# 76 YEARS OLD AND VIGOROUS

## A Veteran of the Late War Adds One More Name to the List of Striking Cures by Pink Pills in Michigan.

### AN OLD-FASHIONED, LARGE FAMILY OF THIRTEEN CHILDREN.

From the Courier-Herald, Saginaw, Mich.

A few years ago a wave of La Grippe swept over the land and brought thousands of its victims to the grave. Others who escaped the fate of the grave, and suffering, broken in health and spirit.

Terrible as was the disease, its after effects were yet more appalling, as it sought out the weaknesses of the constitution and left thousands shattered wrecks of their former selves. A few days ago a Courier-Herald representative, while at the thriving little town of Akron, Mich., met John L. Smith, a veteran of the industrial army, on whose aged head the disease had fallen, and he heard him tell how he had suffered and what had given him relief.

We can do no better than quote his own words, which are as follows: "About seven years ago I was taken down with the 'Grip,' and it fastened on me very hard. For about half the winter I was so bad that I could not leave the house. I was chilly all the time, and could not get warm. I felt as if I was frozen solid, and could only breathe with great difficulty.

This condition alternated with sweating spells of great violence. There was an almost continuous pain, and it would shoot from one part of my body to another, with great suddenness, and cause me intense suffering. Sometimes it was in my hips, then in my legs, and again it would go to my head and pain me in the eyes. It was so intense that it even affected my sight.

"I called in medical assistance, but this was fruitless, as I received no benefit from physicians. From then on I tried various preparations that were recommended to me, but they did me no good, and my condition was as bad and painful as it was before I tried them.

Finally I saw an advertisement of Dr. Williams' Pink Pills for Pale People, and I read with much interest of the wonderful cures that they had effected in so many cases. I had tried so many proprietary preparations that I had no faith in it, but tried it, as I had so many other things, to see if it were of any use.

"One day when I was feeling as bad as usual, I got a box of Pink Pills, and shortly before going to bed I took one pill. I cannot tell you what a surprised man I was next morning. Then I put on my shoes with ease, a thing that I had not done for forty years. A little while after this I was so well that I drove to Bay City, Michigan, a distance of twenty-three miles, and was not at all tired when I got there.

"I am now seventy-six years of age and unusually active for a man of my years. I work on my forty-acre farm and experience no trouble from the work. I want to say a good word for Pink Pills, as they helped me where all else did no good whatever. Since my illness and cure a number of my neighbors have used them, and say that they have been greatly benefited."

Mrs. Smith, the veteran's wife, who sat near by, confirmed the words that her husband had spoken and added her testimony to the good that the pills had been to the family. The worthy couple are old and respected residents of Tuscola County, where they have lived for thirty years. Mr. Smith is a sturdy pioneer, and cleared up a 200-acre farm near Akron. He yet lives there, surrounded by twelve of his thirteen children. Thanks to Pink Pills, he has a prospect of many years of usefulness.

Another sufferer with the same malady was Neil Raymond, a prosperous and leading farmer, residing near Columbiaville, Lapeer Co., Michigan. Speaking to a representative of the Courier-Herald, Mr. Raymond said: "Three years ago last June, one night I suffered an attack of paralysis, brought on, I think, by overwork and as an after effect of la grippe. After a week my condition was so bad that I summoned a physician and doctored for about six months, with but little relief. For some time I had seen in the papers reported cures of cases similar to mine effected by Dr. Williams' Pink Pills and thought I would try them. I bought a box and continued their use with good results. I soon began to gain in strength and health and felt the good effect of the Pills. "They were the first things that had been able to give me relief. They have been of great benefit to me and I can strongly recommend them to anyone suffering from paralysis."

The case of another veteran has come to the attention of this paper and it is here given: When, in 1861, the fate of our Union hung trembling in the balance, and President Lincoln issued his famous call for volunteers to go to the front and fight for its preservation, an immediate response swept over the North like a tidal wave, and regiment after regiment of brave boys in blue quickly sprang up from every quarter. Unmindful of the privations of a soldier's life, and the horrors of war, they shouldered their muskets and marched to the front to battle for their country.

Among the first to answer the call was E. G. Matthews, who enlisted as a member of Company D, 103d Ohio Infantry, and who fought bravely until the close of the great struggle. Mr. Matthews now lives with his wife and family of six children and grandchildren on his farm near Akron, Tuscola County, Michigan. While in the ranks he contracted inflammatory rheumatism and this developed into a trouble that remained with him for over thirty years. He finally became cured of it and to a representative of the Courier-Herald he spoke of his case as follows:

"During the late war I was a member of Company D, 103d Ohio Infantry, and performed all the duties incident to a soldier's life from 1862 to 1865. While at the front owing to the privations of our soldier life, I contracted inflammatory rheumatism, and this finally developed into a permanent form of rheumatism, that has always troubled me since the time. When I mustered out in 1865 I went back to Ohio to the place where I enlisted and was laid up there in bed for 12 weeks. I then got out for a short time and was again laid up for a long spell. Since then I have been a victim of these attacks and they have laid me up for much of the time.

"My case was also complicated by severe kidney troubles and other diseases that baffled the best medical skill. I have tried many physicians and also proprietary articles of all kinds that were said to be good for such troubles as mine. In my search for health I spent hundreds of dollars, but it seemed to be all in vain, and nothing seemed to reach my trouble and give me relief. About a year ago a friend advised me to try Dr. Williams' Pink Pills, and although I had no faith in them, I bought a box and began to take them. After I had begun on the third box a great change in my condition began to appear, and my trouble for over thirty years' standing began to be cured. I took four boxes more and then felt so well that I discontinued their use.

"I am now able to work on my farm and have no fear of the old trouble coming back as long as I can get a box of Pink Pills. My case was a particularly deep seated one, of long standing, and so I want to let others who are afflicted as I was, know the benefit that these Pink Pills for Pale People have been to me."

Dr. Williams' Pink Pills for Pale People are now given to the public as an unflinching blood builder and nerve restorer, curing forms of weakness arising from a watery condition of the blood or shattered nerves. The pills are sold by all dealers, or will be sent post paid on receipt of price, 50 cents a box or six boxes for \$2.50 (they are never sold in bulk or by the 100), by addressing Dr. Williams' Med. Co., Schenectady, N. Y.
