### Committee Amends Cameron Resolution.

#### INDEPENDENCE IS ACKNOWLEDGED

The Secretary Advised Against Precipitate Action. But the Senators Heeded Not.

WASHINGTON, Dec. 18.—Secretary Olney was before the senate committee on foreign relations today for a considerable time. All the members except Gray and Daniel were present.

The meeting was held for the express purpose of continuing the discussion of the policy on the Cuban question to be recommended by the committee. The meeting was strictly private, Olney being the only person not a member who was admitted. His advice was against precipitate action. The foreign relations committee, however, agreed to report the Cameron Cuban resolution.

The Cameron resolution was as follows:

"Resolved, by the senate and house of representatives of the United States of America, in congress assembled, that independence of the republic of Cuba be and the same is hereby acknowledged by the United States of America.

"Section 2—That the United States should use its friendly offices with the government of Spain to close the war between Spain and Cuba."

The committee changed the Cameron resolution so as to make it more emphatic. The title was changed to read, "A joint resolution acknowledging the independence of the republic of Cuba," the words, "the republic," being inserted. Instead of declaring that the United States "should use its friendly offices," the resolution was made to read the United States "will" do so.

Secretary Olney, it is claimed by members of the committee who favored the action, did not have any new information to present. Olney urged that no action be taken at present, and pointed out that there is no real government to recognize.

The agreement to report the Cameron resolution was reached immediately after Olney left without a division or an expressed difference of opinion. The only division was as to the senate. Cameron moved its report on Monday next. Sherman suggested that the report be not put in until after the holidays. The Cameron motion prevailed by a large majority.

Members of the committee are reticent as to what Secretary Olney said, but it is certain he advised against any action like that contemplated, as it would involve war with Spain.

One member of the committee said: "Of course Spain will fight, but there is no danger of other countries getting in our way. No other European nation wants to fight us as, we would wind up the war with Spain in short order."

The opinion was expressed that Cleveland would veto the joint resolution. It is understood that the main point raised by the secretary was that covered in the president's message, viz., there is no actual government in Cuba to recognize.

Another member of the committee said he believed that in case the president should veto the resolution it would pass over the veto, as more than two-thirds of both the senate and the house favored it.

dead body of Will Proctor, a half-brother to Dink.

At 2 o'clock this morning a mob battered down the front door of the jail and forced the jailer to give up the keys. The oldest boy, Will Proctor, cursed the mob and was shot dead in his cell. The other two were taken out and hanged.

Three weeks ago Arch Proctor, aged 20, stabbed Aaron and Doc Crafton to death at Adairville, this county. Aaron died immediately and his brother lingered a week or more. A week ago the Proctors had an examination. Dink and Bill were acquitted. Their trial for the killing of Doc Crafton was set for today. The mob numbered about 100, and it did its work with dispatch. Bill Proctor has been tried three times for murder.

A drowning man would have little use for a method of rescue which would require days. A dyspeptic doesn't want to bother with a remedy that is going to take weeks to show its beneficial effects.

The Mount Lebanon Shakers are offering a product under the name of Shaker Digestive Cordial which yields immediate relief. The very first dose proves beneficial in most cases; and it is owing to their unbounded confidence in it, that they have put 10 cent sample bottles on the market. These can be had through any druggist; and it will repay the afflicted to invest the trifling sum necessary to make a trial.

The Shaker Digestive Cordial relieves by resting the stomach and aiding the digestion of food. (1)
