### THE FASTEST AFLOAT

Torpedo Boat No. 6 Breaks the Record.

THREE HUNDRED MILES IN 15 HOURS

Spaniards Are Anxious for War With This Country—Say Spain Has Nothing to Lose.

NORFOLK, Va., Feb. 26.—Torpedo-boat No. 6, of the navy, said to be the fastest vessel afloat, has arrived at the Norfolk navy-yard, after making the run from New York in fifteen hours, the fastest time ever made between the two cities by any vessel. The torpedo-boat passed Cape Henry light at 6 o'clock, thirteen hours out, and was at the navy-yard at 8 o'clock. It takes an ordinary vessel three hours to make the run from Cape Henry to Norfolk.

The exact distance by water between New York and Norfolk is 300 miles. At that rate of speed the torpedo-boat averaged twenty miles an hour for fifteen consecutive hours. Thick weather prevailed over the entire coast, together with easterly winds and a choppy sea. The torpedo-boat will anchor at the navy-yard several days.

EXECRATED BY THE SPANIARDS.

Madrid Officials Bitterly Denounce Consul-General Lee.

MADRID, Feb. 26.—Extreme reserve is maintained in official circles. Much importance is attached to a secret conference between the premier and ministers on the state of war in Cuba. The procedure of the United States consul-general is regarded as "intolerably high-handed." The government is disposed to investigate and meet the reasonable demands of the United States, and the claims of the American citizens. It is further determined to punish those found guilty of having inflicted violence upon Dr. Ruiz, the American citizen alleged to have been beaten to death in prison.

Impartial Is Excited.

MADRID, Feb. 26.—Impartial says: "Americans are availing themselves of European troubles over Crete and mean to precipitate McKinley into a quarrel with Spain."

It advises the government to prepare Spain's defenses by sea and land, maintaining that Spain has less to lose than the United States in the event of war.

MAY RESIST THE POWERS.

Greece Is Disposed to Fight for Her Rights.

ATHENS, Feb. 26.—At a secret meeting of the government deputies, just held, it was unanimously decided that Greece will support any government favoring a forward policy in Crete.

Warlike Preparation.

SALONICA, Feb. 26.—The massing of

Turkish troops and munitions of war on the frontier is proceeding with feverish haste. All the soldiers on furlough have been recalled. Eleven batteries of artillery, a regiment of cavalry and two battalions of infantry have gone from here, Monastir and elsewhere to Ellassona.

Two additional battalions of infantry have reached Katerina. Reliefs from Smyrna, Brusa, Trebizonde and elsewhere in Anotolo are on their way to the frontier, where a total of six divisions will be formed, with headquarters at Ellassona.

NEW YORK, Feb. 26.—A Herald dispatch from Athens says:

Dispatches from Turnova state that 500 Turkish troops have arrived at Ellassona. Two other detachments are expected shortly. Six batteries are on their way to the Greek frontier. Rejet Pasha, until now in command at Bagdad, has been appointed commander-in-chief.

The cruisers Mical and Sfakitera have arrived at Piraeus from Crete.

The Grand Duke George, of Russia, arrived from Patras on board the Tsarevna, and leaves at once for an unknown destination.

Opinion in Russia.

NEW YORK, Feb. 26.—A Herald special from St. Petersburg says:

Opinions here are coming quite around to the idea that the autonomy of Crete is the best solution of that wearisome question. But Greece's intentions are not accepted, although she is given credit for having united the powers.

Concerning the Korean question, which is once more to the fore in connection with the Russo-Japanese treaty just published, the Novosti says that if Japan knows when the right time comes to retire, Russia and she will get on all right. Another journal says that in future many difficulties are certain to occur between Russia and Japan.

King George Will Accept.

LONDON, Feb. 26.—A telegram received from Athens this afternoon by a Greek firm, states the king of Greece has intimated he will accept the demands of the powers.

A MYSTERIOUS MISSION.

Dynamite Cruiser Vesuvius Suddenly Ordered to Key West.

JACKSONVILLE, Fla., Feb. 26.—The dynamite cruiser Vesuvius, now at this port has been ordered to leave at once and join the Marblehead which left the mouth of the St. John's river Tuesday and is now at Key West.

A dispatch from Washington by Captain Phillipsbury, of the Vesuvius, said that a superior naval officer would arrive in the city today when the vessel would proceed south with him. Immediately upon the receipt of the telegram the Vesuvius began filling her bunkers with coal. Groceries and other supplies were taken aboard in large quantities. No one seems to know what is up. Several cipher messages have been sent to and from Washington.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

Lee's Famous Demand.

NEW YORK, Feb. 26.—The Herald this morning publishes what it asserts is a copy of the famous dispatch cabled by Consul-General Lee to Secretary of State Olney. The dispatch is as follows:

"Olney, Washington: Have demanded release of Scott, American citizen, who has been kept in prison and incommunicado without due process of law eleven days. Trust you appreciate the gravity of the situation and are prepared to sustain me. Must have warship immediately. How many ships have you at Tampa, Key West and in Southern waters, and are you prepared to send them here should it become necessary? I cannot and will not stand another Ruiz murder. LEE."

With the close of the Presidential Campaign THE TRIBUNE recognizes the fact that the American people are now anxious to give their attention to home and business interests. Every possible effort will be put forth, and money freely spent, to make THE WEEKLY TRIBUNE pre-eminently a National Family Newspaper, interesting, instructive, entertaining and indispensable to each member of the family.
