Such is President Cleveland's Plan Regarding Cuba.

WASHINGTON, Dec. 2.—A crisis in the affairs of Cuba is rapidly approaching, and there is every reason to believe that President Cleveland has already decided on action which will startle the country almost as much as his famous message on the Venezuelan question, although the exact time for the announcement depends somewhat on future operations in Cuba.

By this action, the president will not change his previous policy in regard to Spain and Cuba, but will simply carry it out to its logical conclusion, which is a direct and open threat of active intervention on the part of the United States to secure peace in the island, whether by the independence of the patriots or by voluntary action on the part of Spain. From three different sources the policy partially agreed upon between Secretary Olney and President Cleveland was learned, and the reports in each case tallied with surprising unanimity.

A definite and somewhat startling announcement on the Cuban question will be made to congress, either in the regular annual message or in a supplementary communication, as was the case with the Venezuelan question.

Minister de Lome, of the Spanish legation, has been fully advised of the impending announcement, and he accepts what is in effect an ultimatum, believing that Spain will be able to prevent action on the part of the United States by the success of Weyler's operations in Cuba.

The policy adopted is scarcely a matter of doubt any longer, unless there should be some change in affairs in the island through the success or failure of Weyler's campaign, and the issue will soon be sharply drawn between this country and Spain.

Hanna Goes to Washington Tomorrow.

CLEVELAND, O., Dec. 2.—National Chairman Hanna, who has been visiting President-elect McKinley in Canton since yesterday, wired this morning that he will return to Cleveland this evening and start for Washington Friday afternoon.

While Hanna ostensibly went to Canton to talk over inauguration plans with the president-elect, it is generally known that when he returns tonight the cabinet slate will be practically completed. In addition it is stated that Hanna will bear to Washington McKinley's expressed views in regard to immediate legislation, especially in reference to the Digley bill.

Death of Minnie DeMoss.

A dispatch from Ashland yesterday says:

"Mrs. Minnie De Moss Cochran, one of the members of the celebrated De Moss family of musicians of Oregon, died at Wheatland, Calif., Tuesday, from blood-poisoning, resulting from a carbuncle on the face. Her body passed northward on the evening train. It will be buried at the family home in Sherman county. The body was accompanied by members of the family, who have canceled their California engagements, and say they will retire from the stage altogether. The deceased had only been married two months, and was 27 years of age."

General Applegate Dead.

General Elisha L. Applegate died at Ashland yesterday. He was 85 years of age, and had been in poor health for some time. The dispatch announcing his death, says:

He was sitting in a chair at his home, and had been conversing with the members of the family as usual, but complained of an inability to breathe easily, and requested that the door be opened to admit fresh air, when he suddenly and almost without warning dropped his head and was dead.

ABOUT THE "SLOPPER."

His Researches in the Garbage Receptacles and His Finds.

"That man is a slopper," remarked a police officer to a Washington Star writer a few mornings since, "and he and his class give us any amount of trouble. If he stole we could reach him by law, but as he only finds we cannot easily reach him." In further explanation he said: "A slopper is a man who searches through the garbage cans in the alleys in the rear of hotels, boarding houses and private houses. Some search for spoons, knives and forks that are thrown into the garbage receptacles by careless servants, for it is a fact that there are more silver spoons and knives and forks thrown away with the garbage than are stolen by servants, though the contrary is generally believed. The slopper is generally an hour or so ahead of the garbage collector and he is often more regular and careful in his rounds than the garbage man."

"By industry we thrive," as the line in the copy-books used to contain, and by industry on a good west end route, especially one which takes in a number of boarding houses or hotels, a slopper can find enough tableware to pay the expenses of his tour. Often he makes a rich find. Very frequently he has permission to 'slop' the can from the owners of the house themselves, for he tells them he is on the lookout for stray pieces of meat, etc., which he sells to those who have dogs to feed. Some sloppers are honest enough to return any silverware they may find for the dog-meat privilege, but it is a terrible temptation to many and one they cannot or do not at times withstand."

The Ideal Panacea.

James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an Ideal Panacea for coughs, colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations."

Rev. John Burgus, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial bottles free at Blakeley & Houghton's, Drug Store.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely counteracting and freeing the system from the malarial poison. Headache, indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1.00 per bottle at Blakeley & Houghton's drug store.
