### McKinley Talks to Wayne County Farmers.

#### SAYS PARTY TIES ARE BROKEN UP

Republicans and Democrats Join in Condemning Bryanism—Tour of Governor's Squadron.

CANTON, O., Oct. 22.—It was glorious summer weather in Canton this morning. A large delegation of farmers called at the McKinley home. They were from Creston, O. Major McKinley responded to A. E. Richards, who spoke on behalf of the delegations, as follows:

"I remember when the Republicans of Creston and Wayne county were among the most earnest and enthusiastic of my old congressional district, and I see you have not lost your earnestness and enthusiasm for the great doctrines of the Republican party. We cannot, by legislation, in this country, make values. We cannot by any legerdemain of finance make something out of nothing. The only way to get wealth is by labor. Anybody who teaches any other doctrine is a false teacher and not a friend of American citizenship or our American homes. (Applause.)

"Congress can do a great many things, but it cannot make you rich or the country rich by debasing the money of the country and it cannot make the country rich by giving us dollars that are only worth 53 cents each, and stamping them dollars. (Great cheering and applause.) Now, congress can help you, but it must be by wise legislation, caring for the products of the labor, farms and manufactures of our own people by protecting them against the products of people living in other lands. Well, now, the best thing for the farmer, after good crops and good markets, is good money and when you give four pecks for a bushel and sell your wheat by the full bushel, you want to be paid in dollars worth fully a hundred cents each, not only today, but every day and everywhere.

"This is what the Republican party stands for this year. These two things above all others, but the Republican party does not stand alone for them. The greater part of the Democratic party, the greatest leaders of the old Democratic party, are one with us in the struggle for national honor and prosperity.

Rousing cheers were given for the "Next president."

#### FOUGHT FOR HIS LIFE.

Mill Manager Besieged by Infuriated Negroes.

CHIPLEY, Fla., Oct. 22.—Besieged by infuriated negroes, J. M. Criglar, manager of Hagerman's lumber mill at Hager station, four miles west of here, defended himself with such effect that he killed two of his assailants and wounded four others. Criglar became engaged in a quarrel with one of his employees and the other negroes drew pistols and began firing at the manager. Criglar ran to his office, locked himself in and opened fire with a Winchester on the maddened negroes who surrounded the building.

For an hour the battle continued and when the Louisville and Nashville train arrived at the station the negroes were preparing to set fire to the building and cremate Criglar. The train crew and passengers, however, rushed to Criglar's aid and dispersed the negroes. The negroes had fired over 200 shots into the building, but Criglar escaped by lying on the floor. As soon as the negroes fired a volley, however, he would rise and shoot at them through the windows.

#### Wants to Bet on McKinley.

ST. PAUL, Oct. 23.—In an interview with the Pioneer-Press, Michael Doran, a banker and broker in this city, and known all over the United States as a Democratic national committeeman and leader in Minnesota for 20 years, announced that he is willing and ready to bet any part or all of \$100,000 that McKinley for president and Clough (Republican) for governor would carry Minnesota at the coming election.

#### Spain Has Money.

MADRID, Oct. 22.—The semi-official Nacional says that negotiations for a big Spanish loan continue. Meantime, smaller credit operations suffice and assure the resources "necessary to maintain the national honor and defend the integrity of the country." Nacional adds: "Spain possesses all the soldiers she needs and will prove that she has money when necessary."

#### Wheat Dull in London.

LONDON, Oct. 22.—At the Baltic today the cargo wheat market was dull at the opening, with sellers generally offering at a shilling less than yesterday, and no bids. It was reported that the Berlin wheat market opened with free offerings, at 3 marks down, and the market was steady at the decline.

Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents. No. 2-8.
