THE DISTRICT FAIR.

The Running Record Broken at the Fair Grounds Yesterday.

The eighth annual meeting of the Second Eastern Oregon District Agricultural Society opened yesterday with a fair attendance for the first day. The live stock exhibit is not all in yet, but there are some fine cattle and sheep in the corral, and the officers expect to have all the stalls full by this evening.

Billy Ayers, the veteran pool seller, was on hand to assist the wise ones in placing bets. Under the grand stand one could hear the familiar cries of "Rondo!" "Seven come eleven!" "The black horse wins!" "Money down in time!" and similar expressions that are usually used by distributors of free gold and silver, but the unsophisticated were rather cautious about indulging. The exhortations of the pool seller were more effective towards loosening up the tightness of the market; but still there was very little betting going on. In both races the Paris mutuels paid well.

The Agricultural Society was somewhat disappointed in not receiving an Australian starting gate from Portland, but if all the races are sent off as well as they were yesterday, there will be no need of a gate. Bill Gilmore acted as starter, and gave entire satisfaction. The horses were called out promptly on time, and were sent off to a good start in each race.

The first race on the program was a running quarter-mile dash, for all ages, with a purse of \$75. The following well-known quarter horses were entered: "Lark," 119 lbs.; "Pat Tucker," 119; "Black Prince," 122; "Pinear," 119; "Bill Nye," 119. The knowing ones picked "Pinear" as a winner, although a reasonable amount of money went into the pool box on the other horses. The horses were sent to the post at 3:30, and after scoring for fifteen minutes, Starter Gilmore dropped the flag and sent them off well hunched. They ran well together for the first eighth, when the climb up the hill began to tell on some of the runners. "Pinear," "Lark" and "Bill Nye" came into the home stretch neck and neck. Then the bats, boys and spurs commenced to work and the horses realizing that there was to be a struggle for first place, strained every nerve and muscle to gain the lead, but "Pinear," under the skillful guidance of Boynton, was too much for them, and came under the wire a half a length ahead of "Lark," who had a length the best of "Bill Nye." So fast and furious was the pace in this race that the track record of 24 1/2 made by "Bluejay" in '94, was broken by half a second. The mutuels paid \$3.80.

The second race was a running, three-eighths mile handicap for 2-year-olds. The following youngsters were entered: "Surprise," 90; "Mamie D.," 87; "Harry N.," 110; "Latab," 105. "Latab" and "Harry N." were the favorites; "Surprise" and "Mamie D." sold in the field. After a few attempts to get off, Gilmore sent them away with "Harry N." slightly in the lead. At the quarter stake "Surprise" ran into the pole tearing the boot off his jockey and breaking the stirrup. This compelled the boy to hold him up. The other horses came up the hill and into the home stretch under a drive. There was some crowding about two hundred feet from the wire, but "Latab" won, "Harry N." second, "Mamie D." third. Immediately on dismounting the jockey on "Mamie D." went up to the judge's stand and entered a protest against "Harry N." for foul; but after a careful investigation of the protest the judge decided that the protest was unfounded. The time announced was 38 1/2. The mutuels paid \$3.60.

THIS AFTERNOON.
The first race on the programme was a running, three-eighths mile heats, for all ages; purse, \$100. The following horses were entered: Pat Tucker, 109; Red D., 109; Lark, 109; Pinear, 109. At the first attempt for a start Gilmore dropped the red bunting and sent them off to a blanket start. Pinear soon took the lead and won the heat by a length ahead of Pat Tucker. Another track record suffered by this heat, which was won in 36 seconds, the old record being 37. Mutuels, \$3.50.

Pinear won the second heat and race in one of the finest finishes ever witnessed on the track. Time 36 1/2. Mutuels paid, \$3.10.

Watery Blisters Turning To Complete Sore. Family Doctor Could not Heal Without Loss of Hair. COMPLETELY DISCOURAGED
Economical and Speedy Cure by CUTICURA REMEDIES

Now no Trace of Disease. Hair Thick, Child Fat, Good, and Healthy.

When four days old my baby broke out over one side of his head and body with watery blisters, which turned to a complete scab. We called the family doctor, and he said that "he could heal them up," but "the baby would never have any more hair on his head," and we were completely discouraged. We were told to try CUTICURA REMEDIES and did so. We used two boxes of CUTICURA, two cakes of CUTICURA SOAP, and he now is all right. The hair is on thick, and you would never think there was anything the matter with him, he is so fat, good, and healthy, and I do not know how to praise CUTICURA REMEDIES enough for the good they did my child. Mrs. Wm. H. SCOTT, Luzerne, Pa.
