He was leading one animal and riding another, and, from the indications, it appears that the horse he was leading pulled back, causing him to fall to the ground backward and resulting in his neck being broken. It is probable that death was almost instantaneous, and that it was fully 24 hours after death that the body was found.

Old People.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey nor other intoxicant, but acts as a tonic and alternative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding Nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old people find it just exactly what they need. Price 50 cents and \$1.00 per bottle at Blakeley & Houghton's Drug Store.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

FILES!

How many suffer torture day after day, making life a burden and robbing existence of all pleasure, owing to the secret suffering from Files. Yet relief is ready to the hand of almost any one who will use systematically the remedy that has permanently cured thousands. SIMMONS' LIVER REGULATOR is no drastic, violent purge, but a gentle regulator to nature.

CONSTIPATION

SHOULD not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a constive habit of body prevails.

SICK HEADACHE!

This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache, for the relief of which TAKE SIMMONS' LIVER REGULATOR OR MEDICINE.
