ARMS FOR THE CUBANS

Maceo's Soldiers Received Much-Needed Supplies.

WERE LANDED IN PINAR DEL RIO

Expedition Was Carried by the Steamer Three Friends—Spanish Vessels Were Included.

New York, Sept. 11.—Information has reached this city that the steamer Three Friends, which left Jacksonville last Friday, has been successful in landing an expedition in Cuba, in spite of the watchfulness of the Spanish war vessels which constantly patrol the coast. The expedition was landed precisely where the Spanish navy department expects its greatest vigilance, on the coast of Pinar del Rio province, where a few weeks ago it was reported that the Cuban leader, Antonio Maceo, was in sore need of ammunition and clothing for his troops. The landing was effected last Monday near Bahia Honda, where a detachment of Maceo's forces which had been sent to wait for the arrival of the expedition took charge of it the moment the cargo reached the beach.

The cargo which was landed consisted of 1108 rifles, 460,000 rounds of ammunition, one pneumatic dynamite gun, 2000 pounds of dynamite, 1000 machetes and a large supply of medical stores and clothing. The rifles are especially adapted for the Mauser cartridge used by the Spanish army, a supply of which the Cubans allege can be captured or purchased from the Spanish troops in Cuba. The dynamite gun is the most prized feature of this expedition, and the men who are to handle it were sent down for the purpose, and have good practice in the way of using it to good advantage. It is thought in Cuban circles that with this supply of ammunition Maceo will make an attack on the Pinar del Rio trocha as soon as General Gomez moves from the east upon Havana this autumn.

The steamer Bermuda, noted for her filibustering exploits, has arrived in this port, in charge of treasury department officers. She will in future be commanded by George W. Brown, who is credited with having fitted out 10 expeditions to Cuba during the 10 years' war, the most noted of which was the ill-fated Virginia expedition.

CAME TO SEE M'KINLEY.

Green Mountain State Delegates Visit Canton.

CANTON, Sept. 11.—The day's demonstration on the McKinley lawn opened early with auspicious weather. The Vermont delegation was the first to arrive. It was greeted with great enthusiasm. The party of 108 included ex-Governor Woodbury, Lieutenant-Governor Mansen, Congressman Henry H. Powers, Senator Proctor, Governor-elect Grout, Lieutenant-Governor-elect H. W. Fish, General J. M. McCollough, ex-Lieutenant-Governor F. S. Strahan. The Grand Army band, a large troop of horsemen and the citizens' reception committee gave them a warm reception. A parade was organized to march to the major's home, and just as the clocks were striking 9, a large crowd was on the lawn cheering for the Republican nominee.

Major McKinley appeared at the north-bend porch. About him were grouped the Vermont committee and the most conspicuous officials. In the window back of him was Mrs. McKinley. The enthusiastic Vermonters showed no signs of abatement on account of their long trip. A glee club from St. Albans sang, "We Want Yer, McKinley, Yas We Do."

State Chairman Merrill said: "We come from a great and surprising victory. The battle was fought solely on national issues. The battle in our state was won because the free men of Vermont, in consideration of both sides, rejected with unalterable determination the principles and heresies of your opponents."

Colonel George T. Childs, national committee man from Vermont, followed in the same strain.

Childs said that 5000 patriotic Democrats joined with nearly 50,000 Republi-

cases of Vermont in declaring for financial honor, the rule of law, the safety of Republican institutions and for McKinley for president.

TWO FROM ONE FAMILY.

Mother and Daughter Sent to the Insane Asylum.

OREGON CITY, Sept. 11.—Mrs. Mary Jones, who claimed to be 76 years old, but was probably 50, and her daughter, Annie, 20 years old, were today adjudged to be imbecile and committed to the insane asylum. They belong to the family of Thomas Jones, living about five miles up the Abbrnothy, and neighbors say they had been starved into imbecility, though the examining physician says they have been thus afflicted more or less through their whole lives. They were most repulsive creatures, and had to be outfitted with new clothes before they could even be taken to the asylum.

The Election in Maine.

AUGUSTA, Me., Sept. 11.—J. H. Manley, chairman of the Republican state committee, tonight summarized the situation in Maine thus: "We shall cast, (in Monday's election) the largest Republican vote ever known. We shall give the largest majority ever given in a presidential year."

Mr. Manley points out that the largest majority the Republicans have had in September elections in presidential years was 19,818, in 1892, and shows how much smaller it was in other years. "If it is a pleasant day, the republicans expect to cast 80,000 votes on Monday next. The combined opposition cannot throw 60,000."

Was Badly Frightened. PROVIDENCE, Sept. 11.—John Hughtitt who allowed himself to be buried alive on the theory of hypnotic suggestion, induced by Professor Watson, of London, has been unearthed. Hughtitt went to sleep, but he woke up fourteen minutes ahead of the [schedule] time. When he came to be made it known by pounding upon the coffin, and during his struggles dislocated his knee. When he was brought to be lapsed into a death-like stupor which the physicians almost mistook for death. He was rubbed with whisky and alcohol and revived. Hughtitt says he will never do it again. When he awoke he imagined he had been buried alive, and was almost crazed.

Must Stand by Watson.

OMAHA, Sept. 11.—Paul Vandervoort, of Omaha, president of the Reform Press Association, gave the Bee today a lengthy interview touching the efforts to have Sewall withdrawn and Watson substituted. He goes into details concerning the situation in the Southwest, where the Populists hold the balance of power, and declares the vice-president must be conceded to the Populists or Bryan cannot be elected. He enters into a scathing denunciation of many prominent politicians, and concludes with an appeal to the Populists to force Watson on the ticket.

LATIN AND GERMAN TAUGHT.

The undersigned desires to organize a class in Latin. There are so many reasons why those who desire to advance their knowledge beyond a common school education should take at least a course in Latin that probably everybody is familiar with at least some of them. I will take space here to speak of the beauties of the Latin language and of the many advantages in life to those who have mastered it. I will here only announce my intention to organize a class in Latin. Rapid progress guaranteed to those who get down to earnest labor. All who desire to participate in this work will please announce their intention to the undersigned at an early date, as the class will be limited to a certain number. Charges will be very reasonable.

LATIN.

The undersigned will also organize a class in German. Every American citizen who can afford both time and expense ought to be master of at least two languages. The German language has many advantages over modern languages on account of her position in literature and in the sciences of ancient and modern science produced in her world-renowned universities. Those who do not drink from these inexhaustible and yet undimmed fountains of knowledge and yet master the language which contains the key to them. The undersigned will organize a class in German, and will benefit with actual work on the first day of September. The class will meet two or three times a week in the evening or when they can find time. Rapid progress guaranteed to those who get down to earnest labor. All who desire to participate in this work will please announce their intention to the undersigned at an early date, as the class will be limited to a certain number. Charges will be very reasonable.
