THEY WILL GO HOME

Benson House Anxious to Adjourn the Legislature.

MEMBERS ARE ALL TIRED OF IT

They Accordingly Adopt a Resolution to This Effect—Thirty-Five in Joint Convention Yesterday.

SALEM, Feb. 17.—That it is the intention of the Benson house to adjourn next Friday night sine die was proven today by the adoption of a concurrent resolution to that effect.

When the house convened today Crawford introduced a resolution that the speaker appoint a committee of three to confer with the members who are staying out and ascertain their reason and the conditions on which they would come in. This resolution occasioned a protracted debate. Crawford, Jennings and Huntington favored the adoption of the resolution. Veness, Chapman, Brown, Thomas, Nosler, Lake, Gratke and Palm opposed it. The resolution was finally laid on the table.

Thomas then introduced a concurrent resolution that the house adjourn sine die on Friday at midnight. Huntington moved that the resolution be laid on the table. The motion was lost by a vote of eighteen to five. The resolution was then adopted.

The house then adjourned till 11 a. m. tomorrow.

THIRTY-FIVE IN JOINT SESSION.
Conference of Members Announced for This Evening.

SALEM, Feb. 17.—Thirty-five members attended today's joint convention. Hudson, Vaughan, Mitchell and Wagner were still absent on account of illness.

After the roll was called Representative Thomas moved that the convention proceed to ballot for senator with the understanding that if forty-six members were not present no election would be declared. Chairman Brownell ruled that motion out of order.

The chair then announced that there would be a conference of members at 8 o'clock tonight.

The convention then adjourned till tomorrow at noon.

Brief Session of the Senate.

SALEM, Feb. 17.—In the senate this morning Haseltine and Selling presented petitions against the sale and manufacture of cigarettes. Reed offered a resolution that the chair appoint a committee of three to examine and correct the journal. The resolution was adopted and the chair appointed as a committee Reed, Mitchell and Geener.

The senate then adjourned.

Will Fight the Trust.

NEW YORK, Feb. 17.—For several days reports have been current in Wall street that another competitor of the sugar trust, more formidable than the Arbuckle Brothers, was about to spring up in Brooklyn. The capitalist referred to is Claus Doscher, who is reported to be worth \$6,000,000, and was one of the organizers of the Brooklyn Refining Company, which sold out to the American Company at a handsome profit.

Mr. Doscher since that time has practically been out of the sugar business, although one of his sons is active in the trade, and is a recognized expert. According to the report Mr. Doscher now wants to build up a business to leave to his sons. He owns two blocks of water front in Green Point, which is well adapted for refinery purposes.

Mr. Doscher when seen confirmed the report that he intends to re-enter the business of sugar manufacturing.

Day's Doings in Congress.

WASHINGTON, Feb. 17.—The senate today agreed to the resolutions asking information regarding the correspondence with Great Britain on the seal question and directing a suspension of the grant of special privileges in Yellowstone Park canyon.

Allen of Nebraska, attacked the civil service system, alleging dismissal of men and woman in the postoffice at South Omaha, Neb., for having supported Bryan.

Lodge called up and championed the conference report on the immigration bill.

Palmer and Carter opposed the exclusion of Canadians.

In the House.

WASHINGTON, Feb. 17.—The house today agreed to a conference report on a bill fixing times and places for holding court in Utah, and refused to agree to a conference report which would have increased the pension of the widow of Captain J. S. Paine from \$20 to \$30 a month.

It agreed to report on the legislative appropriation bill and passed a bill to remove the political disabilities objection from Colonel William F. Sims, congressman of the ante-bellum days.

A Warning to the Greeks.

CANEA, Feb. 17.—There was a meeting of the commanders of foreign fleets today on the Italian flagship. It was reported that the powers will in some manner sanction the annexation of Crete by Greece.

solved to take steps toward bringing about a more peaceful state of affairs in Crete. A joint note was drawn up and sent by Admiral Canevaro, the Italian commander, who is in command of the united fleets, to the Greek consul. The note informed the representatives of Greece that any attack upon Canea, Retimo, Heraklion or Sitia would be repelled by the warships of the foreign powers in Cretan waters.

This step caused some alarm in Greek circles, but it is not believed to signify anything more serious than a warning to the Christians and Greeks to cease fighting while the powers deliberate and come to some definite understanding regarding the future of Crete.

It is still believed the powers will in some manner sanction the annexation of Crete by Greece.

General Pleasanton Dead.

WASHINGTON, Feb. 17.—General Alfred Pleasanton, a distinguished cavalry commander in the late war, died at Greason house at 3 o'clock this morning.

General Pleasanton for several years lived almost a hermit's life in Washington, not moving out of his apartments. He felt he had not been well treated by the government after his distinguished services in the war. His only attendants were his private secretary, Mr. Murphy, and Henrietta Roane, a faithful colored nurse, who were with him when he passed away.

Chinese Murderer Hanged.

SAN QUENTIN PRISON, Cal., Feb. 17.—Chun Sing was hanged here at 10:35 this morning. Death ensued in 12 minutes.

The crime for which Chung was hanged was triple murder at Lundy, Mono county, eighteen months ago. He had quarreled with other Chinese and decided to exterminate the enemies with an ax, killing two women and one man and attempting to kill another.

I have given Chamberlain's Cough Remedy a fair test and consider it one of the very best remedies for croup that I have ever found. One dose has always been sufficient, although I use it freely. Any cold my children contract yields very readily to this medicine. I can conscientiously recommend it for croup and colds in children—Geo. E. Wolf, clerk of the Circuit Court, Fernandina, Fla.
