FEELING MOST BITTER

The Cuban Rebellion Causes Strife in Mexican Towns.

SERIOUS RIOTS AT MANY POINTS

Natives and Spaniards Fight in the Streets of the Cities—A Spanish Consulate Attacked.

SAN DIEGO, Cal., Dec. 23.—The patriotism of Mexicans and their fervent love of liberty is shown in their strong sympathy with the Cuban insurgents. Every day during the past six months there have been encounters in the City of Mexico between Mexicans and Spaniards, and the general government is taking severe measures to quell any demonstration of hostility to Spain.

In the city of San Luis Potosi the feeling runs so high that serious trouble is threatened. Last Wednesday night a mob gathered there, inflamed by a circular said to have been written by a Spaniard and defaming Mexicans and Mexican institutions, and especially with reference to the part taken in sympathy with the Cubans. This circular precipitated a riot. A crowd gathered early in the evening, constantly growing in numbers and violence until at 10 o'clock it had reached the proportion of a mob, that swept everything before it.

The mob gathered in front of the Spanish consulate and threatened to demolish the structure, but were finally controlled by one or two cool heads. Banners inscribed with huge red letters were flaunted at the consulate, and violent talk and insults bandied. The Spanish consul was in great peril and appealed to the authorities to protect him. The mob finally left after severe measures had been taken by the police, and plans were hurriedly made to disperse any subsequent gathering.

VENGEANCE WAS SWIFT.

An Idaho Murderer Slain by a Sheriff's Posse.

BOISE, Idaho, Dec. 23.—News has reached here of a tragedy at Hagerman. An altercation took place between Marion Garner and Harry Kline, alias Bunco Pete, during which Pete shot and it is supposed fatally wounded Gardner. Pete at once mounted his horse and struck for the cattle camp of the Shoe-sale outfit.

A posse at once started in pursuit and as he had stopped to see a woman to whom he was engaged to be married, the posse overtook him. He was ordered to throw up his hands and replied by opening fire on the posse, who in turn shot him dead. Garner is recovering, although shot through with a 44-caliber bullet. Pete was a cowboy and all-around bad man from the locality where Diamond Field Jack and others recently killed several shepherders.

The Kentucky Race Feud.

MAYFIELD, Ky., Dec. 23.—At 4 o'clock this morning a detachment of 30 whites from Fulton, 30 miles away, came into the city, armed to the teeth, prepared to resist the negroes who propose to attack this place on account of the recent lynching. Eddyville, Kuttawa, Wingo, Princeton, Paducah and neighboring towns have been asked for aid. Companies are being formed in each of these places. The Second regiment of Kentucky State Guards at Paducah has been asked for a gatling gun, and the piece is now on its way to the city.

Powers to Intervene.

LONDON, Dec. 23.—As frequently announced from the various capitals since the visit of the czar to the queen, September, the powers have finally become convinced that the sultan's promises amount to nothing and are determined to begin a policy of coercion. All infor-

formation points to the accuracy of the news received today from Constantinople and cabled by the Associated Press.

The Marquis of Salisbury on Monday summoned the ambassadors to the foreign office and communicated to them views of the British government on the definite proposals of Russia for joint intervention, in order that each ambassador might communicate their to his government.

SHARP CUBAN TACTICS.

Dynamited Spanish Relief Train to Enemy's Great Loss.

CINCINNATI, Dec. 23.—A special to the Commercial Tribune from Tampa, Fla., says:

One of the Cuban leaders here received news from Havana tonight confirming the report recently received of Spanish losses sustained near Santiago and other towns nearby, while attempting to capture the cargo of a filibustering vessel. The Spaniards were routed, and they wired to Dechelaine, 30 miles away, for aid. A train was made up there with great secrecy, but the watchful Cubans there knew of it and sent word to a nearby insurgent camp. The track was dynamited as the train came along, the bomb causing destruction, four cars being blown almost into splinters. The terrified Spanish soldiers poured out of the wreck, only to receive a withering fire from the Cubans concealed behind the roadbed. The Spaniards fought bravely for a few moments, but the odds were too much, and they fled in all directions, the Cubans pursuing them for miles. Over 40 Spanish soldiers were killed or wounded and 40 taken prisoners. The Cubans secured a quantity of arms, ammunition and medical supplies. It is reported that the expedition landed safely, and that all the cargo was taken to Gomez' camp.

In Havana much speculation has been indulged in today as to why Weyler changed his mind and went to Pinar del Rio section, instead of going to Matanzas and into Santa Clara province, as had been arranged. The solution is that, bad news was received from the trocha, and that the Spanish commanders, not wishing to stand the responsibility, wired for Weyler.

ONE MORE FAILURE.

The Bank of West Superior Closes Its Doors.

WEST SUPERIOR, Wis., Dec. 23.—The Bank of West Superior, with a capital of \$50,000 and a surplus of \$50,000, suspended operations this morning as the direct result of the failures of the banks of Minnesota and Illinois. The notice of suspension stated the cause was the Bank of Minnesota failure, but the failure of the Bank of Illinois weakened it considerably.

At the November statement the bank had deposits of \$78,947, rediscounts of \$1,505; loans and discounts, \$18,971; real estate assets, \$43,419; bonds and securities, \$5,391; and cash on hand, \$22,259.90.

Officers say they expect to resume and pay depositors in full.

THE SULTAN MUST OBEY.

Ambassadors Are Instructed to Take Concerted Action.

CONSTANTINOPLE, Dec. 23.—(Delayed in transmission).—All the ambassadors have now received instruction to concert proposals with a view to improving the situation in the Ottoman empire. The proposals before being submitted to the sultan will be referred to their respective governments. All the powers, including Russia, as repeatedly announced during

the past few months, have agreed in principle to the expediency of employing coercion should the sultan be recalcitrant, but the form of coercion will not be determined until the emergency arises.

AFFAIRS IN HAYTI.

Present Tranquillity Is the Calm Before the Storm.

NEW YORK, Dec. 23.—A special to the Herald from Kingston, Jamaica, says: Matters are tranquil in Hayti at present, but it is stated that a revolution is bound to come later. The report that the French government has refused recognition to Manigat as Haytian minister to the republic is confirmed here. If he should return to Hayti from Paris Manigat may make trouble.

Politics in Hayti are in abundance on account of the ravages of yellow fever, which is still epidemic. Among the recent victims of the fever was Henri Pasqual, French diplomatic representative. He was buried with military honors, the president attending the funeral.

Large Dry Goods Store Falls.

SIOUX CITY, Ia., Dec. 23.—The Parsons-Pelattier Dry Goods Company, one of the largest houses in Sioux City, did not open today. The stock is in the hands of the mortgagees who hold claims of \$91,523. These include Farwell & Co., and Marshall Field, of Chicago; the Farmers' Loan & Trust Company of Sioux City, and H. B. Claffin & Co., of New York. No figures as to assets are given. The failure is due to the general stringency of the times.

Caused by a Rumor.

PARIS, Dec. 23.—Spanish securities were strong today, owing to the report that a dispatch from Washington indicated that the United States was ready to recognize Spanish authority in Cuba on condition that the United States be invited to intervene and end the war.

Receivers are appointed.

ST. PAUL, Dec. 23.—Frank A. Seymour and Attorney W. H. Lightner were this afternoon appointed by Judge Otis, joint receivers of the Bank of Minnesota. They are required to file a joint bond of \$1,000,000, and will immediately take possession of the bank.

Effect Wonderful
In Three Weeks Scales Gone
In Six Weeks Cure is Complete

About four years ago Eczema made its appearance on my head in its worst form. I was attended by two physicians, but notwithstanding their treatment it continued spreading, until my face was covered with scales and became a horrid loathsome sight. For three months I did not leave the house, and people passing would turn and look back when seeing me at the window. I had a fine head of hair, seven years' growth, and had to sacrifice it. I was in despair. The physicians had failed even to relieve me, when one of them recommended CUTICURA SOAP, and one bottle of CUTICURA RESOLVE. Persons having any doubt about this testimonial being genuine, can write to my address and I will cheerfully tell them more about CUTICURA REMEDIES.
