SOLD TO THE PIE-EATERS.

The middle-of-the-road Populists all over the union have my sympathy and admiration. They have been sold out, and their party made a foot mat for Democratic politicians to wipe their feet on...

Thus says Mr. Watson to the Populist state chairman of Kansas. His words are certainly true and his bitter complaint is well founded. Mr. Bryan will find that he cannot have two running mates going in opposite directions and make a very satisfactory race...

The banks are the eye sore of all Populists; they are looked upon as the very enemy of the people because of their holding money from circulation. But did it ever occur to our Populist friends that the banks own a very small portion of the money in the vaults...

Our Popocratic friends complain because Mr. Schoonmaker is assigned to speak at The Dalles the same evening as Mr. Tillman. The fact is, Mr. Schoonmaker's date was fixed long

before Mr. Tillman was expected to visit The Dalles, and while his engagement here was cancelled, the cancellation was withdrawn within a few hours. Mr. Tillman fixed his date here knowing that Mr. Schoonmaker was to speak here the same evening.

The per capita consumption of wheat in this country in 1892 was 5.91 bushels, and in 1894 3.41 bushels. Had the people of this country been as able to buy flour in 1894 as in 1892, the entire surplus which was exported in 1894 would have been used at home.

The Popocrats send Coxey, "Cyclone" Davis and Tillman to Oregon to instruct the people as to their duties as good citizens. The advice of such men never has and never will result in good citizenship or a safe government.

Mr. Tillman boasts that he is from the state which was the "mother of secession." Oregon voters should have no use for men who thus pride themselves.
