NO STRINGS ON HILL

He Declines to Be a Popocrat Dummy.

REFUSES TO SERVE AS A DELEGATE

Could Not Accept Under Conditions Imposed by the Convention—Texas Republican Convention

ALBANY, N. Y., Sept. 10.—Senator Hill telephoned as follows today to Norton Chase, chairman of the Albany county Democrat convention: "I observe in the morning papers that I have been elected a delegate from the third Albany district to the state convention under instructions to vote for the indorsement of the Chicago platform and candidates. This action is taken in opposition to my wishes and judgment, as expressed to you yesterday, and I decline to accept the election upon the conditions imposed or upon any condition which would restrict my freedom at Buffalo to act in such a manner as I consider best for the interest of my party."

WOMEN IN THE CAMPAIGN.

Female Admirers of Boy Oratory Organize for Action.

CHICAGO, Sept. 10.—The women are without votes, but they have voices. So, undismayed by the selfishness of several millions of men who want all the votes, they make use of their voices and influence to guide the ballots of some of those sovereigns to Mr. Bryan and free silver. This is what the Woman's National league will undertake as soon as its members can settle on the details of a permanent organization. It is not exactly a married woman's league, although they predominate, and will be held to strict account for one silver vote each, for the work will go further and reach men in crowds.

In a few days, if the contemplated permanent organization turns out all right, whosoever will may hear as much freer talk in five minutes as he can digest in a day. The women themselves will be heard on the absorbing question, and men, married men in particular, will dispute them at their peril.

It is the purpose of the women to go into the campaign of education with a number of open debating-rooms, where all men may stop and listen and not be asked if their wives know they are out. These rooms will be in the downtown district, and will be open from noon till midnight. The work will be extended through the country, however, before the campaign is over.

TEXAS REPUBLICANS.

Conditions for Fusion Have Been Practically Arranged.

FORT WORTH, Tex., Sept. 10.—The Republican state convention reconvened at 10 o'clock this morning with a full representation. The credentials committee reported forty contestants, all of which were adjusted amicably. The committee on resolutions recommended the appointment of a committee of three with plenary power to confer with a similar committee of gold-standard Democrats and Populists looking to an amicable division of congressmen. The Populists are enthusiastic over the matter. The condition is already practically arranged. H. B. Kain, of Palestine, an original McKinley man, was elected permanent chairman. Indications are E. H. R. Green will be chosen unanimously for governor, which is intended to harmonize all factions. The results of the convention thus far virtually shelve Coney and Grant.

Catholic Singers Revolt.

St. Louis, Sept. 10.—As to the law promulgated by the synod of Catholic priests of the St. Louis archdiocese, forbidding Catholics to sing in Protestant church choirs; many of the leading singers say they will not obey it. Henry S. Labarge, who has sung in the First Presbyterian church for 14 years, Edward and Bernard Dierke, who for 10 years have sung in the Lindell-avenue Methodist church, all say they will pay no heed to the law and they do not believe any of the singers will.

LAMONT WRITES A LETTER.

Says He Is a Democrat and Will Vote for Palmer and Buckner.

WASHINGTON, Sept. 10.—Secretary Lamont has sent the following telegram to Secretary Bynum of the executive committee of the gold Democrats, in response to an invitation to be present at the notification of Palmer and Buckner: "Hon. W. D. Bynum, chairman, etc.—I regret that I am unable to accept the invitation of your committee to be present at the notification of Senator Palmer and Governor Buckner of their nomination by the national Democratic party for president and vice-president of the United States. The outcome of the Indianapolis convention in the candidates and platform is inspiring to every Democrat who refuses to abandon the principles established by our fathers, and steadfastly maintained with pride and honor, and who declined to adopt the new and strange creed proclaimed in a moment of delirium at Chicago, and promptly recognized and ratified as its own by the Populist party at St. Louis. I prefer to keep the old faith and remain a Democrat, and shall accordingly cast my vote for Palmer and Buckner."

The Vermont Delegation En Route.

MALONE, N. Y., Sept. 10.—An enthusiastic reception was tendered the Vermont delegation, en route to Major McKinley's home, when their special train drew into the Malone station. The coaches were decorated and covered with mottoes, among which were: "Vermont, the Star That Never Sets"; "What's the Matter With Hanna?" and "Vermont Moves to Make it Unanimous."

A stop of 20 minutes was made, during which United States Senator Proctor, Governor Woodbury, Congressman Powers and Hon. Henry Ballard made brief addresses.

Bryan Sire of Colorado.

DENVER, Sept. 10.—The Democratic electoral ticket has been endorsed by the Republican, Populist and Silver conventions, insuring a solid front for Bryan and Sewall. Indications are that a joint state ticket will be put out by the Democrats, Populists and Silverites, and the Republicans will have an independent ticket. The Republican convention today nominated Jim Bush, present lieutenant governor, for governor by acclamation, and Simon Guggenheim for lieutenant.

Silver Element in Control.

HARRISBURG, Sept. 10.—Silver men were in full control of the Democratic state convention, which convened today. A plan to fuse with the Populists, giving them four of 32 electors, was agreed upon, Matt Savage, of Clearfield, and Dewitt C. Dewitt, of Bradford, will be chosen as candidates for congress at large.

ONCE OPPOSED MCKINLEY.

W. A. Lynch, of Canton, Speaks in Favor of a Gold Standard.

CANTON, O., Sept. 10.—Hon W. A. Lynch made an address to a large audience in the Tabernacle tonight in support of a gold standard. Mr. Lynch, aside from being president of the Canton-Massillon electric railway, and general manager of the Aultman Company, agricultural works, has been actively engaged in railroad work for some years, and was president of the Pittsburg, Akron & Western road until it passed to a receiver, which position he also filled. He is an active member of the board of trade, a brilliant lawyer and a leading Democrat, who has been active in every campaign for years. He was Major McKinley's first political opponent, running for prosecuting attorney when the major was elected to his first public office. He has since opposed McKinley politically, and was one of the hardest workers in the famous Warwick campaign making a personal canvass of the district. He was a delegate to the Indianapolis convention. The meeting tonight was arranged by the Railway Men's Gold Standard Club, and the discussion was limited to the money question. The meeting attracted wide attention, and a large crowd was present.
