

**TURNING GRAY  
AND THREATENED  
WITH BALDNESS**  
The Danger is Averted by Using  
**AYER'S HAIR VIGOR**

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and was so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of hair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. HAIGHT, Avoca, Neb.

**Fair Catalogues.**

The secretary of the fair association has requested us to say that 300 catalogues have been deposited in the post-office for distribution. Should any one fail to receive one, they can be supplied by calling at the office of T. A. Hudson, or a notice through the mail to that effect will be promptly attended to by the secretary, Mr. J. O. Mack. This is the time for the farmers, ranchers, and everybody else to begin to look after the premiums offered by the association.

The fair coming at the end of the Harvest Home should be, not only well patronized, and the exhibits numerous, but it should be made the holiday of the season, where friends can meet and exchange ideas and compare results of their labors for the year; to renew old acquaintances and make new ones. The farmers of this vicinity have always performed their full share in making our fairs of great interest by bringing their finest exhibits to the pavilion, and much good has resulted to themselves by meeting and interchanging ideas and experiences as to the best methods of attaining perfection in agriculture, horticulture or stock breeding. Their exhibits have been uniformly admired and praised by all, whether residents of the city or country.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Free Pills. Send your address to H. E. Bucklen & Co., Chicago, and get a free sample box of Dr. King's New Life Pills. A trial will convince you of their merits. These pills are easy in action and are particularly effective in the cure of Constipation and Sick Headache. For Malaria and Liver troubles they have been proved invaluable. They are guaranteed to be perfectly free from every deleterious substance and to be purely vegetable. They do not weaken by their action, but by giving tone to stomach and bowels greatly invigorate the system. Regular size 25 cents per box. Sold by Blakeley & Houghton, Druggists.
