

DIED DOING HIS DUTY

Insurgent General Sanchez Killed in Battle.

WAS A VETERAN PATRIOT LEADER

Had Served Under Maceo During the Previous Insurrection—Fate of an Insurgent Colonel.

HAVANA, Oct. 5.—An important engagement, in which General Serafin Sanchez, a well-known insurgent leader, was killed, has been fought on the Reserva plantation, in the province of Matanzas. Sanchez was widely known as a Cuban leader. He served under Maximino Gomez, in the previous Cuban insurrection.

After the capitulation of the Cubans in Sangora, Sanchez reappeared in Las Villas at the head of a large body of men, but was finally allowed by the Spanish governor to leave Cuba. In June, 1895, he landed in Cuba with the George W. Childs expedition under General Roloff, and since has been active in the insurrectionist cause. He recently crossed the trocha from Pinar del Rio, entering the province of Matanzas.

It is reported that the rebel lieutenant-colonel, Mirabel, formerly a bandit, after being seriously wounded at the fight on the road from Havana to San Jose de las Lejas, was shamefully abandoned by the young Havana recruits composing his command. A negro adjutant and two mulattoes alone remained and lost their lives while attempting to bear their wounded chief from the field, from under a rain of bullets. When finally captured, Mirabel begged to be allowed to speak with the Spanish guerrilla captain, but the latter, refusing to hear him, ordered the prisoner to be dispatched at once.

Antonio Maceo is reported to have used artillery in his recent attack upon the Spanish positions at San Felipe in Pinar del Rio.

Superintendent Saco, of the government battalion at San Quentin, wounded in that engagement, has since died. Maceo's forces outnumbered the loyal troops four to one. He commanded in person, surprised the Spanish camp at night during a terrible rain storm and besieged it for eighteen hours. The commander finally evacuated it and cut his way out, retreating toward the coast, to telegraph Captain-General Weyler at Havana that another victory had been won. Trustworthy unofficial reports from the engagement give the Spanish losses as fifty-nine killed and sixty-four wounded. The rebel loss was seventeen killed and twenty-three wounded.

The rebels who raided and burned the town of Las Canas, near the trocha, last week, are reported to have been led by a Cuban boy 17 years of age, a son of General Carrillo, of Remedios.

HAVANA, Oct. 5.—Later advices from Matanzas say that it was Lopez, the insurgent leader, and not Serafin Sanchez, that was killed in the engagement at the Reserva plantation.

THE FLORIDA ELECTIONS.

Democrats Expect the Usual Majority for the State Ticket.

JACKSONVILLE, Fla., Oct. 5.—Not since 1876 has there been so much interest taken in a state election as is displayed in the contest that will be settled at the polls tomorrow. In addition to state issues, there are many county differences to be adjusted. As a rule, only Democratic and Republican tickets are in the field, but in some cases there are Populist and Independent candidates. The fight, however, is between Democrats and Republicans, and in the fight for important state offices the Democrats will win by large majorities. Fifty thousand votes will probably be cast, and of these, it is estimated that Bloxham, Dem., will receive between 30,000 and 35,000 for governor.

Cockran's Speech Spoiled.

St. Louis, Oct. 5.—An immense crowd assembled at the Auditorium tonight to listen to Bonrke Cockran on the money question. So frequently was he interrupted, however, by askers of questions that the effect of his speech was almost

spoiled. There appeared to be a prearranged plan on the part of the questioners, and there were at least 100 of them. On several occasions portions of the crowd took exception to certain assertions made by Cockran and became boisterous. The disorder increased as he progressed, so that many people left the hall.

The officials of the Gold-Standard Democratic Club, under whose auspices Mr. Cockran was brought here, are highly indignant over the outrage.

POLITICAL STRAWS.

Connecticut Town Elections Show Republican Gains.

HARTFORD, Conn., Oct. 5.—Town elections were held all over the state today, except at Hartford, New Haven, Bridgeport, Ansonia, Darby and Naugatuck, and the results show a decided gain in Republican strength and are believed to be an index to the greater political battle, which will be waged at the polls four weeks hence.

The extreme satisfaction at the result expressed by Lieutenant-Governor Cook, the Republican gubernatorial nominee, found a reiteration at the headquarters of the Republican state committee, where it was stated tonight that McKinley and Hobart would get upwards of 30,000 majority.

Though today's elections present many local issues, which complicate the efforts to arrive at an intelligent idea of the leading parties' strength in the few towns that had both gold and silver Democratic tickets in the field, the gold men were greatly in the majority.

The weather was unfavorable for a large vote, but the leaders of both parties realized that upon the result of today's elections, an estimate of the probable majority in Connecticut would be formed, and an effort was made in almost all towns to get out the fullest possible vote.

Hartford county, with twenty towns heard from, gives sixteen Republican and four Democratic towns. There are seven towns not heard from.

Litchfield county gives seventeen Republican and four Democratic towns, while Tolland shows the usual Republican strength.

Windham county is looked upon as the hotbed of Republicanism, and in the election today maintained its reputation. In several towns, notably Windham, the school and liquor questions were injected into the campaign. The heads of the tickets were, however, voted for on straight lines, and a Republican gain was manifest in every case.

KILKENNY CAT FIGHT.

Popocrats of Oregon Who Want to be Called Democrats.

SALEM, Oct. 5.—A Kilkenny cat fight between the national and Bryan Democrats is now on, and Secretary of State Kincaid doesn't know what to do. In answer to the protest by the national Democrats, comes F. A. E. Starr and George C. Stout and file an answer in behalf of the Popocrats. Mr. Starr appeared in person before the secretary today, accompanied by P. H. D'Arcy and W. H. Holmes, and pleaded that the names of the Popocratic electors should appear as "Democrats."

The secretary had the attorney-general present as his adviser. The attorney-general adheres to the written opinion that he filed with the secretary Sept. 2, in which he held there could be no nomination unless the law was complied with. The law, the attorney-general holds, has not been complied with, as to their being Democratic nominees.

It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began to use Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00. None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

It is the same old story and yet constantly recurring that Simmons Liver Regulator is the best family medicine. "We have used it in our family for eight years and find it the best medicine we have used. 'We think there is no such medicine as Simmons Liver Regulator.'"—Mrs. M. E. S. Adington, Franklin, N. C. Each member of our family uses it as occasion requires."—W. B. Smith, Mt. Vernon, Ky.
