### The Dalles Daily Chronicle.

The only Republican Daily Newspaper in Wasco County.

THURSDAY, OCT. 29, 1896

EASTERN OFFICE—230 to 234 Temple Court, N. Y. City. E. KATZ, Agent.

### NATIONAL REPUBLICAN TICKET

For President, WILLIAM M'KINLEY, Ohio; For Vice-President, GARRET A. HOBART, New Jersey; For Presidential Electors, T. T. GEER, Marlon County; S. M. YOHAN, Lane; E. L. SMITH, Wasco; J. F. CAPLES, Multnomah.

### TO OUR SILVER REPUBLICANS.

We believe that every man should vote his true sentiments regardless of former party affiliations. If you sincerely believe in the declarations of the Chicago platform and all that Bryan, Tillman, Altgeld and Penoyer stand for, then vote for Bryan and Watson. If you have come to the honest conclusion that the doctrine of states rights, against which your party, your party's nominee, possibly yourself, fought, is a safe doctrine for the maintenance of the Union; if you believe that this government can be safely entrusted to the influence which such men as Tillman will appropriately exercise over it in case Bryan is elected; if you believe that the contention which you and your party have made all these years, that the employer of the cheap labor of Europe and Asia should not be allowed to have the benefits of our markets without paying something toward the maintenance of our government is wrong; if you think that the plan of James G. Blaine, as carried into effect during the administration of President Harrison, by which our foreign trade was so largely increased through reciprocity, was wrong or unwise; if you believe that this nation, which has more than doubled its national wealth since 1870, has not prospered under the present financial system, then vote for Bryan, for he stands for all these.

By voting for Bryan you will express your opinion that you were blind all these many years, and are just now given your sight by the magic of the young lawyer from Nebraska, a man who has thus far never done anything to build up what you believed was a wise national policy, and whose only efforts in national affairs has been in the line of tearing down the policy of protection and reciprocity.

Before you cast your vote for Bryan, however, be sure you are not overlooking your past conclusions, found after years of study and reflection, be sure you are voting for just what you want; and being satisfied, do not hesitate to vote for Bryan and Watson. But do not refer to yourself as a Republican, for you will have discarded all that is essential to Republicanism. Be

courteous to the party you have abandoned and assume the name of Populist.

The rise in the price of wheat since July means an actual increase in the wealth of this country of about \$90,000,000. And all this has been contributed to the wheat men of this country by the Republican committee, according to some of our Populist friends. If this be so, we propose that our laws be so changed as that we have an election every year, and that Mark Hanna run the campaigns. Oregon would then be "strictly in it."

The prospect that California will cast its electoral vote for McKinley and Hobart is daily growing stronger, the outlook in Washington is daily improving, and with the kind of work that is now being done in Oregon continued until election, our great state will give the Republican ticket from 5000 to 10,000 majority. The whole Pacific slope ought to be, and very likely will be, in the Republican column.

It is generally conceded that Chicago will give McKinley from 75,000 to 100,000 majority. The registration shows about 380,000 voters and the Republican poll shows about 190,000 out of 306,000 votes canvassed who have unhesitatingly declared for McKinley and 81,000 for Bryan, the balance being doubtful. If Chicago will not support Bryanism, what city will?

Penoyer's police force, under the direction of Bourne, may attempt to prevent an honest ballot, but they will fail. The non-partisan Veterans' League, which numbers 600 or more, under the leadership of Major Jackson, will stand no nonsense. They are men who are not afraid of clubs, stars or brass buttons, and every honest voter will have a fair chance at this election.

Bryan is a long winded fighter, but he has a lot of very short-sighted trainers and backers. He will be knocked completely out on the first round of November 3d.

Never was a more grievous wrong done the farmers of our country than that so unjustly inflicted during the past three years upon the wool growers. Although among our most useful citizens, their interests have been practically destroyed. McKinley's letter of acceptance.
