COMING TO THE COAST

Reed the Latest Assignment of Republican Managers.

WILL REACH LOS ANGELES OCT. 27

Schoonmaker and Boutelle Also Have a List of Dates Covering Oregon and Washington.

CHICAGO, Oct. 13.—For the first time in any campaign, the Republican national committee has undertaken to supply the Pacific coast with speakers, and a number of Republicans of national repute will be heard there before the close of the campaign. During the week Speaker Reed will go to California and make a number of addresses there, his first speech being at Los Angeles October 27. Further details of the coast tour of Congressman Boutelle, of Maine, have been agreed upon, that gentleman speaking at Los Angeles October 17, Sacramento October 19, and San Francisco October 20.

TWO GREAT SPEAKERS COMING.

Representative Boutelle and Mr. Schoonmaker for Oregon.

PORTLAND, Oct. 14.—Chairman Hirsch, of the state central committee, yesterday received a dispatch from the national committee, re-assigning F. X. Schoonmaker to his appointments in Oregon. The demand for Mr. Schoonmaker's services in California was so great that the committee had decided to cancel his Oregon dates, and so notified Mr. Hirsch Monday. To assuage Republican disappointment, however, Congressman Boutelle was assigned to speeches at Salem and Portland.

This assignment was eminently satisfactory, so far as Boutelle was concerned; but it called forth a strong representation on the part of Hirsch that that Schoonmaker ought also to be sent to Oregon. It had been widely advertised that he would speak at Roseburg, The Dalles and McMinnville, and it would not do to substitute another speaker at other places—Salem and Portland. Mr. Hirsch explained the situation as clearly as he could in a brief telegram, and it had the effect of inducing the national committee not only to reassign Mr. Schoonmaker to Oregon, but to send Congressman Boutelle as well. Mr. Schoonmaker will therefore speak at the following times and places: Roseburg, Monday, October 10. The Dalles, Tuesday, October 20. McMinnville, Wednesday, October 21. Representative Boutelle, as announced in yesterday's Oregonian, speaks first in Los Angeles, October 17th. He speaks in San Francisco and Sacramento.

He then comes to Oregon, and speaks at Salem and Portland, October 22d and 23d. After October 26th, he will be in Washington till the end of the campaign and will speak in Tacoma, Olympia, Seattle and Spokane.

WATSON WILL NOT RETIRE.

So Says Chairman Butler of the Populist Committee.

CHICAGO, Oct. 13.—A meeting of the Populist national executive committee was held at the Sherman house today to consider the question of fusion in Kansas and Colorado, over which considerable friction has arisen. It is probable that action will be taken looking toward the displacement of some Democratic electors in the states named, and the putting of Populist electors in their places.

All the members of the national executive committee are present, except Secretary Edson, of the national committee, and Chairman Dorr, of California.

Senator Butler, of North Carolina, chairman of the national Populist committee, when asked if Watson would

come out in a letter opposing the fusion arrangement in the West, stated that no such letter was expected.

"We are all pulling to defeat McKinley," said Butler; "and, while there is some friction over the division of electors in several states, no action will be taken that will in the least compromise the changes of our ticket. It is sure to be adjusted amicably. You can state authoritatively that Watson will remain on the ticket. No thought of his resignation is entertained by us."

"What do you think of the political outlook?"

"Bryan's chances are improving every day. There has been a perceptible change in the last two weeks. One of the strongest factions of the Republican campaign until recently is now its greatest weakness, and that is the prodigal use of money."

What do you think of the situation in Illinois?"

"Illinois is doubtful. Bryan, however, can be elected without Illinois, Michigan, Minnesota or Iowa. Ohio is trembling in the balance. If the sentiment continues to grow in our favor of that state at the rate it is now growing, there is no doubt the state will go for Bryan by a large majority. In Kentucky there is a hard fight, but fusion makes it safe."

BOSTON IS AGAIN SHOCKED.

A McMonnies Statue Refused by the Library Commission.

BOSTON, Oct. 13.—Boston has refused to accept the bronze Bacchante by Macmonnies, for the new public library. The statue is too suggestive of immorality and thirst for the Puritan town. At a meeting of the art committee on Friday it was finally decided to reject it, and today Edward Robinson, the curator of the museum of fine arts and secretary of the art committee, sent the following minute to the trustees of the library:

"Voted, That the secretary be instructed to inform the trustees of the public library that, while recognizing the remarkable technical merits of Mr. Macmonnies' statue of Bacchante as a work of art, this committee does not regard it as suited to the public library building."

This decision of the art committee is final and the trustees must reject the gift. The statue is one of the best things the sculptor ever did. It is in bronze, seven feet tall, the nude figure of a woman. In her left arm she carries a child, while in her right hand, extended high over her head is a bunch of grapes. The woman is dancing, with a laugh on her face. The whole statue is expressive of joy and freedom. Paris thought so much of the statue that when it was unable to get it, it had a replica made.

MORE SUPPLIES LANDED.

Successful Filibustering Trip of a Haytian Schooner.

BARACOA, Cuba, Oct. 13.—A new filibustering expedition has landed in Marivi, Eastern Cuba. The party brought 1000 rifles and a proportionate quantity of munitions. The men disembarked from a Haytian schooner between two Spanish forts, neither of which were a mile and a half away. The war material was transported into the interior before any alarm was raised.

The state of suffering among the poorer classes in Baracca is such that the local Spanish commandant is now permitting women and children to go through the government lines to beg food in rebel

camp. More than 300 passes for this purpose are being issued daily. The women are subjected to rigid search as they go outside the walls of the towns, so as to prevent medicines being taken to the insurgents.

WANTS PAY FOR SERVICES.

An Ex-Slave's Suit Against Her Former Master.

LOUISVILLE, Oct. 13.—The trial of an interesting suit has begun in the law and equity court. Annie Wier, an ex-slave, sues to recover \$3,744 from Wm. Wier, a sheet-iron proprietor, for twenty-four years' services. She was born in slavery and adopted her master's name. She says that after her emancipation she agreed with Wier to remain with him as his servant with the understanding that she was to be clothed, fed and lodged for the rest of her life. She says she remained with him and reared his children, but that after his second marriage she was discharged. This occurred November 14, 1895. She seeks to recover judgment against Wier now at the rate of \$3 per week for twenty-four years. The defendant pleads the statute of limitation and also filed an answer making a general denial.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists.

It is the same old story and yet constantly recurring that Simmons Liver Regulator is the best, family medicine. "We have used it in our family for eight years and find it the best medicine we have used." "We think there is no such medicine as Simmons Liver Regulator."—Mrs. M. E. S. Adington, Franklin, N. C. Each member of our family uses it as occasion requires."—W. E. Smith, Mt. Vernon, Ky.
