### A PLACE FOR M'KENNA

The California Man Gets the Interior Portfolio.

IT IS UNOFFICIALLY ANNOUNCED

Judge McKenna Has Received No Official Notification—Warner of Missouri to Be First Assistant.

St. Louis, Feb. 3.—A special to the Globe-Democrat from Canton says:

Judge McKenna, of San Francisco, has accepted the portfolio of secretary of the interior in President McKinley's cabinet.

Judge McKenna's first assistant will probably be Major Warner, of Kansas City.

This information was given by the president-elect to a delegation who called to urge the appointment of Judge William Warner.

NOT OFFICIALLY NOTIFIED.

McKenna Has Received No Specific Offer From Canton.

SAN FRANCISCO, Feb. 3.—Judge Joseph McKenna was this morning shown a dispatch from Canton by an Associated Press representative, the dispatch stating it was positively known that McKinley had tendered him a cabinet place.

McKenna was asked: "Have you accepted?"

In reply he said he did not doubt the correctness of the statement attributed to McKinley except as far as it was said that he (McKenna) would be appointed to succeed Justice Field on the United States supreme bench. Judge McKenna added, however, that as yet a direct offer for a specific cabinet place had not been made to him by Major McKinley, and until such tender had been made official etiquette sealed his lips. "The first intimation must come from the president-elect to me," he said.

On the other hand it is known among the friends of the McKenna family that they expect to reside permanently in Washington after the next few months. It is said the only hitch lies in the fact that it is not yet decided which of two portfolios McKenna will have, whether the attorney-generalship or the secretaryship of the interior.

Gage About Ready to Retire.

CHICAGO, Feb. 3.—Lyman J. Gage, the next secretary of the treasury, expects to hand in his resignation as president of the First National bank within four days. He stated yesterday that the directors will meet this week to select his successor. Mr. Gage will leave Chicago about the middle of the month for Washington. He will spend several days looking up a home. He will go to Old Point Comfort for a time.

### TROUBLE IN CRETE RECOMMENDED

Prominent Greek Killed in a Recent Disturbance.

NEW YORK, Feb. 3.—A dispatch to the Herald from Constantinople says:

The ambassadors have received news of a fresh disturbance having broken out in Crete during which a notable Greek was assassinated and that these troubles have reached Retimo. A second telegram stated that the revolutionary movement has also declared itself at Canea and that complete anarchy reigns everywhere.

Major Boro, former commander-in-chief of police of Cyprus, who is to form the first three companies of gen d'armie in Crete, has left Constantinople for Crete.

The Greek population desires that Oecumenica, Patriarch Anthimos VII, shall give in his resignation. This he refuses to do. In order to avoid all instigation by Monsignor Germanos, the metropolitan of Heraklion, Patriarch Anthimos will use his constitutional power to change half of the members of the holy synod. In consequence of this difference an anti-patriarchal demonstration took place yesterday in several churches of Galata and Stamboul. It is feared that on the occasion of the session of Thursday the demonstration will be renewed.

The police are fully cognizant of every fact. In ecclesiastical and political circles it is believed that the retirement of the patriarch is only a question of a few days.

### FIGHT MAY GO TO WYOMING.

The "Glove Contest" Bill Reported to the Legislature.

CHEYENNE, Wyo., Feb. 3.—The lower house of the assembly, sitting in committee of the whole yesterday, reported for passage a bill designed to take the Corbett-Fitzsimmons fight from Nevada.

Last week a bill with this object in view was covertly introduced, but nothing was said, fearing too much publicity. The promoters intended to work quietly until they had secured the governor's signature, which it was understood would be forthcoming at the proper time. Reports from Nevada led the legislators to press the bill. It is now going through with a rush, in the hope that the contest may yet be thrown in this direction. The bill provides that nothing less than five-ounce gloves can

be used, and no reference is made to the cost of admission.

Cheyenne has the advantage of three competing railroads, the managers of which promise to give the lowest rate that has ever been extended to an event of the kind. Accommodations for 10,000 people could easily be arranged, while Denver, only 120 miles away, could take care of any overflow to an unlimited number.

The bill will be placed on its passage this afternoon, and will be passed without a single protest, while the senate will push it along to a third reading without a moment's delay, save such as are required to establish the bill as a law when it comes forth with the emergency clause attached.

Many legislators think they will have their pains for reward, owing to the belief that Nevada will withdraw the bill stipulating for \$1 admission.

### TO HUNT FOSSIL TURTLES.

Colonel Brooks Heads an Expedition to California.

CHICAGO, Feb. 3.—Colonel T. W. Brooks and party will start from Pomona, Cal., this week for Inyo county, Cal., on an expedition sent by the Field Columbian museum, of Chicago, to get fossil remains of turtles for the Field Columbian museum and for Chicago university.

Colonel Brooks found the fossil remains several years ago, but never revealed his discovery until recently. He says the expedition will cost over \$700, and that he will send to Chicago soon the most remarkable fossil turtles ever known. Colonel Brooks declined to tell the exact locality of these fossil remains, but he says it is close to the Nevada state line, and that the locality is full of wonderful fossil remains of fish.

### Didn't Know it Was Loaded.

CHICAGO, Feb. 3.—Lillian Hohean, 17 years old, was shot and killed last night by her sweetheart, Joseph Cronin, who was handling a double-barrel shotgun which he did not know was loaded. He snapped one barrel at her, and although she urged him to put it down, he still pointed it at her. She tried to push the gun aside, when Cronin said: "Look out; I'm going to shoot" and pulled the trigger of the second barrel. A heavy load of buckshot struck the girl in the abdomen, and nearly tore her body asunder. Cronin is now nearly insane with grief.

I have given Chamberlain's Cough Remedy a fair test and consider it one of the very best remedies for croup that I have ever found. One dose has always been sufficient, although I use it freely. Any cold my children contract yields very readily to this medicine. I can conscientiously recommend it for croup and colds in children—Geo. E. Wolff, clerk of the Circuit Court, Fernandina, Fla. ### Butler to Leave Friday.

SAN FRANCISCO, Feb. 3.—Preparations for the extradition of Butler are being hurried, and should the so-called murderer be extradited before next Friday at noon, he will leave on the steamship Monowai for Sydney, and in that event the same steamer will probably bring back next April the account of his trial, and, in the event of his conviction, of his execution.

The detectives have visited the steamer and the forward 'tween decks have been measured. It was found possible to build a room large and comfortable enough to accommodate Butler, and should he be extradited the quarters walled by heavy six-inch planking will be put up in less than six hours. Butler will be provided with a comfortable bed, and will live on the best the ship provides during his voyage to the Antipodes.

Should he not get away on the Monowai he will remain in the city and county jail until the Alameda sails, one month from now.

### A Valuable Prescription.

Editor Morrison of Worthington, Ind., "Sun," writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal." Mrs. Annie Stehle, 2025 Cottage Grove Ave., Chicago, was all run down, could not eat nor digest food, had a backache which never left her and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed strength. Prices 50 cents and \$1.00. Get a Bottle at Blakeley and Houghton's Drug Store. (8)

Face, Head, Ears, and Body Terribly Affected. Hair Came Out. Thinks

SHE WOULD HAVE DIED

But for the Wonderful Cure at a Cost of \$0.25, Made by the

CUTICURA REMEDIES

When I was thirteen years old I began to have sore eyes and ears, and from my ears a humor spread. I doctored with five different skillful doctors, but they did not do me any good. By this time it had gone all over my head, face, and body. Nobody thought I would live, and would not but for CUTICURA REMEDIES. My disease was Eczema. No doctor could tell me what it was, they were at a loss to know. My hair all came out at that time, but now it is so thick I can hardly comb it. I am sixteen years old, weigh 130 pounds and am perfectly well. It has been one year since I took CUTICURA, and am perfectly satisfied that Eczema will never trouble me again. I took four boxes of CUTICURA, five cakes of CUTICURA SOAP, and three bottles of CUTICURA RESOLVENT.

Miss IRENE GRANDEL, Clayton, N. Y., Box 29.

The cures daily made by CUTICURA REMEDIES astonish physicians, druggists, and those who have lost faith and hope. No statement is made regarding them, not justified by the strongest evidence. They are the most speedy, economical, and infallible skin cures, blood purifiers, and humor remedies of modern times.
