MAINE IS ALL RIGHT

An Unprecedented Republican Victory.

BY A PLURALITY OF 50,000 VOTES

The Largest in the State—Powers is Elected Governor by Over 45,000 Plurality.

AUGUSTA, Me., Sept. 14.—Maine has followed the example of Vermont and declared for the Republican ticket by the largest majority in its history. According to the latest returns tonight, the plurality for Powers, Republican, for governor, will be over 45,000, and probably in the neighborhood of 50,000.

Hon. Thomas B. Reed is re-elected to the house by over 10,000 plurality. The returns show a plurality of about 10,000 for Dingley for congressman from the Second district; over 12,000 for Milliken in the Third district, and practically the same for Boutelle in the Fourth district.

In the state legislature, the Democrats will apparently have less than half-a-dozen of the representatives in the house and not one in the senate. As anticipated, the Republicans polled a tremendous vote and secured many Democratic ballots.

On the other hand many disaffected Democrats remained at home, and only a few voted for the nominee of the gold standard wing. The Populists and the Prohibitionist votes have been received from only a few towns, but it is evident that neither party polled as large a vote as two years ago.

The successful candidate for governor is the Hon. Llewellyn Powers, of Houlton, Republican. The nominees of the other powers were: Hon. Melvin P. Frank, of Portland, Democrat; Luther C. Bateman, of Auburn, Populist; Ammi S. Ladd, of Calais, Prohibitionist, and Hon. William Henry Clifford, of Portland, gold Democrat.

Hon. Thomas B. Reed, of Portland, from the First district; Nelson Dingley, of Lewiston, from the Second district; Seth Milliken, of Belfast, from the Third district, and Charles A. Boutelle, of Bangor, from the Fourth district, who have for years represented Maine in the national house, are the congressmen re-elected.

VESSELS FOR UNCLE SAM.

Bids Opened for Constructing Three New Battleships.

WASHINGTON, Sept. 14.—At the navy department today bids were opened for building the three coast line battleships authorized by congress at its last session. Several prominent shipbuilders have already arrived to witness the opening. Among these are President Scott, of the Union iron works; John Deloge, of Camden, and Charles Cramp, of the Cramp ship works, Philadelphia. The cost of each of these vessels is limited by law to \$3,750,000, exclusive of armament.

The new vessels are to be combinations of the best features of the Iowa and Kearsarge, now under construction, modified by such improvements as experience has suggested. They will be 368 feet long on the water line, and seventy-feet wide in the middle. The vessels will be propelled by engines of 10,000 horse-power and will be expected to make a speed of 16 knots an hour.

Offensively, each of the three new ships will possess two very powerful batteries. The main battery will be composed of four 13-inch breechloading rifles and 14 6-inch rapid-fire rifles. The secondary battery designed to repel torpedo boats and light craft and to sweep the unarmored parts of an enemy, will consist of 16 6-pound rapid-fire guns, four 12-pound rapid-fire, four machine or Gatling guns and one field piece.

In addition to this force, an allowance of gun cotton for submarine mining and eight automobile torpedoes to be discharged from the two tubes on each broadside amidships, will be carried for that silent and more deadly phase of naval warfare.

Herr Most Is Disgusted.

New York, Sept. 14.—Anarchist Herr Most would leave New York if he could raise the funds to do so. He admits that anarchy is on the decline in New

YORK and that it does not pay to be an anarchist leader. In the last issue of his paper he says: "If I had the money I would go West and live in retirement or found a colony. I know that this would not further the cause of social revolution, but that cannot be helped. The present state of affairs in New York does not suit me. I am discouraged and disgusted with the dullness and apathy about anarchy here."

AFTER A LONG SEPARATION.

Jenny Rust is Again Restored to Her Father.

SAN DIEGO, Cal., Sept. 14.—Two of the happiest people in San Diego today are James F. Rust and his daughter, Jenny, for they have just found each other after a separation of 10 years.

After her parents were divorced in 1886 Jenny was adopted by a rancher and his wife, who live at Encinitas, 30 miles north of this city, and Rust traveled over the country in search of work. From Idaho he went into Washington, and after nine years of struggling struck a rich mine, which he subsequently disposed of for a sum to a syndicate. Then he resolved on a journey down through Oregon and California to find his children.

BRYAN RECONSIDERS.

COXEY'S Success in Speaking From the Capitol Occurs to Him.

EVANSVILLE, Ind., Sept. 14.—W. J. Bryan today denied he would speak from the steps of the national capitol. He said he heard of such a rumor and had telegraphed the committee in charge of the meeting at Washington that to do so would not be in accord with his wishes.

Bryan Rendered Speechless.

LOUISVILLE, Sept. 14.—Mr. Bryan was seen by a representative of the Associated Press tonight and shown the bulletins from the Maine election, and asked for his views. "Just say," said he, "that I decline to be interviewed."

An Infant Prodigy Dead.

SPRINGFIELD, Ill., Sept. 14.—The infant son of Mrs. C. T. Tison is daad of cholera morbus. The child was a prodigy. Though but 15 months old it was three feet high and weighed 57 pounds and was able to talk.
