GIVES JONES WARNING

Tom Watson Says He Is Being Unfairly Treated.

PUPULISTS BECOMING SUSPICIOUS

If Bryan Wants Their Votes, Sewall Must Step Down—Populism Bought and Paid For.

New York, Sept. 27.—Thomas Watson, the Populist candidate for vice-president, telegraphs to the World a review of the political situation in which, in conclusion, he says:

"Under present conditions, Mr. Bryan cannot get the full Populist vote. He cannot get it in Kansas or Colorado. He cannot get it in North Carolina or Nebraska. In the friendliest spirit, I give Chairman Jones warning. He will make the blunder of his life if he listens to the fusion leaders and believes a full Populist vote can be had for Bryan, with Sewall on the ticket.

"Populist voters are men who have educated themselves on political topics. They will not stultify themselves by voting against their convictions. They will not vote for a man, who, if Mr. Bryan dies, will make us another president after the fashion of Grover Cleveland. They may not be able to break up the fusion deal, but they can stay at home. The contract made at St. Louis for a united Democratic-Populist ticket should be carried out in good faith. Democratic managers should not expect to hold us to it when they ignore it themselves. If McKinley is elected, the responsibility will forever rest upon those managers who have it in their power to control by fair means, 2,000,000 votes, and have lost them by violating the terms of the compact.

"I respectfully warn Mr. Chairman Jones of the danger Mr. Bryan is in. The Populist voters are dissatisfied and suspicious. They feel instinctively that the fusion policy which compels them to vote for Sewall is the beginning of the end of the Populist party. They feel the principles they love are being used as political merchandise, and that the Populist vote is being auctioned off to the highest bidder. They suspect that Populism has been bought and paid for, and is now being delivered to those who bought it.

"Is the Populist vote necessary to Mr. Bryan's election? If so, the sooner Mr. Jones realizes that it cannot be had under an arrangement which compels the Populists to make a humiliating surrender of their principles in voting for Sewall electors, the better it will be for our campaign."

APPEAL FOR THE POOR ARMENIAN

Miss Willard Calls on all Christian People for Help.

CHICAGO, Sept. 26.—A cablegram from the London International Women's Christian Temperance Union says: Miss Frances E. Willard has sent out the following call to the 10,000 local unions of the United States:

"Comrades, the cup of wrath is full. In these two terrible years when the massacre of innocents has been done under the eyes of our paralyzed rulers in Christian lands, we have thought men alone could help, but it is women who are dying two deaths in the bloody east, and we, their sisters, cannot longer wait.

"You have nobly responded to my earnest appeal. In the name of Christ and humanity, of the home against harm, I earnestly and tenderly call upon you to organize meetings in every locality, urging our government to cooperate with England in putting a stop to the massacres and giving protection henceforth to Armenian homes.

"Let these meetings be addressed by the pastors, the business men and the most capable women. Let money be raised by systematic visitation as well as by collection and forwarded to our national treasurer, Miss Helen M. Barker, Women's Temple, Chicago. And may God deal with us at last as we deal with our Armenian brothers and sisters and their little ones, in this hour of their overwhelming calamity. Yours for God and home and every land.

"FRANCIS E. WILLARD."

GOLD STANDARD WINS AT BOSTON.

Yellow Metal Democrats Nominate a State Ticket.

Boston, Sept. 26.—At the adjournment of the Democratic state convention today the gold standard wing of the party decided to place in the field a ticket favoring the nominee and platform of the convention held in Indianapolis early this month. This ticket as fixed by the national Democratic state committee of Massachusetts includes Democratic electors and state officers.

Talmage Will Not Take a Hand.

WASHINGTON, Sept. 27.—Rev. T. De Witt Talmage, in a sermon at the First Presbyterian church today, made the following allusion to the presidential campaign:

"During the last six presidential campaigns I have been urged to enter the political arena, but I never have and never will turn the pulpit in which I preach into a political stump. Every minister must do as he feels called upon to do, and I will not criticize him for doing what he considers his duty, but all the political harangues from pulpits from now until the 3d of November, will not, in all the United States, change one vote, but will leave many ears stopped against anything that such clergymen may utter the rest of their lives."

This statement was followed by a reference to the depression now prevailing throughout the country, and he said that never within his memory had "so many people literally starved to death as in the past few months."

He believed the country was better off after every crisis and that the Almighty would settle the controversy between the metals.

Altgeld Would Like to Be Senator.

CHICAGO, Sept. 27.—The chairman of the Democratic state central committee said today that should Governor Altgeld fail of re-election, he will be the candidate of the silver Democrats for United States senator.

"Governor Altgeld will certainly be a candidate for senator should he not win in the coming battle," said Mr. Hirschman. "That is to say, of course, in case the legislature is Democratic. His friends would never consent to seeing anybody else a candidate."

Tom Watson Threatened.

NASHVILLE, Sept. 27.—An American special from Atlanta says:

"Tom Watson has given out an anonymous letter, purporting to come from California. In part the letter reads:

"If you had a particle of manhood about you, you would have resigned long ago, when you saw that you were not wanted. One hundred of us have sworn to put you off the ticket, if you do not go off of your own accord before October 15. A word to the wise is sufficient."

"General opinion is that the letter is a practical joke."

Left the Pulpit for the Stump.

New Bedford, Mass., Sept. 27.—Rev. H. L. Buzzell preached his farewell sermon at the Unitarian church, at Fairhaven today. He has left the pulpit to stump the New England states for Bryan and Sewall.

JOHN BOYD THACHER DECLINES.

Will Not Run for Governor of New York.

ALBANY, N. Y. Sept. 26.—John Boyd Thacher has declined the Democratic nomination for governor of New York.

This was the day set for the committee appointed at the meeting of the state Democratic committee Tuesday to officially notify him of his nomination; but in advance of their coming he gave out a letter announcing his declination.

At the outset of his statement, Thacher made acknowledgment of the honor the nomination implied, and in the next sentence said he was constrained to decline it. He said:

"I was away from Albany, at my country home, during the convention and did not learn of my nomination until after 5 o'clock Thursday afternoon, September 17. It was not until 9 o'clock that night that I had an opportunity to learn the character of the platform adopted by the convention. There had never been submitted to me a press copy, a manuscript copy or any other copy of the proposed platform. If any one had been entrusted with the duty of presenting such a copy, the trust had not been fulfilled. I had no reason to expect, after the convention at Saratoga and after the attitude of the delegates from New York at the national convention, that the next state convention would commit the Democratic party unreservedly to all parts of the Chicago platform."

"The Discovery Saved His Life."
Mr. G. Caillontee, Druggist, Bears-ville, Ill. says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
