UNDER LOCK AND KEY

Leadville Rioters Put in Jail for Safe Keeping.

SOLDIERS GUARD THE TOWN

Miners Collecting From Other Points--Threaten to Wipe Out the Militia and Burn the Place.

LEADVILLE, Colo., Sept. 23.—Thirty warrants were issued today by the district court for officers and members of the executive committee of the miners' union, all charged with the murder of Fireman Jerry O'Keefe. Fifteen of these have been served, and the men named in them are in the county jail. Edward Boyce, president of the Western Federation of Miners, was placed in jail by the city marshal this evening, the sheriff stating that he was there for safe-keeping, no charge having been made against him as yet.

There was to have been a meeting of the union at the city hall this evening, this being the regular meeting night, and on the strength of rumors that the meeting would be held in spite of all protests, General Brooks sent a galling gun to the hall, the commander of the artillery detachment being instructed to prevent the meeting. The gun has just returned to battery headquarters, the union meeting having been held at an early hour, and being in session but 10 minutes.

Excitement is again at fever heat, owing to the flood of alarming rumors and the failure to declare martial law. The night is damp, cold and quite cloudy, otherwise the inspiring light of the full moon would cheer the city's people.

Soldiers are now guarding the Herald-Democrat office, and as long as the Associated Press leased wire is not cut it will convey the news.

General Brooks ordered a military court to meet tomorrow morning to investigate the fight at the Colorado mine. An attempt was made, presumably by strikers or sympathizers, just before dawn today, to destroy the Leadville water works, located in California gulch, two miles from town. A guard of thirty soldiers had been stationed at the works.

About 5 a. m. the pickets saw a flash on a distant hill, supposed to have been a signal. A little after a sentry discerned forms crawling up the hill. He hailed them and was answered by a shot. Several scattering shots were fired, but the attacking party, finding the guard wide awake, drew off without any injury being done on either side as far as known.

AFTER WOLCOTT'S SCALE.

Plans of the Colorado Agents of the Silver Mine-Owlers.

DENVER, Sept. 23.—The petitions asking United States Senator Wolcott to resign, which have been circulated all over the state, are now being collected by J. B. Holmes of this city, who has been most active in furthering the movement.

"These petitions will not be sent to Mr. Wolcott to be thrown in the wastebasket," said Mr. Holmes. "We propose to allow him to inspect them, and then ask him to resign. If he does not, every petition will be filed with the United States senate, demanding the action of that body. In case they should neglect or refuse to act, the matter will be taken right into the United States supreme court, and a test case made. It will decide the question as to whether a majority of the people of a sovereign state have a right to recall an official who has been recreant to the trust reposed in him."

EMMA WAS DERANGED.

Not Responsible When She Tried to Kill "Lucky" Baldwin.

SAN FRANCISCO, 23.—It took just two minutes for a jury to decide today that Miss Emma Ashley was insane when she fired a shot at E. J. Baldwin in Judge Slack's court a few months ago. Miss Ashley's sister, Lillian, sued Baldwin for damages for seduction, and the trial of that case was in progress when the shooting occurred. Emma Ashley sat behind Baldwin, and, holding a pis-

tol close to his head, fired. The bullet grazed the scalp of the lucky man, but did no further damage. Miss Ashley was seized, and in the excitement that followed there came near being another shooting affray, between Baldwin's manager Unruh, and Attorney Crittenden. The testimony in the trial of Emma Ashley showed that she had become deranged through worry over her sister's case, and because of insufficient nourishment.

Giving Up the Fight.

WASHINGTON, Sept. 23.—The local branch headquarters of the Democratic national committee have been closed, and will not be reopened. The branch was opened with the idea of supplying literature for Democratic newspapers, but it has been found that this work could be more effectively done in Chicago than in Washington.

McKinley Callers.

CANTON, O., Sept. 23.—Major McKinley addressed two delegations this afternoon, the first from Wood county, O., the second from Muncie, Ind. The first including the Ladies' McKinley Club, of Bowling Green, and several clubs of men. The latter came on a special train of five coaches, and included four bands, the First Voters' Club, Prosperity McKinley Club and Veteran Soldiers. The address from Wood county was made by Attorney R. D. Parker, of Bowling Green, and for Muncie, by Attorney E. A. Needham.

Suicide at Fossil.

On Wednesday night, Sept. 16th, Harvey Hubbard of Fossil committed suicide by hanging himself in the barn on the Deguire place, about four miles up the creek from town. The Fossil Journal gives the following particulars: His dead body was discovered by Frank Watson about 7 o'clock Thursday morning, hanging from a rafter in the shed of the barn. Frank immediately raised an alarm, and Billy Coates, who was coming to town, brought the news to the people of Fossil, many of whom proceeded to the spot to view the body, which was left hanging until the arrival of the acting coroner, S. C. Donaldson, justice of the peace, when it was cut down. In his trunk was found an insurance policy for \$3,000 in the New York Life, in favor of his mother, Mrs. Clara Hubbard, who lives at Silverton, Or. This was taken out last January, through Mr. Farley of The Dalles, and as a year has not yet elapsed it is contestable, in accordance with the provisions of the policy, and it is not known here whether his mother can collect from the company or not. No motive can be assigned for the suicide.

BRYAN AND THE ANGEL.

About Bill Bryan, may his tribe decrease! Awoke one night from a deep dream of peace, And saw within the moonlight in his room, Making it rich and all-wise in bloom, An angel writing in a book of gold, Exceeding gall he'd made Billy Bryan bold, And to the presence in the room he said, "What writest thou?" The vision raised its head, And, with a look of what he might expect, Answered: "Their names who'll get it in the neck."

"And am I one?" asked Abou. "I don't know," Replied the angel. Abou spake more low: But cheerily still, and a-id: "I pray thee, sir, Write me as one not liable to err."

The angel wrote and vanished. The next night It came again with a great November light, And showed the names of those knocked gally-vent: And lo, Bill Bryan's name led all the rest!
