## PRESENTED BY DRIVER

Bill Providing for Punishment of Absentees.

ALL THAT WOULD BRING THEM

Failed to Pass Senate Under Suspended Rules and Was Tabled-- No Change in the House.

DALES, Or., Jan. 19.—In the senate to-day Senator Driver brought up his bill providing for the organization of the legislature and tried to rush it through a second passage. He got it through the second reading easily, but ran against a veto when it came to the third reading. His motion to suspend the rules and read the bill on final passage did not receive the necessary two-thirds vote.

The bill provides that when a member of either house refuses to participate in the organization he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than \$50 nor more than \$500. It is further provided that if the member persists in his refusal for over two days or more he shall forfeit his seat.

The detailed vote on the motion to suspend the rules and read the bill the third time was:

Ayes—Calbreath, Carter, Driver, Gesner, Gowan, Harmon, Haselton, Hobson, Hughes, Johnson, McClung, Patterson of Marion, Patterson of Washington, Price, Reed—16.

Noes—Bates, Daly, Dawson, Holt, King, Mackay, Michell, Mulkey, Selling, Smith, Taylor, Wade, Mr. President—13. Absent—Brownell.

The bill was disposed of by being laid on the table and sent to the state printer to be printed.

The following bills were introduced: By King, abolishing the board of railroad commissioners; Daly, to exempt homesteads from attachments and judicial sales; McClung, requiring the county clerk to publish a list of the expenditures of the county semi-annually; Gowan, by request, providing for the election of a prosecuting attorney; Gowan, permitting county clerks to administer the oath in pension matters; Gowan, referring to the pasturage of stock; Smith, by request, relating to executors' sales.

The senate accepted the invitation of Commandant Byers to visit the Soldiers' Home at Roseburg. A communication was received from the board of trade of Dallas, Tex., asking for the passage of a bankrupt law.

Under the head of the second reading of bills, twenty-five bills were read and referred to appropriate committees.

The senate then adjourned till tomorrow.

### Nothing Done in the House.

DALES, Jan. 19.—The house was called to order today by speaker Davis at 10 o'clock. Thirty-four members were present, including Misener and Gradke, Democrats. Vaughan of Lane created considerable merriment by moving that the absent members not having been heard from for a week, the governor be notified that they are dead.

At noon the house adjourned till 2 p. m.

### CANAL BILL IS TAKEN UP.

The Senate Begins Consideration of the Measure.

WASHINGTON, Jan. 19.—In the senate today Hale of Maine called up the bill providing for the organization of a canal battalion in the District of Columbia. The bill was passed.

A bill was passed for a public building at Altoona, Pa., to cost \$125,000, for the incorporation of American instructors of the deaf.

At 2 o'clock the Nicaragua canal bill was taken up. Turpie of Indiana addressed the senate in opposition to the bill.

### Nominations Confirmed.

WASHINGTON, Jan. 19.—The senate committee on finance today voted to report favorably the nomination of W. C. Forman of Illinois to be commissioner of internal revenue. It is expected that there will be opposition to the confirmation in the senate. The committee also rendered a favorable report upon William Row McCreey to be collector for the

first district of Missouri, which has been held up since December 10th. Opposition to McCreery is not so pronounced as against Forman.

### TELLER RE-ELECTED.

Colorado Legislators Voted Almost Unanimously for Him.

DENVER, Colo., Jan. 19.—Henry M. Teller was re-elected United States senator today by the almost unanimous vote of the Colorado legislature. All members classed as Populists, Democrats, Silver Republicans and National Silverites voted solidly for him.

Senator Carney, Populist, chosen by lot for the honor, made the principal nominating speech in the senate. To William O. Jenkins, Democrat, was accorded the same privilege in the house, because he represents Gilpin county, where Senator Teller resides. There were several seconding speeches, all eulogizing the senator highly.

### Pension Bills in the House.

WASHINGTON, Jan. 19.—Today's session of the house, in pursuance of a special order adopted yesterday, was devoted to the consideration of private pension bills. Under the order the debate on each bill limited to ten minutes. About 900 private pension bills remain on the calendar.

### THE NEBRASKA LEGISLATURE.

Resolution Introduced Calling on Thurston to Vote for Silver.

LINCOLN, Neb., Jan. 19.—Senator Sanson, of Douglas county, introduced today a joint resolution reciting speeches and letters of Senator Thurston on the silver question during the campaign of 1895. At that time, Senator Thurston was an advocate of the free coinage of the "American production" at an un-stated ratio. After quoting from the senators utterances, the joint resolution calls on him to "low support and vote for any and all measures that will bring about an abandonment of the existing gold monometalism, and that will result in a return to bimetalism. He is reminded that we are not yet realizing financial prosperity under existing gold monometalism, and we think now as he did before he was elected, and as he stated at the time of his election, that it is worth our while to try the experiment of a return to bimetalism."

### The Anti-Hat Crusade.

DES MOINES, Ia., Jan. 19.—By unanimous vote the six aldermen present at the city council meeting tonight instructed the city solicitor to draw up an ordinance prohibiting and punishing the wearing of large hats at theaters and public entertainments where such hats obstruct the view of others. It is proposed to impose a fine of \$2 to \$10 for each offense. The ordinance will come up at the next meeting.

DENVER, Jan. 19.—A bill has been introduced in the legislature which lays an embargo on the high theater hat. It provides a penalty of \$10 for violation in each case.

### OUTBREAK AT THE PHILIPPINES.

Convicts Revolted, Killed Their Guards and Escaped.

SAN FRANCISCO, Jan. 19.—A convict outbreak at Cavite, Philippine islands, December 6, was the occasion of more actual fighting at the rebel stronghold than has been precipitated by the entire operations of the Spanish troops. On that date 147 prisoners in the public jail suddenly rose in open revolt, killed the guards and effected their escape.

As related in the mail advices brought by the steamer Rio Janeiro yesterday the alarm occasioned was indescribable. The convicts, after placing hors de combat every guard of the jail, including the superintendent, took possession of the weapons they could find handy, including some Mauser rifles and revolvers, which belonged to the guards, and made their way toward the interior.

The sentries in St. Felipe fort, in the arsenal and in the barracks of the Cazadores and marine infantry on perceiving their flight, opened fire upon them. The runaways then divided into groups. The whole of Cavite seemed to have had a hand in the destruction of the unfortunates or their recapture, so that the result, up to December 7, was eighty killed and some eighteen or twenty recaptured.

### A San Francisco Mass Meeting.

SAN FRANCISCO, San. 19.—The Nicaragua canal mass meeting called by the chamber of commerce was held this afternoon. Mayor Phelan presided. A memorial was adopted, by which congress was asked to pass the present Nicaragua canal bill, "thus providing for our country and the commercial world a waterway between the two great oceans, for the benefit of all, with low tolls and without discrimination."

The memorial continued: "We also entreat that this beneficent work shall remain under the control of the government of the United States—an American canal, under American control. For many years our government has promised us this legislation, and meanwhile our Pacific coast has suffered an arrested development from the want of cheap transportation for the products of our soil and industry."

### The True Remedy.

W. M. Repline, editor Tiakiwa, Ill., "Cheif," says: "We won't keep house without Dr. King's New Discovery for Consumption, Coughs and Colds. Experimented with many others, but never got the true remedy until we used Dr. King's New Discovery. No other remedy can take its place in our home, as in it we have certain and sure cure for Coughs, Colds, Whooping Cough, etc." It is idle to experiment with other remedies, even if they are urged on you as just as good as Dr. King's New Discovery. They are not as good, because this remedy has a record of cures and besides is guaranteed. It never fails to satisfy. Trial bottles free at Blakeley & Houghton's Drug Store. (4)

### To Contractors.

The county court requests contractors to submit plans and estimates for a bridge across Hood river, at the town of Hood River. Plans will be considered at the adjourned meeting to be held February 8th at 1 o'clock p. m. The court reserves the right to reject any and all plans. If a plan is selected, bids will be asked for the building of the bridge. By order of the court. Jan 9-4t A. M. KELSAY, Clerk.

### A Cure for Lame Back.

"My daughter, when recovering from an attack of fever, was a great sufferer from pain in the back and hips," writes Loudon Grover, of Sardis, Ky. "After using quite a number of remedies without any benefit she tried one bottle of Chamberlain's Pain Balm, and it has given entire relief." Chamberlain's Pain Balm is also a certain cure for rheumatism. Sold by Blakeley & Houghton.
