### WISE FOOLS.

The questions to be settled by the approaching election are of the highest importance to every individual, and no voter should go to the polls uncertain as to how he should vote.

The ablest speakers of all parties are in the field, and every community is given an opportunity of hearing the issues discussed. No man can afford to remain away from these discussions; every man owes it to himself and to his country to hear what is to be said in opposition, as well as in support of his own views.

Voters are prone to avoid every meeting held under the auspices of the opposing party, lest his presence might appear to lend encouragement to the opponent's cause. This is but the policy of a wise fool. If our views of the issues will deter us from hearing both sides fairly and candidly, there is something wrong with them, and every man owes it to himself and to his country to hear all that can be said for or against the views we have already formed; if these views will not bear the test of a free discussion, they are unsafe.

Every living man who was in congress when the act of 1873 was passed who has thus far been heard from, has declared that the act was fully understood. Ex-Secretary Boutwell adds his testimony to that of many others, and all declare that the talk about a "crime" is absolutely false.

There was only \$8,125,088 deficit in the postal service last year, as against \$9,805,044 the year before. Under the Republican administration the postoffice department was practically self-supporting.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

**Electric Bitters.**

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1 per bottle at Blakeley & Houghton's drug store.
