A Phenomenal Rainfall.

The most phenomenal rainfall recorded in the annals of Ohio took place on the 12th day of August, 1861. Mr. S. B. McMillan, who gives an account of this remarkable downpour, says that it extended over an area of at least 100 square miles. The total amount of water which fell during the 11 hours of precipitation was 8 1/2 inches, and of that quantity 4.3 inches fell in 4 1/2 hours. What is meant by a fall of 8 1/2 inches of rain in so short a space of time will be better understood when the reader is informed that one inch of rain means 22,000 gallons to the acre. This immense quantity of water will weigh 220,000 pounds, or 100 tons!

Vice Regal Invitations.

An invitation from the lord lieutenant in Ireland is supposed to be, like one from the queen whom he represents, a command. Irish society, however, does not always treat it as such, but, according to convenience, either honors it in the breach or the observance. A "society" person may throw over a previous engagement without being considered to have committed a breach of manners. He may also refuse the vice regal invitation if so minded. Irish society is not servile on this point, but exercises common sense and the liberty of choice in the matter of amusing itself.

Origin of Billiards.

The origin of billiards is obscure, but the best authorities on the subject declare that the game was brought from the east by the Crusaders. It was certainly played by the early Knights Templar and the Knights of Malta, and in medieval times was exceedingly popular among the monks in the monasteries of France and Italy.

Blessing the Fish.

Thousands of spectators witnessed the unique spectacle of the annual blessing of the fisheries, which took place at Folkestone, England, recently. A procession, consisting of surpliced choirs and clergy, with cross and banners, left St. Peter's church, and after it had made a detour of the fishing quarter of the town chanting the litany a position was taken up overlooking the sea. The vicar of the parish gave an appropriate address, and prayers were offered asking a Divine blessing on the fisherman's calling.

The Ideal Panacea.

James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an Ideal Panacea for coughs, colds and Lung Complaints, having used it in my family for the last five years, and the exclusion of physician's prescriptions or other preparations."

Rev. John Burgus, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial bottles free at Blakeley & Houghton's, Drug Store.

Electric Bitters.
 Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1.00 per bottle at Blakeley & Houghton's drug store.

NOTICE.
 By order of the Common Council of Dalles City, notice is hereby given that sealed bids for the construction and placing of twenty-four posts for street lights, and the repairing and putting in condition ready for use of twenty-four oil lamps, will be received at the Recorder's office until 4 o'clock p. m. Monday, Nov. 2d, 1896.

It is the same old story and yet constantly recurring that Simmons Liver Regulator is the best family medicine. Each member of our family uses it as occasion requires."—W. B. Smith, Mt. Vernon, Ky.

 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:
