THE DALLES, OREGON, WEDNESDAY, NOVEMBER 4, 1896

NO 259

M'KINLEY HAS WON IT

The Middle West Solid for Him.

THE COMPETITOR TRIAL AGAIN

California Probably Safe for McKinley and Oregon Sure of Four-Thousand Majority for Him.

Michigan.

DETROIT, Nov. 3.—At midnight it was generally conceded that Michigan has gone Republican by 25,000 to 50,000 plurality. The latter is the figure given out at that hour by Chairman Ferry, of the republican state committee. Chairman Baker, of the fusion committee, declines at this hour to make any statement. Secretary Alward, of the republican committee, claims the election of all 12 congressmen, but the democrats still hope to save some of their candidates.

The Tribune (free silver), on the basis of the scattering returns thus far received, estimates McKinley's plurality in the state, outside of this county, at 29,000.

California.

SAN FRANCISCO, Nov. 3.—If McKinley keeps up the average shown in precincts already counted in California, there is no doubt he will carry the state by a comfortable majority. The Republican state central committee claims he will have 30,000 the best of it, and six Republican congressmen out of seven have been elected.

In Eastern Oregon.

SPOKANE, Wash., Nov. 4.—Eastern Washington, according to latest estimates, will give Bryan 7,000 majority, and the state ticket nearly the same. Rogers, People's party candidate for governor, is not behind the ticket, and the congressional candidates, Lewis and Jones, are nearly even with Bryan.

May Require Official Count.

CHICAGO, Nov. 4.—The Associated Press received the following from Joseph M. Carey, from Cheyenne: "Wyoming is in great doubt; I think McKinley will have a small majority. It may require the official count to decide who is elected."

Bryan's Clean Sweep.

NEW ORLEANS, Nov. 3.—Election returns are coming in slowly, but the indications are that the democrats have made a clean sweep, electing the congressional delegation, and that Bryan has carried the state by not less than 30,000 majority.

Bryan's Majority in Mississippi.

JACKSON, Miss., Nov. 3.—Mississippi gives Bryan a majority of 50,000. The vote for Watson will not exceed 10,000. The seven democratic candidates for congress are elected by majorities ranging from 1000 to 5000.

Democratic Claims in Illinois.

CHICAGO, Nov. 3.—At 9:30 the chairman of the Democratic committee had received no reports from the county chairmen. Press reports indicated a majority of 50,000 for McKinley in Cook county, and this was generally conceded by the committee.

No reports on which even an estimate of the state, outside of Cook could be made had been received, but the committee still claims 35,000 for Bryan. The vote by precincts runs 10 per cent below the registration. This bears out the report that the returns so far received are only on straight Democratic and Republican tickets, omitting the People's Party, which the committee counts on for 25,000 votes.

Altgeld, in sixty precincts, has run 3000 ahead of Bryan, and on this basis

the committee claims his election, even though Bryan should lose the state by 20,000. Secretary Nelson says he will concede nothing until he has received a report from his own chairmen, and these are not expected before midnight.

LEE'S PROTEST REHEARD.

Proceedings in the Competitor Trial Temporarily Suspended.

HAVANA, Nov. 3.—Owing to a notice of protest from Consul General Lee, taking exception to the new court martial of the Competitor's crew, begun in Fortress Cabana recently, the proceedings in the case have been temporarily suspended. A summons has, however, been published in the local papers requiring various witnesses to appear and file written evidence against the prisoners.

One member of the expedition, George Ferran, who after landing surrendered to the British authorities and was pardoned under General Weyler's amnesty decree, has just been arrested to await the trial as a witness.

James Brown, a British subject, and prominent in Havana business circles, has been imprisoned upon a political charge.

The report that Antonio Maceo crossed the military line after attacking Artimesa and being repulsed with great loss, according to the official account is again denied. It is stated that the insurgents on that occasion acted without union, disobeyed orders, made no attack upon the forts and were unable to capture the Spanish occupants. Maceo, the day after bombarding Artimesa, in conversation with a member of a firm near his forces, sustained and admitted that it was no easy matter to cross the military line. Spanish forces are slowly occupying positions Maceo may have intended to use, and he is said to be resting in order to care for the wounded.

There are two versions as to the whereabouts of Maceo. One has it that Maceo and Rubia are in the mountains on the limits of Cabanass and Cayajabo, which constitute part of Sierra de Rosa Rio. Another report says he is in the range of mountains of the Sierra, south of San Cristobal.

The Spanish troops are continuing to advance westward toward the insurgent strongholds, without receiving any assistance from the troops stationed along the military line which are being still farther strengthened.

Robbed of \$1000.

ALBANY, Or., Nov. 3.—This morning about 10 o'clock A. H. Kroschel, of the firm of Kroschel Bros., grocers of this city, started to walk to the farm of his father, three miles west of Albany in Benton county. He was held up on the way by two highwaymen and robbed of \$1000. Kroschel came to this city and gave the alarm. A posse started in pursuit, but there is no trace of the robbers.

A. M. WILLIAMS & CO.

To the Citizens of Dalles City:

It is with pleasure and pride that I officially announce the completion of the Locks at the Cascades of the Columbia river, and that day will be formally opened on Thursday, the 5th day of November, 1896, at 2 o'clock p. m.

I am today more than proud to call The Dalles my native city.

We have looked forward to the the event of the opening of the "Locks" for many years. At times the heart has become sick from hope long deferred, but at last the great day is here that marks the beginning of an era of unexampled prosperity for our city as well as for our surrounding communities—the great day that marks the opening of the "Gateway to the Inland Empire."

It is proper that all residents of our city should join in celebrating an event of so great importance, and that tomorrow should be made a day of general rejoicing and thanksgiving, and that the day be devoted to a celebration of the time when the Grand Old Columbia flows from our beautiful city unvexed to the sea.

THEREFORE, as Mayor of Dalles City, I earnestly request that all business houses be closed; that all persons cease their avocations and all business be suspended, and that all join in celebrating the grandest event in the history of The Dalles, and make tomorrow a day of rejoicing never to be forgotten, and that our citizens individually and collectively do all in their power for the entertainment of our visitors.

FRANK MENEFEE,

Dated, Nov. 4th, 1896.

Mayor.
