TWO ROBBERS BAGGED

One Instantly killed and Another Badly Wounded.

THIRD ESCAPED WITH THE LOOT

First Bank of Joseph, in Wallowa County, Oregon, Raided and Two Thousand Dollars Taken.

LA GRANDE, Or., Oct. 1.—At 2:20 this afternoon the First Bank of Joseph, in Wallowa county, was robbed of about \$2000 by three men, one of whom is dead, another is badly wounded, and the third is being pursued by a posse of citizens.

At the time of the hold-up, there were four customers in the bank. Cashier Miller is in La Grande attending the fair and J. D. McCully was acting in his place. In waiting on his customers, McCully had occasion to go into the vault. When he came back and looked up, he was confronted with a shotgun in the hands of one of the robbers, and was told to throw up his hands. The customers had already complied with this request, and McCully did likewise.

One of the robbers leaped over the railing and opened the private door, through which the men in the bank were made to pass, and then they were lined up against the wall. One robber took a position at the outside door and compelled all passers-by to halt and throw up their hands. In the meantime the third robber had gone into the vault. He took all of the currency and coin, even to nickels, and placed them in a sack that he carried. Coming out, he put everything into the sack that he could find on the counter. He then demanded from McCully the keys to the private boxes, and ransacked them.

By this time the report that the bank was being robbed had reached the citizens, several of whom armed themselves and awaited the appearance of the robbers.

As the robbers made their exit from the bank, Alex Donnelly, a man of 25 years old, opened fire, killing one of the robbers instantly, and wounding another, hitting the latter twice. The third robber, who had the sack containing the loot, succeeded in reaching and mounting his horse, after dropping his gun. He then made off over the hills toward Prairie creek, afterward turning toward Cornucopia.

Killed in a Collision.

PITTSBURG, Oct. 1.—Two freight trains collided last night at Philson, on the Baltimore & Ohio railroad, 124 miles east of Pittsburg, making one of the worst wrecks in the history of the road. One man is dead, two probably fatally injured, and several others missing.

The grade at Philson is over 100 feet to the mile. The fast freight east-bound was scheduled to meet the west-bound freight at Philson. The latter train waited on the main track for the east-bound train. On the down grade the crew of the latter lost control of the train. It was going at a high rate of speed when it struck the other train, every car being thrown to a common center in the collision and ground to atoms. The engines were smashed to scrap iron. Debris is piled as high as telegraph poles.

Suicide of a Bride.

CAIRO, Ill., Oct. 1.—At 5 o'clock this morning Mrs. Frazier, a bride of four days, shot herself through the heart, dying instantly. No reason was given. The young couple were prominent in church and society.

An Aged Maiden Cyclist.

OAKLAND, Cal., Oct. 1.—Miss Christina E. Yates claims the distinction of being the oldest wheelwoman on the coast. She is proud of the record she has made a wheel, and stands ready to meet any woman of her age on the coast, either in a contest of skillful riding or as a matter of endurance. Miss Yates is 80 years old. She says that age does not count when it comes to riding a bicycle. She can wheel her way over the roughest roads and seldom gets weary.

Miss Yates resides at 960 Grove street, where she can be seen almost any day going out for her exercise. She gave an

STANDS BY THE PARTY.

Ex-Governor Luce Has Not Deserted to Bryan.

SOUTA BEND, Ind., Oct. 1.—Ex-Governor Cyrus N. Luce, of Michigan, widely quoted as having declared for W. J. Bryan, has written a letter to a friend at Laporte, Ind., authorizing a denial. He says that while not in accord with the declaration of the Republican platform on the money question, yet he believes it his duty to vote for McKinley. He has received a thousand letters of inquiry, he says.

COLORADO REPUBLICANS.

"Crown of Cactus and Cross of Hot Tomatoes."

COLORADO SPRINGS, Colo., Sept. 30.—Thomas R. Hoffmire, a young attorney from La Junta, was nominated for congress today by the Republican convention of the Second congressional district. He made a brief speech, concluding as follows:

"The crown of cactus cannot be pressed upon the brow of labor, nor can you crucify mankind upon a cross of hot tomatoes."

Goes Back on Watson.

BIRMINGHAM, Ala., Oct. 1.—Captain Reuben F. Kolb, father of the Populist party in Alabama, editor of the People's Tribune, the organ of the party here, publishes an editorial coming out for Bryan and Sewall, throwing overboard Watson and Dr. G. B. Crowe, the Populist candidate for congress.

Wants Both to Withdraw.

PHILADELPHIA, Oct. 1.—The American this week will print an editorial with the caption, "Sewall or Watson—Which or Neither?" in which it calls on both those gentlemen, in the interest of the election of Bryan, to withdraw in order that Chairman Jones may name a candidate who will be acceptable to all interests.

The Discovery Saved His Life.

Mr. G. Caillouttee, Druggist, Bearersville, Ill. says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store.

Sound Argument From Eminent Bimetallists.

Gold is recognized as the universal standard of value. It is the measure that must be used. It is the measure by which your wealth must be tested. * * * The wealth of the United States is tested by the same rule. It has been and always will be the touchstone of measurement, and when you depart from that and try to figure up any other measure which the world does not recognize you get into confusion.—Senator William M. Stewart.

Silver, Copper and Then Paper.

The owners of copper mines need not be elated with the idea that the argument for cheap silver dollars is a still better argument for cheaper copper dollars. We shall not drop to a copper basis. The ultimate resting place for the Popocrats is foredetermined in their platform assertion of the right of the government to issue legal tender paper notes. That is the cheap money paradise into which all the advocates of repudiation are logically drawn.
