Russians Recent French Attacks. New York, Jan. 29.—A Herald dispatch from St. Petersburg says:

Replying to the Paris Gaulois' attacks against the Franco-Russian alliance, the Novosti says:

"Before her alliance with Russia, France only played a secondary political role for twenty years. After it she at once rose to the first rank."

Referring to the material side, the Novosti calls attention to what the Chinese government has ceded to France and the support Russia has given France in the Egyptian question and also at Constantinople.

The attacks which have recently been delivered by the Figaro and the Gaulois cause high feeling here and have been the reason why so much stress is being laid upon the visit of Count Muraviev, which is being emphasized in the strongest manner. It is even hinted that the opportunity of the count's visit will be taken to come to an understanding with France on the Eastern question.

As it is well known here, the friction comes from the resentment of the French bondholders, who own, according to M. Cambon, 68 per cent of the Turkish debt, consequently they most actively favor the financial commission plan, from which Russia held aloof.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Price 75c. per bottle. Sold by Druggists.

Towns Bidding for the Fight.

SAN FRANCISCO, Jan. 29.—Now that Governor Sadler, of Nevada, has signed the prizefight bill, it is accepted as a settled fact here that the Corbett-Fitzsimmons fight will be held either in Reno or Carson. Both places are bidding for it, but until Stuart gives the word, no one will know which town is to be selected. Reno is on the main line of the Central Pacific, and is easier of access than Carson, which is a few miles distant on a branch road.

Nothing Done By Houses.

SALEM, Jan. 29.—Neither of the houses did any business today. The Davis house adjourned till tomorrow and the Benson house till 2:30 Monday.

A Rich Brown Stew.

Secure from the round or from the fleshy part of the shoulder two pounds of lean beef. Trim off the fat and sinew. Cut the meat into pieces an inch square, roll such pieces carefully in flour, put two ounces or two tablespoonfuls of finely chopped suet into your saucepan, stir carefully without browning; take out the crackling; throw the meat into this hot fat, shake it and turn it until the pieces are nicely browned; then draw them to one side of the pan; add two tablespoonfuls of flour, mix until smooth; add a pint of good stock, a teaspoonful of kitchen bouquet, a bay leaf, a slice of onion, a clove, a teaspoonful of salt and a tablespoonful of pepper. Cover the saucepan and let the mixture stew slowly, not boil, until the meat is tender, about 1 1/2 hours, and it is ready to serve. An Unprecedented Gain in Weight

A Trained Nurse Gained Fifty-three Pounds by Using a Nerve Food.

ONE OF THE MOST REMARKABLE RESULTS ON RECORD.

From the Gazette, Yonkers, N. Y.

"I don't look much like a living skeleton now, do I? And yet two years ago I weighed just seventy-two pounds," said Mrs. J. W. Coffey, of 55 Warburton Avenue, Yonkers, N. Y., to a reporter. And we agreed with her, for she certainly looked anything but a living skeleton, but rather bore the appearance of a plump and attractive lady in excellent health and spirits. Continuing she said:

"I had lost my appetite and was wasting away in flesh, losing some fifty pounds in a few months. Doctors said I was threatened with consumption. I was under what was regarded as first-class medical treatment, but it had apparently little or no effect, for I kept getting worse until I was so weak that I could not attend to my household duties and could hardly walk. My husband and everybody who saw me thought surely that I would die, and there seemed no help for me.

"Tonics and stimulants and medicines all seemed useless, and I grew worse and worse until at last I resolved to seek some new remedy—one entirely out of the usual line of nauseous drugs and doses of stuff which seemed to take away what little relish I might perhaps otherwise have had for food. A friend told me of some wonderful cures effected by Dr. Williams' Pink Pills for Pale People and I bought a box. The effect from their use was noticeable from the first and soon appeared almost miraculous, for it seemed pretty nearly like the raising of one from the dead.

"I soon commenced to eat, something I had scarcely done before for weeks, and soon began to gain in flesh and strength. I went one day to the doctor's office and he was surprised at the change in me for the better. I had to confess that I had been taking the pills, and he was broad-minded enough to advise me to continue what was evidently doing me so much good. I took, in all, six boxes, and increased in weight from 72 to 125 pounds, which is my regular and normal weight.

"Are you sure the cure is permanent?" "Well, yes. My work is that of a trained nurse, which means, as you probably know, irregular hours and at times great exhaustion. During the two years since my recovery I have had many engagements, and through them all have continued in good health. I take pleasure in bearing testimony to the remarkable power of this great medical discovery. I know of other cures effected by it. A friend of mine suffered greatly at her monthly periods. One box relieved and three boxes cured her. But I know of no case equal to mine, for my situation was critical, desperate and almost hopeless.

Mrs. Coffey has lived in Yonkers for sixteen years, and for twelve years has followed the business of attending the sick, excepting only the period of her illness. She has hundreds of acquaintances and friends who know her to be capable and trustworthy. Many of them know how very ill she was and how remarkable was her recovery. The pills have a large sale in Yonkers and Westchester County, which will be greatly increased as their merits become better known, for they seem to be one of the medical marvels of the age.

AN UNSOLICITED TESTIMONIAL.

From the Democrat, Atlanta, Texas.

"Being constantly asked by many of my friends if Dr. Williams' Pink Pills for Pale People were doing me any good, I offer this unsolicited testimonial and answer. Never having seen a well day since I had typhoid fever last summer, I could retain scarcely any food, my limbs and joints ached and pained all the time. It was misery to me to rise up in bed and my mind was clouded, in fact was a physical wreck and I felt that my life was drawing to a close, and I must confess it was without regret on my part as my sufferings were almost unbearable.

"Since I commenced to take Dr. Williams' Pink Pills, at the solicitation of my wife, I have taken four boxes, and I feel like a new man. My appetite is good and I now retain what I eat, my limbs and joints are free of pain and I have gained ten pounds in weight. My life feels renewed and while not yet entirely well, I feel so much better that I unhesitatingly assert that I believe Pink Pills for Pale People a good medicine for what they are recommended. Knowing that no medicine will save life under all circumstances or in all cases, yet I do honestly believe that they have prolonged mine, or at least, where all was dark and gloomy and full of suffering it has been changed for the better.

"The manufacturers of this medicine do not know of my taking it. Neither am I paid for this statement, but give it freely in answer to friends and the editor of this paper." (Signed.) JOHN BAUGRESS, Atlanta, Texas. Sworn to and subscribed before me this 27th day of March, 1896.

R. M. BLAYDES, Notary Public. Regarding the above testimonial of John Baugress, I beg to say that no man stands higher for honesty and veracity in all this section than John Baugress.

W. H. WRIGHT, Editor and proprietor of the Democrat Atlanta, Texas.

Dr. Williams' Pink Pills for Pale People are prepared by the Dr. Williams' Medicine Co., of Schenectady, N. Y., a firm whose ability and reliability are unquestioned. Pink Pills are not looked upon as a patent medicine, but as a prescription, having been used as such for years in general practice, and their successful results in curing various affections made it imperative that they be prepared in quantities to meet the demand of the public, and place them in reach of all. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of the grippe, palpitation of the heart, pale and sallow complexion, and the tired feeling resulting from nervous prostration, all diseases resulting from vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities, and all forms of weakness. They build up the blood, and restore the glow of health to pale and sallow cheeks. In men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of whatever nature.

Dr. Williams' Pink Pills contain all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are for sale by all druggists, or may be had by mail from Dr. Williams' Medicine Company, Schenectady, N. Y., for 50 cents a box, or six boxes for \$2.50.
