CAMPAIGN LIE NAILED

Cry of Coercion Made By Bryan Managers.

HANNA CHALLENGES THE PROOF

Popocratic Voters Making Dishonest Use of Republican Letterheads—Pres- sly Makes an Affidavit.

CHICAGO, Oct. 21.—[Special to THE CHRONICLE.]—Chairman Hanna of the Republican national committee, today put an end to the charge made by Bryan managers that employes are being coerced into the support of McKinley for the cause of sound money. Mr. Hanna issued a statement that the entire machinery of his committee is at the disposal of any one for the prosecution of any employer suspected of attempting to coerce an employe, and that the committee would co-operate with the Democratic national committee, protecting employes in the free and unfettered exercise of their franchise. He also says that if Chairman Jones or Mr. Bryan had any information at any time of the coercion of employes they were equally guilty with the employer in not telling the authorities, so that the coercing parties could be punished under the law.

Information was received at Republican national headquarters today to the effect that voters intending to support Bryan were applying to railroads for transportation to their homes and that they are using the letter heads of the Republican national committee or Republican state central committees in making such application. The request is made by the Republican national committee that persons receiving applications for transportation shall be upon their guard, and that the chairman of the state and county Republican committee shall act with great caution in considering the manner of application for transportation.

Past Master Arthur, of Cleveland, Ohio, at the head of the International Brotherhood of Locomotive engineers, has written a letter in which he says that he never signed any resolution or petition to congress or any document in favor of the free coinage of silver; that he is not in favor of the free coinage of silver and that he will vote for McKinley, regardless of what he may have done or said in the past.

Hon. Wm. H. Morrison, of Illinois, president of the interstate commerce commission at Washington, D. C., has written a letter which will be made public in which he arraigns Governor Altgeld in the severest terms, confirming all of the charges made against Altgeld by Congressman Gorgan, present candidate for governor of Illinois. The letter is full of sensational statements affecting the entire official career of Altgeld and will make thousands of votes for sound money and McKinley. Morrison is one of the most influential Democrats of the state.

A telegram from Boston states that Samuel C. Pressly makes affidavit that the Colorado letter bearing his name and alleging that Mr. Hanna had said that if McKinley is elected the United States army will be enlarged to 250,000 men, is a forgery.

THREE TO ONE FOR M'KINLEY.

Result of the Chicago Record's Postal Card Canvass.

Chicago Times Herald, Oct. 18.

The Chicago Record's postal-card poll has now reached dimensions which give it great importance as a test of the strength of the parties in Illinois and the neighboring states. In ten days 131,666 votes have been cast and counted in this

Of these 80,294 have come from Chicago and Cicero. This is such a large proportion of the entire electorate—quite one-fifth—that it can be used reasonably as a means of drawing conclusions. As the vote now stands it shows in Chicago 64,460 for McKinley and 13,859 for Bryan, a ratio of nearly five to one in favor of sound money. It has been observed by those who have followed the returns from day to day that this ratio has somewhat changed. The first day's vote was 1219 for Bryan to 4249 for McKinley; the fourth day's, Bryan 6672, McKinley 22,407; on the eighth day, (after Senator Jones and his colleagues had cast suspicion on the fairness of the ballot) it stood: Bryan, 12,809; McKinley, 57,297. It will be seen that the ratio has risen from 3.5 to 1 on September 7, to 4.7 to 1 on September 17. The change is due to the determined efforts of the silver leaders to destroy the effect of a ballot which was palpably running disastrously against them. They have not been able, however, to induce all their followers to refrain from voting, and the ballot in Chicago is still strongly indicative of the way this city will go. Granting that 40 per cent of the silver men of Chicago are afraid to express their real sentiments, even in a non-partisan ballot carefully guarded against fraud, the Record's poll would still show McKinley almost three times as strong as Bryan.

NORTON IS FOR BRYAN.

The Defeated Presidential Aspirant Falls into Line.

WASHINGTON, Oct. 21.—Senator Butler today received a letter from F. S. Norton, of Illinois, who was a favorite candidate of the middle-of-the-road Populist for the presidential nomination at the St. Louis convention, announcing his support of Bryan, and advising Populists everywhere to assist in Bryan's election. Norton advises the Populists to forgive for the time any unjust treatment from the Democrats, and postpone the settlement of minor differences until after election.

"If," he says, "success is assured, the Populist party cannot be denied the glory of victory, whether Bryan is a Populist or not. One thing is absolutely certain, every enemy the reformers encountered during the last 20 years we find today among Bryan's bitterest and most relentless opponents. If they are his enemies, he must be our friend. His success is their defeat. Their defeat is our victory."

FELTON IS FOR M'KINLEY.

Change of Front of a Prominent Georgia Populist.

ATLANTA, Oct. 21.—A bombshell was exploded in political circles here today by making public a letter from Dr. W. H. Felton, a Populist nominee for presidential elector, withdrawing his name from the ticket and pledging his support to McKinley. Dr. Felton was at one time a member of congress from the seventh district, and has long been conspicuous in Georgia politics. His course is construed by many as indicating that there will be a general defection to McKinley from the Populist ranks in Georgia on account of the treatment of the Populist proposition for fusion at the hands of the Democratic state committee.

IS SERIOUS FOR SPAIN.

War on the Philippines Likely to Evoke the Cuban Revolt.

VANCOUVER, B. C., Oct. 21.—The Emperor of Japan arrived from the Orient

today, after a speedy and uneventful trip. She had 29 saloon and 300 steerage passengers, and 2700 tons of cargo.

Advices received by the Empress of Japan regarding the rebellion against the Spaniards, in the Philippines, confirm the previous reports that the Spaniards will likely have another war, as serious as that in Cuba, on their hands.

Governor-General Blanco realizes that with the present force he is unable to quell the revolt, and consequently is awaiting the arrival of reinforcements before striking a decisive blow. Meanwhile, the rebels are doing a great deal of damage to property, and murdering and robbing the inhabitants. The rebellion has spread to the provinces of Manila, Bulacan, Pampanga, Nueva Ecija, Tariaac, La Laguna, Cavite and Batangas.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J.
