The curtain will rise promptly at 8 o'clock at tonight's performance of "The Bowery Girl."

The Oregonian speaks very favorably of the play, "A Bowery Girl," which will be produced this evening.
The De Moss family gave a pleasurable concert at the Congregational church last evening, at which about 140 were in attendance.

The increase in the sales of McKinley hats is not only evidence that there are heads to wear them, but the gray matter inside those heads has been working.

Members of Harmony Temple No. 12, Rathbone Sisters, are requested to be present at their hall Thursday night as business of importance is to be transacted.

The defendant in the Chinese case yesterday was bound over to appear before the grand jury under \$200 bonds. The attendance of the prosecuting witnesses was also secured by bail.

THE CHRONICLE has now an eastern agent for all advertising contracts east of the Rocky mountains. Mr. E. Katz, 230-4 Temple court, New York, will hereafter handle that department for THE CHRONICLE.

Marshal Lauer will finish tonight the construction of a new piece of road leading to the fair grounds along Kelley avenue, between Alvord and Benton streets. It is a very good improvement and has kept four men busy for six days to accomplish it.

The De Moss family left on the boat this morning for Hood River, where they give a concert this evening. They will then proceed to Portland, where they are booked for a six nights' engagement. From there they go to Southern Oregon and California.

A headlight used to light the interior of the freight depot exploded last evening, and an alarm was turned in, causing the fire bell to ring vigorously about 7 o'clock. Bystanders put out the blaze made by the scattering oil and the fire department was not needed.

A gentleman who came in from Klamath Falls last week says that Republi-

cans and Democrats alike are shouting for McKinley out there, are doing it independently and without the consent of Bryan or any other people on earth, for it is simply a matter of business prosperity with them.

Miss Dorothea Eliot will resume her lessons in singing on Thursday and Friday, October 1st and 2d. She will be at Mrs. Lealie Butler's this (Wednesday) evening, September 30th, from 5 until 8 o'clock, and Thursday morning October 1st from 9 until 11 o'clock, when her pupils, old and new, can arrange with her the hours for their lessons.

Senator Mitchell is the ablest speaker who is to address our citizens during the present campaign. His reasons why free silver Republicans should vote for McKinley and old established and honorable Republican principles are entitled to great weight, and we anticipate, therefore, the presence of all those divided from the party on this sole issue.

The reporter, hearing some beautiful music, apparently of the mandolin, but sounding much firmer and more melodious, was attracted into the Jacobsen book and music store this morning, and was much surprised to find that it emanated from a beautiful piano. He was then informed by Mr. Jacobsen that that is the latest. Ingenuity will certainly never cease, and the world of music does not lag in the procession.

So great is the demand for Senator Mitchell from all parts of the state that the state central committee finds it hard to meet all calls. It is about the same with Geer, the fame of whose effective speaking has spread in all directions. Sherman county has sent at least 20 demands for Mitchell, but no date in that part of the state has yet been fixed for him. Senator Mitchell's time has been fully occupied all of this month, and he has numerous dates in October, including many places in Eastern Oregon.

Judge Bellinger, in the United States circuit court, yesterday, delivered an opinion in the case of the United States vs. the Tygh Valley Land & Livestock Company, on a demurrer to the complaint. The suit was brought to restrain defendant from trespassing on the Cascade reserve, by driving and pasturing sheep thereon. The demurrer was overruled, and the defendant was given 20 days in which to answer. The decision is in effect to declare the right of the government to protect the reserve by civil process.

The McKinley Zouaves.

The McKinley club of zouaves was organized last night at the city council chambers.

Mr. Hayward Riddell was chosen temporary chairman and Dave Lemerson temporary secretary, and later the organization was made permanent. The president stated the object of the meeting, and in response to a request for further information Mr. Kerns said that G. J. Farley had sent for forty zouave costumes and sixty cape uniforms.

Mr. F. W. Wilson moved that a civil and military organization be perfected; that the civil part consist of a president, vice-president, secretary and treasurer; that the military part consist of a captain and first and second lieutenant; and that an election of these officers be made at once. The motion carried, resulting as follows: Hayward Riddell president, L. S. Fritz vice president, Dave Lemerson secretary and treasurer. These were by acclamation. The military officers were chosen by ballot, Levi Chrisman being the unanimous choice for captain, and J. R. McAvoy and A. B. Kerns receiving an equal number of votes. On motion of Kerns, McAvoy was chosen first lieutenant.

Captain Chrisman then made a brief speech, in which he said the time was so short the club must get to work and drill at once and it was important for every member to be present. The understanding was reached that Thursday night be given to practice in Armory hall, to learn a few of the simplest evolutions for the night following, on which Senator Mitchell is to speak.

The club then adjourned, to meet at the council chambers at the call of President Riddell, or at the Armory at call of Captain Chrisman.

Kingsley's McKinley Club.

KINGSLEY, Sept., 28, 1896.
EDITOR CHRONICLE:—A McKinley club organized here on Saturday last with a large number of members enrolled. I. D. Whitten was elected president, E. Williams vice president, and Jas Kelly secretary. The chairman appointed E. Williams, C. Fraley and J. Kelly an executive committee.

The Hon. W. H. H. Dufur, of Dufur, addressed the meeting for over an hour in his usually, earnest, eloquent and impressive style.

On next Wednesday evening, at 7 o'clock, the citizens of Kingsley will be addressed at the school house at 7 o'clock by two or three eloquent speakers from The Dalles. Everybody invited. Young men bring out your best girls. We expect the Dufur hand to attend.

Enderby Club Will Come to The Dalles Friday and Hear Mitchell.

EDITOR CHRONICLE:—The McKinley Club at Enderby was well attended. We had a rousing speech from Mr. Isenberg of Hood River. Five names were added to the club, making twenty-eight members in all. Before adjourning we

gave three cheers for McKinley and Hobart. The McKinley Club will meet at 8-Mile schoolhouse Thursday evening at 7 o'clock in place of Friday evening as announced, on account of the big Republican speaking in The Dalles Friday evening, as the club desires to go to The Dalles Friday evening.

Dufur's Big McKinley Club.

A big McKinley club was organized at Dufur last evening, seventy-five signing the roll, which was increased by three this morning. There were present Hon. John Michell of The Dalles and M. P. Isenberg of Hood River, who made enthusiastic addresses. The following were chosen officers:

President—T. H. Johnston.
First Vice President—M. J. Cockrell of Boyd.
Second Vice President—Henry Hudson of Nansene.

Third Vice President—W. H. H. Dufur of Ramsey.
Secretary—Dr. A. Deitrick.

Executive Committee—J. A. Gullford, W. H. Whipple and Henry Menefee.
The club was organized in the M. E. church and the edifice was crowded. The speeches of Messrs. Michell and Isenberg were productive of most frequent and enthusiastic applause.
