

HIS CHICAGO SPEECHES

Bryan Doing Himself Absolute Harm.

STARS AND STRIPES INSULTED

One Audience Became So Aparchistic They Trampled Upon the American Flag.

CHICAGO, Oct. 29.—[Special to THE CHRONICLE.] Mr. Bryan's visit to Chicago is proving a great disappointment to his managers.

Senator Tillman's appearance in the public squares of Chicago at this time is likened unto the notorious "sand lot" appeals of Dennis Kearney in San Francisco.

After Chairman Hanna had this evening carefully examined revised polls from several states, including those recently regarded as doubtful, he declared he was now absolutely certain that McKinley and Hobart would be elected by a much larger majority than he has heretofore anticipated.

C. C. Vale & Co., brokers in this city, have posted \$1000 to bet on McKinley's election at three to one.

A POPULISTIC FORGERY.

Celebrated Locomotive Engineers' "Proclamation" Is Denounced.

PEORIA, Ill., Oct. 27.—The following circular was issued today:

"To the Workingmen of the United States: To refute the false statement, as we sincerely believe it to be, and to correct the impression our friends and acquaintances may have formed concerning our signatures to a campaign document going the rounds of the press and circulated broadcast on the streets, entitled, 'A Proclamation,' in which it is made to appear that we are in favor of free silver at any ratio, and the substantial establishment of two standards of money, contradictory as the terms may be, we wish to be recorded by all who are interested in our position as being emphatically and unequivocally against any such measure, but are for the sound-money plank promulgated by the Republican convention at St. Louis.

"Our signatures were obtained nearly three years ago to a document pretending to be a memorial to congress, then in session, which in our belief and memory was a much milder paper than is the 'Proclamation' referred to, and no matter what our opinions may have been on any question at the time of our signing the memorial, nearly three years ago, we have learned enough since on the subject to warrant us in renouncing the attempt at the free coinage of silver at

16 to 1, believing it to be directly against the interests of labor, and also believing that under the condition of free coinage this country will be subjected to one of the most frightful panics any country in this world has ever seen.

"Our belief in this statement is strengthened by the admission made by William Jennings Bryan, candidate for president, in a recent speech in the Northwest, wherein he is reported as saying that he thought free-silver coinage would bring for the present stagnation and panic, but from which in four years we would recover. We do not believe this country can stand an additional four years of misery and distress, and are therefore opposed to the sentiments contained in the aforesaid 'Proclamation.' Respectfully,

P. M. ARTHUR, Grand Chief of the Brotherhood of Locomotive Engineers.

E. P. SARGENT, Grand Master of the Brotherhood of Locomotive Firemen.

F. W. ARNOLD, Grand Secretary and Treasurer of the Brotherhood of Locomotive Firemen."

RESERVOIRS ARE LEAKING.

Montreal May Suffer the Awful Fate of Johnstown.

MONTREAL, Oct. 29. — Montreal is threatened with a disaster even worse than that of the Johnstown flood, owing to the present condition of the city reservoirs on Mount Royal, overlooking the city. The big basins have been leaking badly for years, and the leaks have been increasing rapidly. The authorities of McGill university, which is situated just below the reservoirs, have communicated with the city officials, pointing out the danger and notifying the city that it would be held responsible for \$1,000,000 damage in the event of a break.

The reservoirs hold over 20,000,000 gallons of water, and experts say that unless repairs are made at once the walls holding the reservoirs will give way and a terrible disaster result. The masonry wall is only eight or ten feet thick, and once it is thoroughly honeycombed and gives way the earth backing will not hold the immense body of water. The effect would simply be the obliteration of a wide belt of the city from the reservoir to the Lachine canal and river, and the whole of the low-lying part of the city would be flooded. The mayor has given orders to have the necessary repairs made at once.

RESORT TO VIOLENCE.

McKinley Parade Stoned by Populists in Linn County.

ALBANY, Or., Oct. 29.—As the campaign nears its close, the lawless element in the Bryan party appears to have become emboldened, and numerous instances of shameless methods resorted to are reported. Yesterday A. C. Hough went to Lyons to speak for the McKinley cause. He was met at the train by Mr. Hiatt, a staunch Republican. The consent of two of the directors of the school district had been obtained to use the schoolhouse for the speaking, but when Mr. Hiatt, went after the key, a third director, who is a Populist, informed him that the schoolhouse had been let for a dance. After considerable trouble Mr. Hiatt found the door opened, and went in and lit the lamps. He stepped out for a few minutes, and, when he returned, found the door locked and behind it were two ruffians, who said with an oath that they did not propose to allow any Republican to speak in Lyons. It was raining, and no outdoor meeting could be held, and the speaking was given up. The next morning Mr. Hough was insulted and hooted at on his way to the train.

At Jefferson, Tuesday evening, the Republicans held a big rally, and a great crowd was present. A gang of lawless Bryanites began throwing stones at the marching columns of McKinley men. A number of citizens were struck by flying missiles, and two men were knocked senseless.

All respectable people feel outraged at such acts of violence, and many are leaving the Bryan party out of sheer disgust.

Penalty for Eggthrowing.

CHICAGO, Oct. 9.—Louis J. Hanchett and Chauncey E. Foster were expelled today from the business college at which they were students. They are the youths who threw eggs at Bryan and were released by the police yesterday at Bryan's request. Neither of the students was present when Principal O. M. Powers today formally announced their expulsion to 250 students in the institution. The announcement was received in silence.
