> But over all is the peerless Carnita in her serpentine, color, butterfly and lilly and rose dances. Her costumes are magnificent, and with the charm of colored lights, forty colors being used, that Per inch are thrown upon her as she dances, the \$1.50 effect is weirdly beautiful.

Among other features in these dances is one, the effect being produced by the sceneoscope that is simply incomparable to to in its beauty. A vase is seen in front of her as she dances, and as you look a plant starts, grows before your eyes until it reaches her face, the buds shoot out and then burst into full bloom. Another is the color dance, where lights thrown from below the stage light up her gauzy costume until she seems enveloped in a sheet of fire, the delicate textures of her costume waving and fluttering like live fiames until at last as she sinks through the stage, she seems

to have been utterly consumed. These effects are the work largely of Hon. J. N. Brown and whie came Mr. Edward Shields, and are now produced for the first time in Oregon. This is something entirely out of the line of other entertainments, and will prove a when Carnita and her talented company The Carnita Company arrived on the are far away, gladdening the eyes of

Sons and Daughters,

All the Family.

With the close of the Presidential Campaign THE TRIBUNE recognizes the fact that the American people are now anxious to give their attention to home and business interests. To meet this condition, politics will have far less space and prominence, until another State or National occasion demands a renewal of the fight for the principles for which THE TRIBUNE has labored from its inception to the present day, and won its greatest victories.

Every possible effort will be put forth, and money freely spent, to make THE WEEKLY TRIBUNE pre-eminently a National Family Newspaper, interesting, instructive, entertaining and indispensable to each member of the family.

We furnish "The Chronicle" and N. Y. Weekly Tribune one year for only \$1.75.
