## CROSSED THE TROCHA

### Maceo's Forces Are Safe in Havana Province.

#### POSITION SECURED BY STRATEGY

The Spaniards Believed the Cubans Were at Cacarajacara—Town of Artemisa Bombaraded.

KEY WEST, Oct. 26.—Well-informed passengers who arrived from Havana last night confirm advices received by mail that Maceo has crossed the trocha at Artemisa and joined other insurgent forces in Havana province. They declared that the report circulated by Maceo of his encampment at Cacarajacara and a contemplated attack on that town was merely a feint of the rebel leader to concentrate the Spanish troops at that point. That the ruse was successful is proved by the fact that General Genzales Moniz, with large forces, was sent in that direction to attack Maceo, but upon their arrival at Cacarajacara the Spaniards found nothing but a deserted camp.

Maceo's followers under forced marches then made a detour to the southward and suddenly appeared at Artemisa, the central post on the line of the trocha. Giving his men temporary rest, the insurgent chief sent word to the commandant that he intended to bombard the town, giving the inhabitants five hours in which to leave the city. Not heeding Maceo's threats, the Spaniards would permit no one to leave. The result is known from the reports which have already been cabled from Havana.

Maceo opened fire on the town with his artillery and thirty shots from the rebel dynamite guns were thrown into the city. Every building is said to have been leveled while the slaughter of non-combatants was appalling. During the carnage Maceo and his followers crossed the line of the trocha into Havana province, where they will be joined by the forces of General Aguirre.

#### WAR IS IMMINENT.

Present Situation in Turkey Cannot Continue.

CONSTANTINOPLE, Oct. 25, via Sofia, Bulgaria, Oct. 26.—(Copyrighted, 1896, by the Associated Press.)—The report that trouble of a serious nature is brewing here has so often been sent out that any fresh announcement to that effect is looked upon as having little or no foundation, but in spite of this it is but right to state that once more everything points to the fact that further very serious trouble is preparing on all sides throughout the Turkish empire.

The ball was set rolling on Wednesday last, when the sultan signed two irades levying a poll tax of five piastres a head on all Mussulmans and increasing the taxes on sheep, public works and education from 1 to 1½ per cent, the funds so raised to be devoted to military purposes. This caused the representatives of the powers to send a collective note to the porte, couched in the strongest language, calling attention to the danger the arming of Mussulmans was certain to create and pointing out the generally critical situation of affairs in the Turkish empire.

been made and the danger is increasing hourly. The porte today sent a reply to the collective note of the ambassadors. As usual it was evasive and in substance simply stated that the money derived from the additional taxes was only intended to complete the armament of the Mustaphas or Landstrum, the third and last class of Turkish army reserves, and strengthen the armament of the other land forces.

The action of the Turkish government indicates that the empire is facing a situation which may necessitate the calling forth of all the military forces at its disposal, and it also indicates that the situation is the gravest since the Russo-Turkish war. Of course there is always in view a probability at least that the eulian by these movements is simply seeking to distract the attention of his subjects from the actual state of affairs brought about by his maladministration. Seeing that the powers are really in earnest and that the understanding between Russia, France and Great Britain means decisive action, he is by armaments practically threatening the wholesale massacre of Christians and announcing that Turkey will resist to the utmost any attack from the outside.

Happily there is one feature of the crisis which has a soothing influence upon Abdul Hamid. This is the financial situation. It is about as bad as it possibly can be. All negotiations upon the part of the Turkish government for a temporary loan have failed, and the condition of the treasury is one of utter helplessness. On top of this the price of bread has risen 40 per cent, and bids fair to rise still higher as the price of wheat goes up. This has decidedly aggravated the prevailing distress and consequent discontent.

The police continue making arrests. It is understood that many more bombs have been found. In Armenia, the greatest apprehension exists. Rumors of a recent massacre in Egin are just reaching here, in spite of efforts made by the porte to suppress anything but official news.

#### CELEBRATION OF FLAG DAY.

Chairman Hanna Urges Special Efforts Next Saturday.

CHICAGO, Oct. 26.—[Special to THE CHRONICLE].—Chairman Hanna today telegraphed the chairman of the Republican State Central Committees, urging them to make a special effort for the celebration of flag day, next Saturday, by calling upon Republicans everywhere to display the national colors and assemble and hear patriotic speeches and participate in appropriate exercises.

Only one instance of political coercion has been absolutely proven. It is that of the dismissal of C. E. Wilson, news editor of the Pueblo (Colorado) Call, for carrying a McKinley banner in the St. Louis McKinley parade. His affidavit to this effect, together with a copy of the letter of dismissal received by him, reached Republican national committee headquarters today, and shows that the coercion is not altogether upon the side of the free silver advocates.

Rev. O. E. Murray, pastor of the Paulina street Methodist church, Chicago, has investigated the charge of the New York "Voice" prohibition organ, that Major McKinley or his wife have rented property in Canton which is a saloon, and denounces the statement as absolutely false.

F. P. Sargent, grand master of the locomotive firemen, has followed Chief P. M. Arthur with the announcement that he will vote for McKinley and that he never, knowingly, signed a petition or memorial in favor of free silver.

Reports received by Chairman Hanna today confirm his statement that McKinley and Hobart will carry all but twelve states and that the Republican electoral vote will not be less than 302.
