MEN AND WOMEN CAME

People From Six Cities Called on McKinley.

FALSE CAMPAIGN STATEMENTS

Story that Marshall Field, Phil Armour, Lyman Gage and Others Had Flopped to Free Silver.

CANTON, Oct. 27.—The first delegation today to be presented to McKinley was a party of 52 ladies who arrived in a special car from Martin's Ferry, O., at noon. They wore large ribbons upon which was inscribed, "McKinley and sound money." The ladies marched to the McKinley residence at the head of the Maryland and West Virginia delegation, which arrived at the same time in a train of 15 coaches.

The women were introduced by Harry Pratt, the delegation from West Virginia and Maryland by E. H. Sincell, of Piedmont, W. Va. Later delegations accompanied by two bands, made a highly enthusiastic demonstration.

Before the first crowd was out of the yard three other delegations in one body were in the street waiting for their turn. These were from Cleveland, and composed of employes of the Upton Nutt Company, Lamson & Sessions Company Beck, Stowe & Wilcox, Kirk's band, of Cleveland, and a Grand Army band, of Canton, played the "Star Spangled Banner," while the crowd greeted McKinley with cheers. The delegation was large, having used two special trains. William McKenzie, a workman, made the introductory address.

The employes of the Junction Iron & Steel Company, of Mingo Junction, with their wives and friends, in number sufficient to fill a special train, headed by the Grand Army of the Republic band, arrived just after the Clevelanders, and waited their turn. They were introduced by Captain N. J. Quahrhart, a member of the company. A reviewing stand had been erected on the front of the lawn. Three delegations are announced to arrive this afternoon, most important of which is the "Sound Money" club of New England.

Popercatic Falsehoods.

CHICAGO, Oct. 27.—[Special to THE CHRONICLE]—Every day brings its new set of falsehoods to influence voters to support the Popercatic ticket. The latest was a statement put into circulation yesterday to the effect that Marshall Field, Phil Armour, Lyman J. Gage, and several other distinguished business men of Chicago had declared for free silver. The report offered as an explanation of this surprising statement was the assertion that those gentlemen had found "the pressure from the business people of the West so great and the prospect of Bryan defeat so bright that they had been forced to this step." These reports were industriously distributed among the workmen and employes all over the city and at railway yards and stations and created a visible effect, until investigation showed every one of the statements to be absolutely false, only a few minutes of time was required to obtain a definite denial from each of those gentlemen of the truth of the rumors, but the comments and excitement which the announcement created showed how dangerous false statements of this kind are liable to be in the closing hours of the campaign and how the public should be on their guard against them.

paigned a record-breaker. Shortly after 7 o'clock this morning he was talking to the people of Lincoln, Ill. At 9 o'clock the people of Bloomington were listening to him. At Lincoln, when the special car was side-tracked shortly after 3 o'clock this morning, a crowd of ardent admirers of the nominee disturbed his rest, demanding a speech. He spoke later to several thousand in the public square.

A Fatal Bull Fight.

NOGALES, Ariz., Oct. 27.—A bull fight with fatal results occurred at Nogales, Sonora, Sunday, and for a short time caused a panic in the audience. One of the bulls, becoming more enraged than usual at these rather tame fights, rushed about the arena going everything within its reach. A horse was disemboweled.

A picador, Jose Angelo, in an attempt to place a thorn in the side of the wild animal, was caught on one of its long horns, which pierced him like a sword. He was tossed, and fell to the ground bleeding and mangled, where the beast held him between his horns and pawed him. He was frightfully injured and died a few minutes later. There was intense excitement in the audience and at one time it was on the verge of a panic, but was quieted by the killing of the bull.

Fatal Accident Near Wallula.

WALLA WALLA, Wash., Oct. 27.—An extra wheat train of thirty-three cars was wrecked seven miles east of Wallula at 11 o'clock this morning, in which Fireman-Roy Carpenter and Brakeman Williams were killed and Engineer Runke received painful but not fatal injuries. The cause of the accident was a broken rail. The accident happened on a curve, where there is a hill. The engine was hurled upside down under nine demolished cars. A special train took surgeons to the place of the disaster today. Engineer Runke was brought to this city, and is now in the hospital. His home is in La Grande, as was that of Fireman Carpenter, who leaves a wife and several children.

Flag Day in Chicago.

CHICAGO, Oct. 27.—Old Glory will have a big day Saturday. Thousands of voters in both the big parties will follow the advice of the campaign managers and observe Saturday as flag day. Reports received at headquarters indicate that patriots all over the country will vie with each other in decorating their homes and business places with the stars and stripes. In Chicago additional honor will be paid the national emblem at a big patriotic meeting to be held in the Auditorium Saturday afternoon, when tribute will be paid the stately banner in song and story.

The Republicans printed and distributed 1,000,000 paper flags, and will have 100,000 for use in Chicago next Saturday.

He Did Speak. After All.

THOMPSON, Ga., Oct. 27.—Thomas E. Watson spoke yesterday at Lincoln to 300 Populists. He declared he would be in the race for vice-president until the last vote was counted. He said the withdrawal of the Populist electoral ticket in Georgia did not indicate that he would come down, but was only a protest against the present management. He declared the Populist party had been betrayed by its leaders. He denounced Sewall as a plutocrat, a national banker, etc.

POPE IS INTERESTED.

Outcome of American Presidential Campaign Closely Watched.

LONDON, Oct. 27.—The Pall Mall Gazette publishes a dispatch from Rome which says:

The presidential election of the United States is the absorbing topic at the Vatican, the explanation being the strides which Catholicism has made in America, which is now one of the church's largest sources of income.

A recognized standing danger of Romanism in the United States is the independence of American bishops noticeable since the time of Pius IX. The latter fully recognized that these bishops enjoyed greater power than their brethren elsewhere and showed that he understood this by his witty answer to some English priests who asked for certain privileges. He said: "I am, as you say, the pope; yet I cannot accede to your request, but, added the pontiff, with a slight twinkle in his eye, "I can show you a way to obtain your desire. Go to America. For there the bishops are greater than the pope."

On the accession of Pope Leo matters assumed a different aspect. He charged Monsignor Satolli with the duty of intimating to the bishops in unmistakable language the limit of their powers and the result was something like a split, which it took Monsignor Satolli two years to heal. But his mission had good results.

The correspondent of the Pall Mall Gazette remarks that the church does not desire its representatives in America to take an active part in the campaign, fearing a new division in the ranks, and apprehending at the same time some of the more impetuous bishops might break out.

Politics Drove Him Crazy.

WALLA WALLA, Oct. 27.—Martin Delaney, a single man, aged 37, was adjudged insane today by Judge Upton, and ordered to be committed to the asylum at Medical Lake. Delaney, a farm hand, of late had been attending all political meetings in the country. He is rational on all matters except those political. Upon political subjects he is very violent, and wants to make speeches to every one he meets.
