## A DAY'S CONVENTIONS

### State Political Gatherings at Various Places.

#### MONTANA REPUBLICANS CONVENE

#### Bitter Contest Expected Between the Gold and Silver Factions—Silver Convention at Denver.

HELENA, Mont., Sept. 9.—The Republican state convention met today. There are contesting delegations from at least four counties, including Silver Bow. Without the latter county the convention seems divided pretty evenly between silver and McKinley Republicans.

HELENA, Mont., Sept. 9.—The Republican state convention took two hours to elect a temporary chairman. Silver men won by a majority of over fifty. A. J. Seligman of Helena was elected temporary chairman. Friends of Mantle and Hartman are in control.

#### Colorado Silverites.

DENVER, Sept. 9.—The state convention of the silver party and the silver wing of the Republican party met here today and the Populist state convention assembled at Pueblo. A proposition from the Democrats, who have already nominated a full state ticket and appointed a committee on fusion, for a combination of all supporters of Bryan and Sewall in support of one state ticket, which was laid before each convention. It is proposed to have each make nominations and have a joint ticket selected by a general committee composed of the committees chosen by each convention.

#### UNDERMINED BY WAVES.

#### A Heavy Section of Wall Tumbles Into East River.

NEW YORK, Sept. 9.—The undermining of the rear wall at the East River end of Fifty-second street caused about 320 feet of the street and about 100 cubic feet of the wall to topple into the river with a crash that startled the neighborhood for several blocks around yesterday evening. At the very edge of the enormous pit made by the cave-in stands the towering wall of a cigarette factory. The roar of the landslide brought hundreds of people to the scene, and it was with great difficulty that the police kept the crowd from rushing blindly upon the dangerous ground to view the wreckage. The wall that broke away was about fifty feet away from the river brink to the level of the street. Its entire face, with the exception of a narrow piece near the south sidewalk, was washed away and what did not slip into the river was piled up in a confused mass at the river's edge.

#### SAVED BY AUTOMATIC BRAKES.

#### Runaway Train on the Pike's Peak Cog Railway.

The first accident on the Pike's Peak cog railroad since it was opened five years ago occurred a few days ago. The side bars on the driving wheel of the engine broke, rendering the compressed air brakes useless. The engineer and fireman saved themselves by jumping. The conductor stopped the passenger car, no couplings being used on the road, by applying the automatic brakes. The engine rushed down the 25 per cent grade at a terrific speed, and jumped the track on a curve, when the boiler exploded.

The train was a special, carrying General Manager Frederick Harrison of the London & Northwestern railroad, and a party of English railroad men and ladies.

#### NOW REPENTS HER ACTION.

#### Expected the End of the World and Gave Away Her Property.

LAUREL, Del., Sept. 9.—Mrs. Warren, a widow residing near Sharptown, in this county, has been reading about the New York prophet who predicted that the world was to come to an end on Wednesday last. She became convinced that the prediction would be verified and spent Monday and Tuesday distributing her goods to her neighbors. On

Wednesday she donned a white robe and sat all day on her front door step. The event failed to come off, and on Thursday she made an effort to secure the return of her property but failed. She will bring suit in court to recover.

#### A LETTER FROM CARTER.

#### Urges Montana Republicans to Support the St. Louis Nominees.

CHICAGO, Sept. 9.—Senator Carter, ex-chairman of the Republican national committee, was among the callers at the Republican national headquarters today. He has written a letter, which will be read before the Montana Republican convention tomorrow, in which he urges the convention to indorse the St. Louis platform, and states that only the Republican party can restore prosperity to the country. The letter is to be used as a campaign document.

#### General Black's Declination.

CHICAGO, Sept. 9.—General John C. Black has written a letter declining the nomination for governor by the gold standard Democrats. He says: "I am convinced by my investigations in this state that the election for governor lies between Messrs. Tanner and Altgeld. The only effect on the election of my candidacy would be to diminish the chances of one or the other of these gentlemen for election. Men differ in their opinions as to whose chances would be most seriously impaired."

This course is intended only for occasions where there is sufficient number to justify a reduction in rates. This is done so that there will be no partiality in favor of any one party. E. E. LITTLE, Agent.

E. E. LITTLE, Agent.

Castoria is truly a marvelous thing for children. Doctors prescribe it, medical journals recommend it and more than a million mothers are using it in place of Paregoric, Bateman's Drops, so-called soothing syrups and other narcotic and stupefying remedies. Castoria is the quickest thing to regulate the stomach and bowels and give healthy sleep the world has ever seen. It is pleasant to the taste and absolutely harmless. It relieves constipation, quiets pain, cures diarrhoea and wind colic, allays feverishness, destroys worms, and prevents convulsions, soothes the child and gives it natural sleep. Castoria is the children's panacea—the mother's friend.

Castoria is put up in one size bottles only. It is not sold in bulk. Don't allow any one to sell you anything else on the plea of promise that it is "just as good" and "will answer every purpose." See that you get C-A-S-T-O-R-I-A.

The fac-simile signature of *Chas. H. Fletcher* is on every wrapper.
