a word, but rolled up the bills and wadded them down into his pocket. "his happened in the morning, and about two o'clock the same afternoon, before the officials of the bank had an opportunity to discover the error, the contractor walked into the office of the president of the bank.

'Is this bank responsible for the errors of its clerks?" he asked the pres-

"If it can be proved that any of our cleries have erred." replied the president, in a very chilly manner, "we will make the correction."

"Well, nobody saw this error made but myself," continued the contractor,

error I referred to was the payment of four hundred dollars for a check that called for only forty dollars; but, as no one saw me receive the extra three hundred and sixty dollars, I suppose you will not want to correct the histake. Good day, sir."

"Hold on! Come back!" shouted the bank president, who by this time was very wide-awake to the abyss to which he had been led.

The matter was soon adjusted satisfactorily, and now when any person reports an error at that bank the first question asked is: "In whose favor?"
