"Trilby" Tonight.

The Orris Ober Company delighted a large audience at the Vogt last night in the laughable farce-comedy, "Mixed Pickles." This company is really deserving of better patronage than it has been having, and those who do not at-1 00 tend are missing some very pleasant entertainments. The only mistake made was in putting the prices so low. Our people have been accustomed to pay-1 00 ing not less than fifty cents for attend-00 ing any play, and consequently are prone to think any show charging less than that, is not much good. This has been the view taken of the Orris Ober troupe, and it is certainly a mistaken one. Tonight "Trilby" will be put on, and it will be well worth hearing. The prices are eastern, but the acting is all right regardless of prices of admission. Go and hear them.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely counteracting and freeing the system from the malarial poison. Headache, Indigestion, Con. stipation, Dizziness yield to Electric Bit-ters. 50c and \$1.00 per bottle at Blake-ley & Houghton's drug store.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a consti-tutional treatment. Hall's Catarrh Care is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foun-dation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case
