

**NOT A SICK DAY  
For Over Thirty Years!**  
RESULT OF USING  
**AYER'S PILLS**

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually—as a result of constipation—from dyspepsia, headaches, neuralgia, or boils and other eruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."—H. WERTZEL, Byron, Ill.

**Where Hard Times Do Not Pinch.**

Six cars of fruit were shipped last week from The Dalles. Another will leave tonight and two more Wednesday. Prices so far have been very satisfactory, even the local market ruling high. It is very fortunate our interests are so diversified, as a continual stream of money from the East is converted to us the year round. Beginning with strawberries, the fruit shipping season does not close till nearly strawberries again, for winter apples and pears are shipped until the middle of April. Other immense interests which attract capital are wool and stockraising, which reaches into the millions annually in Wasco and surrounding counties of which The Dalles is the outlet. Fishing, mining, lumbering and general farming add their quota to the business of a commonwealth, prosperous even in these pinched and panicky times, by sheer virtue of our raising and possessing so much natural basic wealth. This leads us to again observe that our fruit is the best in the United States, proving it by two cotemporaneous facts. At the world's fair of 1893 Oregon took first premium and at the Oregon state fair the same year Wasco county also took first premium for the state.

**LI HUNG CHANG.**

Liberality of the Views of the Chinese Statesman.

It is claimed that notwithstanding Li Hung Chang has shown some liberality of views toward modern improvements and education, he is at heart a hater of foreigners, and has an abiding faith in Chinese institutions and methods of government. He is, it is true, a great admirer of Confucian philosophy, and remembering the enduring history of his people we can hardly wonder at his devotion to the institutions which have made that history possible. When we call to mind the experience China has had with certain western nations, it might not be considered strange if his attachment to foreigners was not very ardent; but in all his public life, says John W. Foster in Century, his conduct shows that he feels the need of foreign aid, and is disposed to give it proper welcome, and of all Chinese statesmen he is the most liberal-minded and free from prejudice. He is far from claiming that the present system of government is perfect. He has, in fact, urged upon the authorities at Peking two important changes which look to a reform of the most serious defects in the system; to wit, the withdrawal from the viceroys of provinces of powers which should be exercised only by the imperial government, and such a change in the method of admission to the public service as will liberalize the examinations, and make fitness rather than scholarship the test. There are other changes which he would gladly bring about if he had the power; but, as he confessed to Marquis Ito, "China is hampered by antiquated customs which prevent desirable reforms."

**BAD BREATH!**

Nothing is so unpleasant, nothing so common, as bad breath; and in nearly every case it comes from the stomach, and can be so easily corrected if you will take SIMMONS LIVER REGULATOR. Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

**PILES!**

How many suffer torture day after day, making life a burden and robbing existence of all pleasure, owing to the secret suffering from Piles. Yet relief is ready to the hand of almost any one who will use systematically the remedy that has permanently cured thousands. SIMMONS LIVER REGULATOR is no drastic, violent purge, but a gentle assistant to nature.

**CONSTIPATION**

SHOULD not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a crotive habit of body prevails.

**SICK HEADACHE!**

This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache, for the relief of which TAKE SIMMONS LIVER REGULATOR OR MEDICINE.
